What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with us by binding arbitration (with certain limited exceptions as set forth in the franchise agreement). The franchise agreement states that Pennsylvania law governs the agreement, and this law may not provide the same protections and benefits as local law. You may want to compare these laws. Out-of-state arbitration and/or litigation may force you to accept a less favorable settlement for disputes. It may also cost you more to arbitrate/litigate with us in a different state than in your own state.
2. **Economic Dependence on Parent.** The franchisor is economically dependent upon its parent, Grupo Bimbo S.A.B. de C.V., as the parent or its affiliated companies supply substantially all of the products sold by the franchisor and provides additional working capital as required.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” pages for your state.

**ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT
FOR THE STATE OF MICHIGAN**

- (iv) THE FAILURE OF THE FRANCHISEE OR PROPOSED TRANSFEREE TO PAY ANY SUMS OWING TO THE FRANCHISOR OR TO CURE ANY DEFAULT IN THE FRANCHISE AGREEMENT EXISTING AT THE TIME OF THE PROPOSED TRANSFER.

(H) A PROVISION THAT REQUIRES THE FRANCHISEE TO RESELL TO THE FRANCHISOR ITEMS THAT ARE NOT UNIQUELY IDENTIFIED WITH THE FRANCHISOR. THIS SUBDIVISION DOES NOT PROHIBIT A PROVISION THAT GRANTS TO A FRANCHISOR A RIGHT OF FIRST REFUSAL TO PURCHASE THE ASSETS OF A FRANCHISE ON THE SAME TERMS AND CONDITIONS AS A BONA FIDE THIRD PARTY WILLING AND ABLE TO PURCHASE THOSE ASSETS, NOR DOES THIS SUBDIVISION PROHIBIT A PROVISION THAT GRANTS THE FRANCHISOR THE RIGHT TO ACQUIRE THE ASSETS OF A FRANCHISE FOR THE MARKET OR APPRAISED VALUE OF SUCH ASSETS IF THE FRANCHISEE HAS BREACHED THE LAWFUL PROVISIONS OF THE FRANCHISE AGREEMENT AND HAS FAILED TO CURE THE BREACH IN THE MANNER PROVIDED IN SUBDIVISION (C).

(I) A PROVISION WHICH PERMITS THE FRANCHISOR TO DIRECTLY OR INDIRECTLY CONVEY, ASSIGN, OR OTHERWISE TRANSFER ITS OBLIGATIONS TO FULFILL CONTRACTUAL OBLIGATIONS TO THE FRANCHISEE UNLESS PROVISION HAS BEEN MADE FOR PROVIDING THE REQUIRED CONTRACTUAL SERVICES.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE ATTORNEY GENERAL.

As to any state law described in this Addendum that declares void or unenforceable any provision contained in the Franchise Agreement, the Franchisor reserves the right to challenge the enforceability of the state law by, among other things, bringing an appropriate legal action or by raising the claim in a legal action or arbitration that you have initiated.

THE FRANCHISOR AND ANY PARENTS, ITS PREDECESSORS AND AFFILIATES

Name and Trade Name of Franchisor, Predecessors, and Affiliates and Business Form

To simplify the language in this disclosure document, “BFBD”, “we” or “our” means Bimbo Foods Bakeries Distribution, LLC, the franchisor. BFBD was a Delaware corporation incorporated in 1996 (as Bimbo Bakeries Distribution, Inc.). In 2013, it was converted to a Delaware limited liability company. BFBD’s parent company, Bimbo Bakeries USA, Inc. (“BBUSA”), and BFBD’s affiliates may provide Products to be sold and distributed by our franchisees. Bimbo Bakeries Inc., formerly BBU, Inc., (“BBU”), a U.S. subsidiary of Mexico-based Grupo Bimbo S.A.B. de C.V. (“Grupo Bimbo”) (further described below), is the U.S. parent company of BBUSA, which is the parent company of BFBD and the BFBD affiliates, and was the parent of BFBD’s former affiliate, Bimbo Bakeries Distribution Company, Ltd. (“BBDC”). BBDC offered franchises similar to BFBD until it was acquired by BFBD on December 31, 2014 by merger (as described below).

You must own the franchise through a corporate entity. In this document, “you” refers collectively to the corporate entity that buys the distribution (franchise) rights described in this document and to the persons who directly or indirectly own or control the corporate entity. As further described below in Item 10, you may be eligible to finance a portion of your initial franchise fee through Advantafirst Capital Financial Services, Inc., a Delaware corporation (“Advantafirst”). Advantafirst is also an affiliate of BFBD.

About Us, Our Predecessor and Our Affiliates

As of 2001, the franchisor was owned by George Weston Bakeries Inc., a subsidiary of Canada-based Weston Foods, Inc., and operated under the name George Weston Bakeries Distribution, Inc. In January 2009, Grupo Bimbo, through its U.S. subsidiary, BBU, acquired all of the issued and outstanding shares of capital stock of Weston Foods Inc. The franchisor and its parent continued to exist as the same companies after the January 2009 transaction but simply changed their names. The name of George Weston Bakeries Inc. was changed to Bimbo Foods Bakeries Inc. (which has since been merged into BBUSA). Simultaneously, the franchisor’s name was changed from George Weston Bakeries Distribution, Inc. (“GWBD”) to Bimbo Foods Bakeries Distribution, Inc., which was converted to Bimbo Foods Bakeries Distribution, LLC in 2013.

In November 2011, BBU and Grupo Bimbo completed a transaction with Sara Lee Corporation (“Sara Lee”), pursuant to which BBU acquired Sara Lee’s North American Fresh Bakery business. Sara Lee sold fresh bakery products under the primary brand, SARA LEE. This transaction included all of the distribution agreements (also called franchise agreements) to which Sara Lee Distribution, LLC and before it, Sara Lee Fresh, Inc. were parties, as well as Sara Lee’s approximately 13,000 North American Fresh Bakery employees. The sale also included 41 bakeries in the U.S. Subsequent to the sale to BBU, Sara Lee Distribution, LLC changed its name to Earthgrains Distribution, LLC (“EGD”). Pursuant to the sale, EGD acquired by assignment, the rights and obligations under all of the distribution agreements into which Sara Lee and Sara Lee Fresh, Inc. had entered.

Until December 31, 2014, BFBD and its affiliates BBDC, and EGD all operated as separate entities and offered similar franchises. On December 31, 2014, BBDC was merged into BFBD, with BFBD being the surviving entity after the merger. EGD continues to operate as separate entity and continues to offer similar franchises.

Grupo Bimbo is the ultimate parent company of BFBD and EGD and their affiliates. Established in 1945, Grupo Bimbo is headquartered in Mexico City, Mexico, and is one of the world's largest baking companies in terms of brand positioning, sales, and production volume, with presence in the United States, Latin America, Europe and Asia. Grupo Bimbo guarantees BFBD's obligations to our distributors (franchisees) under our distribution (franchise) agreements (see Item 21 and Exhibit M).

Addresses, Agents for Service of Process

The principal address for BFBD and its affiliated companies is: 255 Business Center Drive, Horsham, Pennsylvania 19044. The principal address for Grupo Bimbo is Prolongacion Paseo de la Reforma No. 1000, Col. Desarrollo Santa Fe. Del. Alvaro Obregon, C.P. 01210 Mexico D.F.

BFBD's agents for service are disclosed in Exhibit A.

Franchisor's Business and Franchises to Be Offered

BFBD was formed in 1996 to engage in the wholesale sale and distribution of fresh bakery products to distributors to sell to retail food outlets, restaurants, and institutions. Since that time, BFBD and its affiliates have established a network of independent distributors. BFBD offers to third parties the right to sell and distribute some of the affiliates' Products (as defined below) in specific geographic territories, pursuant to Distribution Agreements (as described below). BFBD is not involved in any other business activities other than franchising.

BFBD has acquired from its affiliates the exclusive rights to sell franchise distribution rights for Products to selected Outlets in certain Sales Areas by establishing a network of independent franchised distributors to distribute certain of these Products in certain markets.

We grant distribution rights that will allow you to sell and distribute certain designated bakery products ("Products") under some of our trademarks ("Marks") through direct delivery ("Direct Store Delivery") to stores and other outlets (collectively, "Outlets") in the geographic area ("Sales Area") designated in your distribution agreement (this agreement is sometimes also called a franchise agreement, but for the sake of consistency is referred to in this document as "Distribution Agreement," and franchisees are also referred to in this document as "Distributors"). The rights granted to you under the Distribution Agreement are referred to as "Distribution Rights." The terms "Products," "Marks," "Direct Store Delivery," "Outlets," "Sales Area," and "Distribution Rights" are more specifically defined in the Distribution Agreement.

We determine the boundaries of the Sales Areas that we offer as Distribution Rights and the purchase price for each Sales Area that we sell (as opposed to those sold by existing Distributors) according to a formula based on the sales history of Outlets in the Sales Area or in a nearby or similar area. We may offer discounts to existing employees and existing Distributors that purchase Distribution Rights.

If you acquire Distribution Rights pursuant to a Distribution Agreement with us, as a Distributor, you will be granted the exclusive right to sell and distribute certain Products under certain brand names or private labels within your designated geographic Sales Area. BFBD will have the right to determine which Products will be sold to you for distribution in your Sales Area, and it and/or its affiliates will sell the Products to you for resale to retail food stores (except thrift stores) and/or restaurants, institutions and food

service customers whose business includes the sale of food to the general public and who purchase Products by Direct Store Delivery (“Outlets”).⁽¹⁾

Under your Distribution Agreement, you must provide sales services to the Outlets in your Sales Area consistent with good industry practices and your customers’ (or Outlets’), requirements. These services include, among other things, ordering, rotating Products, providing merchandising and display services by keeping an adequate supply of Product on shelves and displays and making them look appealing to consumers, obtaining good positions for Product in Outlets, removing Product according to its “sell by” or “pull by” dates (“Off Code Products”) and damaged Products, and generally building up a supply relationship with the Outlets' owners and/or managers. We require all Distributors to be organized as a corporate or limited liability entity².

In some Sales Areas, Products may also include trade customers’ “private label” products that BFBD may permit you to sell and distribute at BFBD’s discretion. If BFBD grants you such distribution rights in your Sales Area, you may sell and distribute such products, and depending on your geographic Sales Area, you may or may not own such rights.

If you do not currently own a delivery vehicle that is adequate to service the Sales Area/Territory with the Products, you will be required to provide, purchase or lease a delivery truck from a third party. You may be offered the opportunity to lease a used delivery vehicle from BFBD on a temporary basis in connection with the offer of the Distribution Rights but you will not be obligated to lease this vehicle from BFBD. You must also purchase a hand-held computer system compatible with the system utilized by BFBD. In some geographic areas, you may be required to purchase dollies, trays and/or baskets for use in moving and/or delivering the Products. In most cases, you will not be required to purchase or lease any other equipment, office or storage space. Only a limited number of Distributors may be required to obtain additional storage space.

Competition

BFBD competes with national and local baking companies that produce similar types of products in various quantities. These competitors sell and distribute their products through employees and independent distributors (which may or may not be franchisees of those competitors) who will compete with you in your Sales Area. You will sell and distribute the Products to existing and new Outlets in your Sales Area in competition with those companies by offering direct contact with the customer and high quality products at competitive prices. In addition, you may sell and distribute the Products to existing and new Outlets in your Sales Area in competition with other distributors of BFBD and of BFBD’s affiliates, including EGD, and employees of other BFBD affiliates.

Your Distribution Rights apply only to fresh bakery goods, but consumers may regard refrigerated and frozen bakery goods as interchangeable when making purchasing decisions. For example, both prior to, and after the November 2011 transaction described above, Sara Lee, now known as Hillshire Brands

(1) This definition of “Outlets” is the same as the definition used in the BFBD Distribution Agreement (*i.e.*, the franchise agreement, also called the distribution agreement) that each franchisee enters into with BFBD, and refers to individual customers in the Sales Area. Please note that there are other references to “outlets” throughout this disclosure document, used in a different context, which refer to franchised units. Because BFBD’s franchised units consist of routes rather than traditional “outlets” with physical locations, BFBD does not use this term to describe its franchised units. The guidelines for preparing this disclosure document require us, however, to use “outlet” this way in certain cases. Please pay close attention to this distinction.

² The use of “you” and “your” in this FDD, therefore, refers to entity signing the distribution agreement; and, as applicable, the individual(s) majority owner/shareholder/member of such entity.

Company, has, and continues to sell refrigerated and frozen products under the same Sara Lee brand name that we sell some of our fresh bakery products under. Some of the refrigerated and frozen products are similar to the Products that you will sell under the trademarks identified in your Distribution Agreement. We reiterate that your Distribution Rights permit you to sell in your Sales Area only the specific fresh bakery products that we define as Products. You have no right to sell or distribute refrigerated or frozen products even if we also sell them under the same trademarks.

Prior Business Experience

BFBD has been in the business of selling distribution rights for bakery products since 1996. Today, BFBD has franchised routes to sell and distribute a selection of bakery products including without limitation Products under the ARNOLD, BOBOLI, ENTENMANN'S, FREIHOFER'S, THOMAS', BROWNBERRY, STROEHMANN'S and/or SARA LEE brands throughout the United States. Further information regarding the relevant product brands, and Distributors by geographic area, can be found in Item 13 and Item 20 of this disclosure document, respectively.

Regulations

As a Distributor, you will have to comply with various state statutory provisions and regulations governing sanitary transport and storage of baked goods as well as other federal and state regulations that apply to businesses generally. By way of example:

The U.S. Department of Transportation regulates the interstate transportation of products. You may be required to obtain specific licenses and/or permits depending on your Sales Area/Territory.

The U.S. Food and Drug Administration, the U.S. Department of Agriculture and various state and local health departments administer and enforce laws and regulations that govern food preparation, handling, storage, service and distribution.

Also, many of the laws, rules and regulations that apply to businesses generally, such as the Americans with Disabilities Act, Federal Wage and Hour Laws and the Occupation, Health and Safety Act, also apply to Distributors. The federal Clean Air Act and various implementing state laws require certain state and local areas to meet national air quality standards that limit emissions of ozone, carbon monoxide and particulate matters, including emissions from commercial vehicles.

You may be subject to license requirements and/or taxes based on your status as a food wholesaler and/or more generally as a business entity. You should check the licensing requirements and tax laws in your state, county and municipality.

Item 3
LITIGATION

A. Pending Matters of BFBD

1. Bobbi Jo O'Brien v. Bimbo Foods Bakeries Distribution, Inc. On December 2, 2013, Bobbi Jo O'Brien filed suit in the Court of Common Pleas, Montgomery County, Pennsylvania, Case No.: 13-34470, along with a Petition for a Temporary Restraining and Preliminary Injunction. Her Complaint alleges breach of contract, and unjust enrichment, arising out of BFBD's termination of O'Brien's Distribution Agreement for fraudulently failing to provide her customer with credit for returned product. In January 2014, the court denied O'Brien's TRO application and on April 8, 2014, the court denied O'Brien's request for a Preliminary Injunction. On November 4, 2014, BFBD filed a counterclaim seeking the balance owed by O'Brien for a balance due and owing by O'Brien to BFBD. A Statement of Intention to Proceed was filed by Plaintiff on September 4, 2018. No further action has been taken.

2. Puello, et. al. v. Bimbo Foods Bakeries Distribution, LLC, United States District Court for the Southern District of New York, Case No. 17-cv-4481. On June 14, 2017, Plaintiffs Carlos Puello, Johnny Puello, and Kim Peek ("Plaintiffs") filed a Complaint against Defendant Bimbo Foods Bakeries Distribution, LLC ("Defendant"). Plaintiffs assert claims on behalf of themselves and a proposed class alleging that Defendant misclassified independent operators in New York and New Jersey as independent contractors. Plaintiffs' proposed class includes current and former independent operators in New York and

New Jersey. Plaintiffs assert claims for: (i) improper deductions in violation of New York Labor Law Section 193, (ii) common law misclassification, (iii) unjust enrichment, (iv) violation of New York Labor Law Section 195(3), (v) unlawful deductions in violation of New Jersey Wage and Hour Law, and (vi) violation of N.J.S.A. 12:55-2.4(h)(5). On October 24, 2017, the court entered an Order staying the Puello case until after the Supreme Court issued its decision regarding the enforceability of arbitration agreements with class and collective action waivers. On May 21, 2018, the Supreme Court held that arbitration agreements with class and collective action waivers are enforceable under the Federal Arbitration Act, and nothing in the National Labor Relations Act overrides that result. On May 31, 2018, Plaintiffs Carlos Puello and Kim Peek voluntarily dismissed their claims. On or about October 31, 2018, Carlos Puello filed for arbitration with the American Arbitration Association (“AAA”) against BFBD/BBUSA alleging the same claims alleged in his 2017 Complaint. Discovery is ongoing in this matter. On November 11, 2019, Defendant and Carlos Puello settled their Arbitration case, with Bimbo purchasing Puello's distribution rights for \$164,887.

3. Nicholas Franze & George Schrufer, Jr., et. al. v. Bimbo Foods Bakeries Distribution, LLC and Bimbo Bakeries USA, Inc., U.S. District Court for the Southern District of New York, Case No. 7:17-cv-03556. On May 12, 2017, one current and one former Independent Operator filed a limited class action claim against Bimbo Foods Bakeries Distribution, LLC as a collective action on behalf of themselves and others in New York similarly situated. The Complaint alleges violations of the Fair Labor Standards Act and New York Labor Laws for failing to pay overtime wages and for improperly classifying Independent Operators as independent contractors. Plaintiffs filed a motion for conditional certification. BFBD/BBUSA filed an opposition to the motion for conditional certification as well as a motion for summary judgment. Rulings on these motions have not yet been issued. On July 2, 2019, the Court granted Defendants' Motion for Summary Judgment. Plaintiffs have since appealed the ruling to the 2nd Circuit Court of Appeals. The Appeal has been fully briefed by both parties and an amicus brief has been filed by the ABA, the U.S. Chamber of Commerce, and the Nat'l Association of Manufacturers.

4. David Camp and Keith Hadmack v. Bimbo Bakeries USA, Inc. and Bimbo Foods Bakeries Distribution, LLC. On May 8, 2018, David Camp and Keith Hadmack (“Plaintiffs”), independent operators, filed a purported class and collective action Complaint against Bimbo Bakeries USA, Inc. and Bimbo Foods Bakeries Distribution, LLC (collectively, “Bimbo”) in the U.S. District Court for the District of New Hampshire. They allege that Bimbo misclassified independent operators as independent contractors instead of employees, thus depriving all independent operators in New England of overtime compensation in violation of the FLSA, 29 U.S.C. §§ 201 et seq., and all delivery drivers in New Hampshire of overtime compensation in violation of New Hampshire law. They also asserted claims for unjust enrichment, as well as improper wage deductions and failure to reimburse employment expenses under New Hampshire law. BFBD/BBUSA filed a motion to dismiss, which was denied in December 2018. Several pre-trial motions have been filed by the parties that are awaiting rulings. In addition, the following current/former independent operators have instituted arbitrations against Defendants through the American Arbitration Association in the greater Boston area. These individuals Claimants are represented by the same legal counsel as the Plaintiffs in the Camp action and each state nearly identical claims (individually) as those referenced above. The parties are in the process of selecting arbitrators for these actions, but no arbitration hearing has yet commenced.

5. Burke, et. al. v. Bimbo Bakeries USA, Inc. and Bimbo Foods Bakeries Distribution, LLC, U.S. District Court for the Northern District of New York, Case No. 5:19-CV-0902 (MAD/ATB). On July 25, 2019, a total of seven independent operators filed an action against Bimbo Bakeries USA, Inc. and Bimbo Foods Bakeries Distribution, LLC on behalf of themselves and others similarly situated in New York. The Complaint alleged violations of the Fair Labor Standards Act, New York Labor Law, and The Fair Play Act. Defendants filed a Motion to Dismiss (1) the Fair Play Act claim (because IBPs are not transportation providers), (2) the FLSA and New York state overtime claims due to failure to plead with specificity, and (3) asked the Court, in the alternative, to dismiss the case under the first to file rule because the case overlaps with the Puello action in the SDNY. By Order dated November 15, 2019, the Court dismissed Plaintiffs' state law claims, as they are substantially similar to the state law claims in the Puello action pending in the Southern District of New York. Plaintiff FLSA claim survives.

6. Burke, et. al. v. Bimbo Bakeries USA, Inc. and Bimbo Foods Bakeries Distribution, LLC, U.S. District Court for the Southern District of New York, Case No. 7:19-cv-11101. On December 19, 2019, a total of seven independent operators filed an action against Bimbo Bakeries USA, Inc. and Bimbo Foods Bakeries Distribution, LLC on behalf of themselves and others similarly situated in New York. The Complaint alleged violations of unlawful withholding and deductions from wages; notice and record-keeping requirement violation, and failure to pay overtime wages under New York Labor Law.

7. Cox v. Bimbo Bakeries USA, Inc. and Bimbo Foods Bakeries Distribution, LLC, U.S. District Court for the Southern District of Alabama, Case No. 5:19-cv-00577-HNJ. On April 15, 2019, Kenneth Cox filed an action against Bimbo Bakeries USA, Inc. and Bimbo Foods Bakeries Distribution, LLC on behalf of himself and others similarly situated nationwide (excluding California, Arizona, New York, Vermont, New Hampshire, Connecticut, Rhode Island, Massachusetts, and Maine). The Complaint alleged failure to pay overtime wages under The Fair Labor Standards Act. In April 2020, the parties filed a Notice of Settlement and an unopposed Motion to Stay Pending Settlement.

8. Romero, et. al. v. Bimbo Foods Bakeries Distribution, LLC, et al., American Arbitration Association in Phoenix Arizona, Case No. 01-20-0000-7314. On March 2, 2020, Carlos Romero, Jazmin Romero, and JC, Sons Delivery, LLC, and Carlos Romero Delivery, LLC (“Plaintiffs”), filed a Demand for Arbitration against BFBD. Plaintiffs alleged breach of contract, breach of covenant of good faith, and fraudulent misrepresentation.

B. Concluded Matters of BFBD

1. Emanuel Ramirez v. Bimbo Foods Bakeries Distribution, Inc., On August 8, 2013, Emanuel Ramirez, an independent operator, filed a Complaint in the Circuit Court of Cook County, Illinois, County Department – Chancery Division, alleging breach of contract after BFBD terminated his distribution agreement after his employee was caught on film stealing DVDs from a customer. On August 7, 2013, Plaintiff filed a Complaint for Breach of Contract and a request for a TRO to hold up the termination of the Distribution Agreement pending the outcome of the case. The court denied the TRO request on August 12, 2013, citing Plaintiff's unlikelihood of success on the merits. On October 10, 2013, BFBD filed a Motion to Dismiss Plaintiff's Complaint and the case was voluntarily dismissed on April 21, 2014.

2. Joseph Piacentini v. George Weston Bakeries Distribution Inc. – Plaintiff Joseph Piacentini commenced an action in the Connecticut Superior Court in Fairfield County (filed December 17, 2007) contending that GWBD's discontinuance of certain products in the geographic region that included plaintiff's sales area was a breach of the parties' distribution agreement. Plaintiff sought damages in excess of \$15,000 and an injunction seeking (among other things) that GWBD be required to sell the discontinued products to plaintiff. After engaging in limited discovery, the parties entered into a settlement agreement in September 2012 whereby Piacentini admitted that GWBD had the right to introduce, discontinue or otherwise manage the distribution of its products, and GWBD paid \$7,000 towards the legal fees that Piacentini incurred in bringing the action.

3. Scott, et al. v. Bimbo Bakeries USA, Inc. and Bimbo Foods Bakeries, Inc. – Plaintiff Quinn Scott is a former independent operator. On June 30, 2010, Scott and four other named plaintiffs filed a Class and Collective Action Complaint against Defendants in the U.S. District Court for the Eastern District of Pennsylvania. Plaintiffs filed an amended Class and Collective Action Complaint on September 20, 2010. Plaintiffs alleged that Defendants have misclassified all of their independent operators nationwide as independent contractors instead of employees, thus depriving them of overtime compensation and other rights and benefits in violation of the federal Fair Labor Standards Act (“FLSA”), 29 U.S.C. §§ 201 et seq. Plaintiffs also asserted claims under Pennsylvania law and for negligent misrepresentation. On October 1, 2010, Defendants filed their Motion to Dismiss, which was granted, in part, by Order dated February 29, 2012, in which Plaintiff's claims under the Pennsylvania Wage Payment and Collection Law and for negligent misrepresentation were dismissed. On October 9, 2010, Plaintiffs filed their Motion for Conditional Certification and request to send notice to all independent operators nationwide. Defendants filed an opposition to Plaintiff's Motion for Class Certification on February 28, 2011. Defendants also filed a motion to dismiss certain opt-in plaintiffs for their failure to participate in discovery, which was granted, as to eight of the opt-ins by Order dated September 21, 2011. By Order dated February 29, 2012, the Court granted Plaintiffs' motion for conditional certification. On August 15, 2012, Notice was sent out to the putative class. Including the 5 named Plaintiffs, 700 IOs opted-in to the lawsuit. More than 50% were former IOs. The case was settled and approved by court. The settlement included payment of \$904,100 with \$60,000 paid to the five named Plaintiffs; \$375,000 to Plaintiff's lawyer; \$450 paid to each former IO; and \$900 paid to each current IO in exchange for acknowledgement of their independent contractor status and amendment of the distribution agreement to include a mandatory arbitration/class action waiver clause.

4. Bell v. Bimbo Foods Bakeries Distribution, Inc. – No. 1:11-cv-03343 (N.D. Ill.). On May 18, 2011, Bell (an independent operator) filed a Class and Collective Action Complaint against Bimbo Foods Bakeries Distribution, Inc. (“BFBD”) in the U.S. District Court for the Northern District of Illinois. He alleged that BFBD misclassified all of its independent operators nationwide as independent contractors instead of employees, thus depriving them of overtime compensation and other rights and benefits in violation of the FLSA, 29 U.S.C. §§ 201 et seq., and Illinois law. Bell also asserted claims for improper wage deductions, rescission and unjust enrichment. On July 11, 2011, BFBD filed a motion to dismiss or, alternatively, transfer or stay the action on the grounds that it is duplicative of another nationwide FLSA

collective action pending against BFBD affiliates in the U.S. District Court for the Eastern District of Pennsylvania (see Scott matter, #13 above). Plaintiff subsequently filed an Amended Complaint dropping the FLSA claims and adding breach of contract and Illinois Franchise Disclosure Act (“FDA”) claims. The Company filed a motion to dismiss the FDA, rescission, and unjust enrichment claims. On May 23, 2012, the parties stipulated to the dismissal with prejudice of the Illinois Minimum Wage Laws Act, rescission, and unjust enrichment claims. On May 30, 2012, BFBD moved for summary judgment on the remaining claims. By Court order dated July 2, 2012, the FDA claim was dismissed. On September 10, 2012, Plaintiff filed a motion for class certification of his claims for breach of contract and under the Illinois Wage Payment and Collections Act (“IWPCA”). Specifically, Plaintiff sought to certify a breach of contract class, a “Jewel Sales Requirement” subclass, an “Amended Return Policy” subclass, and a class under the IWPCA. The Court granted BFBD’s motion for summary judgment and denied Bell’s motion for class certification on December 3, 2013. The case was ultimately resolved by joint motion to withdraw; Bell agreed not to appeal the court’s December 3, 2013 dismissal and entry of Judgment or any other order issues in the case in exchange for BFBD withdrawing its Bill of Costs.

5. George A. Strassle & Timothy S. Carroll et al. v. Bimbo Foods Bakeries Distribution Inc. – No. 1:12-cv-03313-RBK-AMD (D.N.J.). On or around April 26, 2012, George Strassle and Timothy Carroll (“Plaintiffs”), independent operators, filed a purported class action Complaint against Bimbo Foods Bakeries Distribution, Inc. (“BFBD”) in the Superior Court of New Jersey, Law Division, Burlington County. BFBD was served with a copy of the Complaint on May 4, 2012. Thereafter, on June 1, 2012, BFBD timely removed the action to the United States District Court for the District of New Jersey. In the Complaint, Plaintiffs alleged claims for Injunctive Relief (Count One), Breach of Form Contract (Count Two), and violation of the New Jersey Franchise Practices Act (Count Three). Pursuant to these causes of action, Plaintiffs sought injunctive relief and damages. On June 8, 2012, BFBD filed a Motion to Dismiss Plaintiffs’ claims for Injunctive Relief (Count One) and for violation of the New Jersey Franchise Practices Act (Count Three) and Plaintiffs’ demand for certain claimed damages. In March 2013, the court granted the motion to dismiss in part and denied it in part. The court dismissed Plaintiff’s claim for lost profits and treble damages. The case was settled in September 2013 with BFBD agreeing to pay \$80,000 in attorneys’ fees and \$2,500 to each plaintiff.

6. Kirk Robbins v. Bimbo Foods Bakeries Distribution Inc. – On or around September 20, 2012, Kirk Robbins (“Plaintiff”), independent operator, filed a complaint against BFBD in the United States District Court for the Eastern District of Pennsylvania. In the Complaint, Plaintiff alleged claims for breach of contract (Count One) and violation of the Maryland Franchise Registration and Disclosure Law (“MFRDL”) (Count Two). Pursuant to these causes of action, Plaintiff sought injunctive relief and damages. On January 2, 2013, BFBD filed its motion to dismiss Plaintiff’s claims for breach of contract and violation of the MFRDL. Plaintiff filed amended complaint February 14, 2013. A renewed motion to dismiss was granted, with the court ordering Plaintiff to file a second amended complaint on May 30, 2013. A third motion to dismiss was granted and the time to appeal has expired.

7. Queen City Bread, Inc. v. Bimbo Foods Bakeries Distribution, Inc.; Queen City Brad, Inc., a North Carolina IO, alleged breach of contract, tortious interference with contract, conversion, and unfair trade practices all arising out of BFBD’s termination of its distribution agreement for alleged theft of product from the Charlotte sales center. On May 13, 2013, the court granted a limited preliminary injunction in which the court (1) suspended the termination of the IO’s agreement and sale of the route, (2) ordered that the IO must find another individual other than the owner to run the route while the injunction is in effect, (3) ordered the parties to conduct mediation after the close of a 90 day discovery period, (4) ordered the IO to submit a \$3000 bond with the court, and (5) ordered that if the case is not resolved at mediation, the parties have 30 days to schedule a hearing to extend or extinguish the injunction (if no hearing is scheduled and the matter remains unresolved, the termination stands and the 90-day sale period

starts to run). On October 11, 2013, the parties reached a settlement agreement whereby BFBD paid Plaintiff \$9,500 and agreed to rescind the termination of the distribution agreement.

8. Richards v. Bimbo Foods Bakeries Distribution, Inc. In this lawsuit filed in the Circuit Court of the Twentieth Judicial Circuit, in and for Collier County, Florida (Case No. 2:13-cv-669-FtM-29UAM), IO alleged Breach of Contract, Wrongful Termination, Fraud in the Inducement, Negligent Misrepresentation. Plaintiff's Distribution Agreement was terminated in January 2013 due to chronic breaches. Plaintiff claimed that he was improperly "trained" by the local sales team, which resulted in the failure of Plaintiff's route and eventual termination. Plaintiff also claimed that BFBD misrepresented the composition of his sales area by purposely failing to disclose that a certain customer was not included on the route until the day of closing. The case was filed in Florida State Court. BFBD removed the action to Federal Court in September. On October 4, 2013, Richards voluntarily dismissed his Federal Court Complaint without prejudice.

9. Tim Alquist, Wayne Anderson, William Bennett, Richard James, Edward Giacomazzo and Matteo Naclerio v. Bimbo Foods Bakeries Distribution, Inc. No. 3:12-cv-01272 (D. Conn.). In a lawsuit filed in the U.S. District Court, New Haven, Connecticut, Case No.: 3:12-cv-1272 against Bimbo Foods Bakeries Distribution, Inc. ("BFBD") Plaintiffs, independent operators ("IOs"), sought reclassification and damages. A settlement was reached in September 2012, which the court granted preliminary approval of on January 18, 2013, and then final approval on June 24, 2013. In the settlement, Plaintiffs, the class members, and Plaintiffs' attorney received a \$3.5 million payment from BFBD. Bimbo specifically agreed to pay the East Coast Bakery Distributors Association \$75,000, the named Plaintiffs \$7,000 each, and attorneys' fees in the amount of \$875,000 to class counsel. Other IOs would receive a share of the settlement proceeds; the minimum share for former IOs averaged about \$1,120, and the minimum share for current IOs averaged about \$8,330. To the extent IOs did not participate in the settlement by submitting a claim form, the amount of their shares was distributed pro rata to the IOs who elected to participate. BFBD also agreed to implement a dispute resolution procedure, detailed in the Settlement Agreement.

10. Robert T. Bassler v. George Weston Bakeries Distribution Inc. – Following termination of his distribution agreement for cause based on chronic breach, Plaintiff commenced an action in the Circuit Court of Duval County, Florida (Civil Action No.: 2008-CA-006022 XXXX-MA, filed on May 7, 2008). On June 12, 2008, the Company removed the case to the Middle District of Florida (Case No.: 3:08-CV-595-J-32JRK). In the multi-count complaint, plaintiff alleged that the termination was a breach of contract and a breach of fiduciary duty and also alleged a cause of action for defamation against the Company and two Company representatives. The parties engaged in discovery and participated in mediation in June 2009. On February 23, 2010, the parties signed a settlement agreement pursuant to which Plaintiff released all claims against the Company, in exchange for \$349,000. Plaintiff also agreed to never seek employment with the Company or any of its affiliates, acquire any ownership interest or distribution rights or a distributorship for any of the Company's products, or intentionally enter on any premises owned or operated by the Company or its affiliates without prior authorization from the Company's vice-president of sales. The parties filed a Joint Stipulation of Dismissal on March 17, 2010.

11. Frank X. O'Brien v. Bimbo Food Bakeries Distribution Inc., f/k/a George Weston Bakeries Distribution Inc. and Joseph Wunderlich – Plaintiff, a former independent distributor whose distribution agreement was terminated in June 2009 as a result of chronic breaches, commenced an action on June 15, 2010 in New York Supreme Court, Orange County (Index No. 10/006537), alleging breach of contract (based on the termination of the distribution agreement), tortious interference with economic relations (based in large part of impact the termination of the distribution agreement had on plaintiff's customer relationships), and defamation (arising out of alleged statements made to plaintiff's former customers

subsequent to the termination). Plaintiff claimed to have suffered several millions of dollars in damages, allegedly comprised of lost profits, the value of his distribution rights and punitive damages. After completion of discovery and BFBD's filing of a motion for summary judgment, the parties reached a settlement agreement whereby BFBD agreed to pay plaintiff \$30,000. Other material terms of the settlement agreement included: plaintiff's agreement to never own or operate any BFBD distribution rights, nor seek employment with the company; and a mutual non-disparagement clause. A dismissal has been filed with the court.

12. Timothy Baumgardner v. Bimbo Food Bakeries Distribution, Inc. – Plaintiff Timothy Baumgardner filed suit in the Court of Common Pleas, Stark County, Ohio on June 17, 2009. BFBD removed the action to the United States District Court for the Northern District of Ohio (Case No. 5:09-cv-1613) on July 14, 2009. Plaintiff's Complaint alleged breach of contract, intentional interference with contract, and unjust enrichment. Specifically, Plaintiff alleged that BFBD unlawfully terminated his Distribution Agreement, refused to permit the sale of Plaintiff's distribution rights to Lori Turner, and failed to make proper payments of Plaintiff's profits. Plaintiff sought compensatory and punitive damages. BFBD denied Plaintiff's allegations. After BFBD deposed Plaintiff and completed other discovery, the parties agreed to settle the case and executed a settlement agreement on August 20, 2010. In exchange for \$35,000, Plaintiff agreed to never operate or own any interest in a BFBD distribution route, to never apply for employment with BFBD, and to abide by a non-disparagement clause regarding BFBD. Plaintiff also agreed to dismiss the lawsuit with prejudice and that both parties would pay their own costs, attorneys' fees, and all other litigation-related expenses. The parties filed a Stipulation of Dismissal on August 26, 2010 and the case was dismissed on August 27, 2010.

13. Spencer Van Laanen v. Bimbo Food Bakeries Distribution, Inc. – Plaintiff Spencer Van Laanen filed suit in the Circuit Court of La Crosse County, Wisconsin, on November 2, 2009. BFBD removed the action to United States District Court for the Western District of Wisconsin (Case No. 3:09-cv-709) on November 20, 2009. Plaintiff's Complaint alleged breach of contract; specifically, Plaintiff alleged that BFBD unlawfully terminated his Distribution Agreement without good cause without giving him the required 60 days to cure violations or a 90-day notice of termination. Plaintiff sought temporary and permanent injunctive relief against BFBD's alleged unlawful termination and unspecified actual damages and litigation costs. BFBD denied Plaintiff's allegations. After Plaintiff filed a motion to remand the case to Circuit Court, the parties entered into settlement negotiations. The parties signed a Settlement Agreement and Release, effective on January 4, 2010, in which Plaintiff transferred his right, title, and interest in and to the distribution rights for his territory and computer equipment to BFBD, and released BFBD of all claims, in exchange for \$107,500. The parties filed a Stipulation of Dismissal on January 5, 2010 and the court closed the matter on the same day.

14. Brian Carr v. Wal-Mart Stores, Inc. and Bimbo Bakeries USA, Inc. – Plaintiff Brian Carr filed suit in the State Supreme Court of New York, County of Chemung, on January 5, 2010. Bimbo filed its Answer on March 17, 2010, denying all of Plaintiff's allegations. Co-defendant Wal-Mart, with consent from Bimbo, removed the action to the United States District Court for the Western District of New York (Case No. 10-cv-06176) on March 29, 2010. Plaintiff's Complaint alleged tortious interference with a contractual relationship (with respect to Wal-Mart) and breach of contract (with respect to Bimbo). Specifically, Plaintiff alleged that Wal-Mart made false, negligent, and defamatory statements against Plaintiff and published said statements to Bimbo, that these statements were intended to disrupt Plaintiff's relationship with Bimbo, and that these statements did in fact disrupt Plaintiff's relationship with Bimbo. Plaintiff also specifically alleged that Bimbo breached the Distribution Agreement without cause by forbidding Plaintiff to deliver goods to Wal-Mart. Plaintiff sought actual damages in the amount of \$1,000,000. Bimbo filed a Motion for Judgment on the Pleadings on April 9, 2010, alleging that Bimbo was not a party to the Distribution Agreement because it is a separate corporate entity to BFBD (distribution

agreements in the name of Bestfoods Baking Distribution Company, the original contracting party, were transferred to George Weston Bakeries Distribution Co. and then to BFBD – not to Bimbo Bakeries USA, Inc.). Bimbo’s Motion also argued that Plaintiff’s claim against Bimbo failed to allege sufficient facts about the Distribution Agreement and Bimbo’s alleged breach, and that the Distribution Agreement contained a general waiver of liability for the type of damages Plaintiff sought in this action. Wal-Mart filed a Motion to Dismiss Plaintiff’s Complaint on April 1, 2010, and Plaintiff filed cross-motions to amend his Complaint. The court heard oral arguments from both sides on March 10, 2011. The court granted Defendants’ motions and denied Plaintiff’s cross-motions on March 16, 2011, finding that Plaintiff’s breach of contract claim against Bimbo was barred by the damages limitation clause in the Distribution Agreement. Plaintiff filed a Notice of Appeal on May 16, 2011, but then filed a motion to withdraw the appeal on May 18, 2011. The United States Court of Appeals for the Second Circuit granted Plaintiff’s motion to withdraw the appeal, with prejudice, on May 19, 2011.

15. William Burgee v. Bimbo Foods Bakeries Distribution, Inc. – In this lawsuit filed in the Circuit Court for Prince George’s County, Maryland (Case No. CAL11-12785; filed on May 24, 2011), the distributor alleged that the Company failed to timely provide him with a copy of a franchise disclosure document prior to his purchase of distribution rights from the Company in 2009. Consequently, the distributor alleged a violation of the Maryland Franchise Law as well as claims of fraud and rescission. The Company and the distributor engaged in settlement negotiations. In January, 2012, the distributor dismissed the lawsuit with prejudice and sold his distribution rights to the Company in exchange for a settlement payment of \$150,000 and payment of his distributor’s loans.

16. Petrie v. Bimbo Foods Bakeries Distribution Inc. – Following termination of his distribution agreement for cause, this former distributor filed a lawsuit that was removed to the U.S. District Court for the Northern District of Indiana (Case No. 1:10-CV-00394-RLM-RBC; removed November 12, 2010). The complaint contained claims of breach of contract and breach of the duty of fair dealing. The Company denied these allegations and filed a counterclaim seeking to recover expenses incurred by it in the operation of plaintiff’s distributorship after the termination of his distribution agreement. In June 2011 the distributor withdrew his complaint with prejudice in exchange for a settlement payment of \$48,000.

17. James P. Bosar v. Bimbo Foods Bakeries Distribution, Inc. - In December 2006, James Bosar, a former BFBD independent operator, entered into a Distribution Agreement with BFBD. On May 19, 2011, BFBD exercised its rights to terminate the Distribution Agreement on the grounds that Bosar repeatedly breached his contractual obligations. Notwithstanding the termination of the Distribution Agreement, Bosar continued to own the distribution rights. Pursuant to the Distribution Agreement, however, Bosar was required to sell the distribution rights or allow BFBD to sell the distribution rights for his account. On May 23, 2011, Bosar filed a Complaint and a Petition for a preliminary injunction, which sought to enjoin BFBD from selling Bosar’s distribution rights or compelling him to do so, in the Pennsylvania Court of Common Pleas, Blair County. On May 31, 2011, the Court conducted the first part of a preliminary injunction hearing. In June 2011, the Parties reached a settlement agreement. 18. Joseph T. Simon v. Bimbo Food Bakeries Distribution, Inc. f/k/a Bestfoods Baking Distribution Company and Bimbo Bakeries USA, Inc. – Plaintiff Joseph T. Simon filed a Complaint for Damages, Declaratory Judgment and Injunctive Relief and an Emergency Motion for Preliminary Injunction in the Court of Common Pleas, Allegheny County, Pennsylvania on September 13, 2012. Plaintiff’s Complaint alleged breach of contract and sought declaratory and injunctive relief and money damages. Specifically, Plaintiff alleged that BFBD breached the Distribution Agreement between Plaintiff and BFBD by exercising its right of first refusal to purchase Plaintiff’s distribution rights that he intended to sell to his son-in-law. Plaintiff claimed that BFBD was required to match all of the terms of his proposed

sale to his purchaser, including the financing over 15 years. BFBD's position was that it only had to match the purchase price under the terms of the Distribution Agreement. After an injunction hearing, the parties agreed to settle the case and executed a settlement agreement on or about October 26, 2012. In the settlement agreement, BFBD purchased the distribution rights and Plaintiff agreed to dismiss the lawsuit and to a general release of all claims. The lawsuit was discontinued without prejudice on October 29, 2012. Plaintiff file a praecipe to settle and discontinue in January 2013.

On March 13, 2008, Plaintiff filed a Complaint in New Jersey Superior Court in Burlington County against GWBD and three employees of GWBD-affiliated entities, Matthew McGuire, Patrick McCarthy and Dennis Atkinson. After Plaintiff amended the complaint and added a federal law claim, Defendants removed the case to the United States District Court for the District of New Jersey. In the amended complaint, Plaintiff alleged that GWBD terminated Plaintiff's Distribution Agreement because of his race (or, in the alternative, that he was a GWBD employee and was wrongfully terminated) and unlawfully retaliated against him for purportedly complaining about race discrimination, in violation of the New Jersey Law Against Discrimination ("NJLAD") and 42 U.S.C. Section 1981. He also alleged that Defendants McGuire, McCarthy and Atkinson aided and abetted GWBD's alleged discrimination in violation of the NJLAD. He further alleged a common law breach of contract claim against GWBD based on GWBD's termination of the Distribution Agreement. After the close of fact discovery, the Defendants filed their motion for summary judgment. The court granted the summary judgment motion on June 20, 2012, and the Plaintiff did not file an appeal.

Without BFBD admitting or denying any violation of laws, the Commissioner and BFBD reached an agreement to enter into a Consent Order, pursuant to which BFBD agreed to: (1) cease offering and selling franchises in violation of Maryland franchise laws; (2) promptly seek registration or exemption from registration in Maryland for BFBD’s franchise offering; (3) offer the affected franchisees with rescission, and return of all initial fees and transfer fees (if any), and the cancellation of any outstanding loans obtained to finance the franchise purchase; and (4) to pay the Office of the Attorney General a civil monetary penalty of \$50,000. O'Neal Distribution, Inc., Michael Jones Bread Distribution Inc., Not By Bread Alone Inc., Lott Distribution LLC, and William McConnell, LLC. The Plaintiffs' businesses entered into distribution agreements with BFBD and operated distributorships in Alabama. In April 2017, a settlement was reached and approved by the court: BFBD agreed to pay \$1,000 to each of three Plaintiffs (current IOs), \$500 to each of three Plaintiffs (former IOs), \$15,000 to Plaintiff's lawyer, and other miscellaneous consideration; current IO Plaintiffs acknowledged independent contractor status and agreed to amend their distribution agreement to include a mandatory arbitration/class action waiver clause.

Plaintiff also asserted claims for improper wage deductions, rescission and unjust enrichment. On July 11, 2011, BFBD filed a motion to dismiss or, alternatively, transfer or stay the action on the grounds that the action was duplicative of another nationwide FLSA collective action pending against BFBD affiliates in the U.S. District Court for the Eastern District of Pennsylvania (that action has

since settled). Plaintiff thereafter dismissed his FLSA claim. On October 23, 2013, Plaintiff filed an Amended Complaint, which asserted the following claims against BFBD: (1) Breach of Contract, (2) Breach of Fiduciary Duty, (3) Violation of the NC Unfair and Deceptive Trade Practices Act, and (4) Violation of the NC Wage and Hour Law. On March 22, 2016, BFBD filed a Motion for Summary Judgment seeking dismissal of Plaintiff's claim for lost profit damages and to strike Plaintiff's request for a jury trial, which the court granted on September 27, 2016. On May 9, 2014, BFBD removed the action to the U.S. District Court for New Jersey (Case No. 14-cv-029560). On August 23, 2017 the parties participated in a court ordered settlement conference, which resulted in the parties agreeing to a settlement. On February 21, 2017, the arbitrator ruled in BBUSA's favor on most points, however, he also ordered BBUSA to re-assign certain stops and to pay a co-defendant the amount of \$6,549 and to pay Piacentini the amount of \$750. Piacentini's motion for reconsideration was denied. On March 3, 2017, Piacentini filed a motion to vacate the arbitrator's award in the United States District Court for the District of Connecticut, Case Number: 3:17-CV-00386-VAB. To the extent less than 25% of Plaintiffs did not participate in the settlement by cashing their checks, the amount of their shares was distributed pro rata to the Plaintiffs who elected to participate. BBUSA also agreed to implement a dispute resolution procedure, detailed in the Settlement Agreement.

The parties proceeded to mediation that is ongoing. In July 2018, the parties reached a settlement whereby Plaintiff, the Opt-In Plaintiffs, and Plaintiffs' attorney received a maximum payment of \$175,000 from BFBD/BBUSA. On November 21, 2014, a Motion for Summary Judgment on measure of damages (limited to route value) was granted. In December 2017 following a bench trial, judgment was entered for GWBD finding that GWBD’s termination of Baran’s Distribution Agreement was proper and dismissing the 2009 preliminary injunction. Baran appealed the lower court ruling in March 2018. On January 7, 2019, the Superior Court of Pennsylvania affirmed the lower court judgment in favor of GWBD. C. Pending Matters of EGD

D. Concluded Matters of EGD

1. Geiss v. Sara Lee Fresh, Inc., U.S. District Court for the District of Arizona. On August 10, 2012, Thomas Geiss, a former distributor, filed a lawsuit against Sara Lee Fresh, Inc. alleging that Sara Lee misclassified him as an independent contractor instead of an employee, thus depriving him of overtime compensation and other rights and benefits in violation of the Fair Labor Standards Act, 29 U.S.C. § 207. Sara Lee filed its answer to the complaint on September 15, 2012. In April, 2014, the case was settled. The defendant paid plaintiff \$7,500 and his counsel \$2,500 in exchange for a release and dismissal of the lawsuit.

2. Sara Lee Bakery Group, Inc. v. Mississippi Security Employment Commission, Hinds County Circuit Court, Mississippi, Case No. 251-08-396 CIV, filed May 21, 2008. Sara Lee filed its Petition for Appeal of Decision to overturn a ruling by the MDES Board of Review that an employment relationship exists between Sara Lee and certain independent operators under the state unemployment insurance statute. Sara Lee has argued that the agency's conclusion was not supported by substantial evidence, was arbitrary and capricious, and violates the company's equal protection rights. MDES filed its answer on June 19, 2008. Sara Lee's brief was filed in December 2008. On September 4, 2012, the Hinds County Circuit Court issued an order affirming MDES’s decision. On September 14, 2012, Sara Lee, now Earthgrains Distribution, LLC, filed a notice of appeal with the Supreme Court of Mississippi. On February 13, 2014, the Mississippi Supreme Court ruled in favor of Earthgrains Bakery Group, Inc., reversing the Circuit Court’s decision and finding that under Mississippi’s Employment Security Law, Earthgrains IOs are not “employees” because: (1) they are not paid a “commission” but rather earn an “operating margin”; (2) Earthgrains does not directly “pay” IOs for their distribution of product, rather they are paid an advertising fee that is unrelated to the primary service of distributing product; (3) purchase of IO’s receivables by Earthgrains is purely voluntary for the IO, who can opt out at any time; and (4) Earthgrains does not require personal service by the IOs.

3. Junior’s Farm and Distribution, Inc. v. Sara Lee Fresh, Inc., District Court, La Plata County, Colorado, Case No. 09CV193, filed June 2009. In October 2006, Sara Lee entered into a Distribution Agreement with Junior’s Farm and Distribution, Inc., owned by Christopher Haynes. Junior’s Farm purchased the right to distribute Sara Lee brand and other branded baked goods in La Plata County, Colorado, from Southwest Colorado Baking Co., previously owned by John Bengfort. In May 2009, Southwest Colorado Baking Co. and Bengfort brought a three-count complaint against Haynes for failing to repay a promissory note related to the purchase of the distribution rights, breaching a related agreement, and for unjust enrichment. In turn, Junior’s Farm and Haynes filed a two-count, Third-Party Complaint against Sara Lee alleging that Sara Lee caused Haynes to default on the promissory note and breach the

related agreements with Southwest Colorado Baking Co. and Bengfort. Specifically, Junior's Farm and Haynes alleged that in late 2008, Sara Lee breached the Distribution Agreement and also breached the implied covenants of good faith and fair dealing. In September 2009, the court granted Southwest Colorado Baking Co.'s and Bengfort's motion to sever the Third-Party Complaint. Southwest Colorado Baking Co., Bengfort, and Haynes have since settled the severed case. In February, 2010, the court granted Sara Lee's motion to dismiss the Third-Party Complaint. Haynes filed a motion to set aside the dismissal of his case as to Sara Lee. The Court denied this motion and awarded Sara Lee costs and attorney's fees for responding to this motion. On January 20, 2012, Junior's Farm and Haynes appealed the dismissal. Plaintiff filed for bankruptcy in August 2012. On September 12, 2012, Colorado Court of Appeals affirmed and case dismissed.

4. Loafin Around Bread Company v. Sara Lee, Circuit Court, Madison County, Alabama, Case No. CV-07-900604, filed October 6, 2007. As part of a recall in summer 2007, Sara Lee distributors in the Southeast were directed to remove all recalled bread products from store shelves. Despite that directive, Sara Lee received a complaint from a customer that recalled product had been left on the shelf at a store serviced by Loafin Around Bread Company (LABC) which was owned by Blake Daniels. As a result, Sara Lee terminated its relationship with LABC. On October 6, 2007, LABC filed a lawsuit against Sara Lee and two managers alleging breach of contract and a variety of torts. As a result of the termination of Plaintiff's distribution agreement, former independent operator Blake Daniel seeks lost profits, the return of his bakery truck, attorney's fees and costs, as well as unspecified compensatory and punitive damages. In September 2010 the case was settled for \$75,000 plus mediation fees (approximately \$1,500).

5. Danny Meredith v. Sara Lee Fresh, Inc., Bimbo Bakeries USA, Inc., Earthgrains Baking Distribution LLC, Flowers Foods, Inc. and Does 1-20: Superior Court of California, County of San Francisco, Case Number: CGC-13-530803. On April 22, 2013 Plaintiff, Danny Meredith, Legacy Sara Lee IO in Northern California alleged breach of contract, labor violations and unpaid wages following termination due to the California divestiture. The case was removed to federal court. Defendants' motion to compel arbitration was granted in March 2014. After a hearing on plaintiff's product and territory claims, an arbitration award was entered for defendants on February 16, 2016. The matter was settled with Earthgrains Distribution, LLC paying \$360,072 to purchase the distribution rights and confirm termination of the Franchise Agreement. The case was dismissed on November 17, 2016.

6. Urena, et al. v. Earthgrains Distribution, LLC. Superior Court of California, County of Orange, Case No. 30-2016-00838177; Central District of California No. 8:16-cv-00634-CJC-DFM. Plaintiffs, who were independent operators (IOs) that owned Earthgrains sales/delivery routes, filed a Complaint in California state court alleging that they were improperly classified as independent contractors. After the case was removed to Federal Court, Plaintiffs filed a First Amended Class Action Complaint on May 18, 2016, then a Second Amended Class Action Complaint on November 15, 2016, and finally a Third Amended Class Action Complaint on March 30, 2017, alleging reimbursement of business expenses, unlawful deductions from wages, failure to provide off-duty meal periods, failure to pay employees for rest periods, failure to furnish accurate wage statements, failure to keep accurate payroll records, violations of the Unfair Competition Law, and Private Attorney General Act Penalties, pursuant to California state law. Defendant filed its Answer to the Third Amended Complaint on April 13, 2017. Plaintiffs filed their Motion for Class Certification on May 1, 2017. Defendant responded on May 31, 2017, arguing that Plaintiffs were inadequate class representatives, and that Plaintiffs had failed to meet their burden under Federal Rules of Civil Procedure 23(a)(2) and 23(b)(3). The Court denied Plaintiffs' Motion for Class Certification on July 19, 2017. The parties then settled the individual Plaintiffs' claims in exchange for \$87,250 paid to Plaintiffs' counsel, a new posting at Plaintiffs' sales center, and no monetary consideration to Plaintiffs. Plaintiffs agreed to a general release of claims and to dismiss the lawsuit, reaffirmed their independent contractor status, assented to an amendment to their Distribution

Agreements providing that disputes under the Distribution Agreement be resolved by binding mutual arbitration, and also a confidentiality provision. The parties executed the settlement agreement on January 12, 2018.

7. Phairoj Kaewsawang, et al. v. Sara Lee Fresh, Inc., Sara Lee Corporation, et. al., Los Angeles County, Superior Court of the State of California, Case No. BC 360-109, filed October 23, 2006. A former Sara Lee independent distributor, Phairoj Kaewsawang, filed a class action lawsuit and claimed to represent all others similarly situated. Kaewsawang filed a first amended complaint in January 2007, alleging that Sara Lee misrepresented that he was an independent contractor instead of an employee, and that Sara Lee violated state law, including failure to pay overtime and expenses. Kaewsawang alleged in the alternative that if he was properly classified as an independent contractor, then Sara Lee engaged in unlawful price fixing. In May 2008, a second amended complaint was filed in which independent distributor Eddie Alsheikh was added as a plaintiff class representative. On February 22, 2011, plaintiff's motion for class certification was denied and the plaintiffs appealed. In May 2012, the California Court of Appeal denied plaintiffs' appeal. Following the appeal, plaintiffs filed a third amended complaint, adding a third named plaintiff (current independent distributor named Sylvia Ingoglia), adding three new defendants (Earthgrains Distribution LLC, Grupo Bimbo S.A.B. de C.V., and Bimbo Bakeries USA, Inc.), and adding a new cause of action for breach of covenant of good faith and fair dealing on behalf of Ingoglia and all current and former independent contractors. Plaintiff Kaewsawang's and Alsheikh's individual claims were settled for \$37,500 and \$32,500, respectively in September 2013. Following defendants' demurrer, a Fifth Amended Complaint was filed alleging the same breach of contract claims and amending the antitrust claim on November 21, 2013. On March 26, 2019, the court preliminarily approved a settlement between the parties. Per the settlement, the class was defined as: All California IBPs of Bimbo Bakeries USA, Inc., Earthgrains Distribution, LLC (including any predecessor or entity that assigned distribution rights), and Sara Lee Fresh, Inc. from March 17, 2002 to March 26, 2019, except for any persons or entities that, prior to March 26, 2019, had executed a general release. Per the settlement agreement, the Defendants collectively agreed to make a maximum payment of \$14,500,000, from which plaintiffs' counsels' fees of up to \$5,075,000, and costs of up to \$150,000; settlement administration costs not in excess of \$21,000; and an enhancement payment to plaintiff Ingoglia of up to \$15,000, were deducted from the \$14,500,000 maximum payment prior to the calculation of individual settlement payments. Settlement class members, who did not opt-out of the settlement, received a settlement payment based on a formula that took into account the class member's original purchase price of their distribution rights and their length of time owning such distribution rights.

Item 4 **BANKRUPTCY**

No bankruptcy is required to be disclosed in this Franchise Disclosure Document.

Item 5
INITIAL FEES

You must pay an initial purchase fee (a.k.a. a “purchase price”) to acquire your Distribution Rights. When acquiring Distribution Rights directly from BFBD, this purchase fee/price is calculated using a given multiple times a 52-week historical average of weekly net sales of different categories of certain specified Products to Outlets located in your Sales Area. (As discussed in more detail in Item 10, this fee/price may be able to be financed.) The multiples may vary with the Product Category and Sales Area, depending on a variety of factors, including but not limited to the following: the type of area (*e.g.*, urban, suburban or rural); the size of the Sales Area; the physical features of the land (*e.g.*, bridges, mountains, etc.); the area of the country; the population density of the area; the density of the business population; the average type of retail store in the Sales Area; the average size of an average retail store; and other socioeconomic factors common to the area. There can be no assurance that the actual Sales you achieve in your Sales Area will match or exceed the historical 52-week average net sales used by BFBD in determining your initial purchase fee/price for your Distribution Rights as past performance is not a guaranty of future results. See Item 19 below. When purchasing Distribution Rights directly from an already existing Distributor, the initial purchase fee/price is established by, and payable to, the selling Distributor; although BFBD will facilitate the transfer of the Distribution Rights to you.

Existing non-franchised independent operators and/or employees of one or more BFBD affiliates may be eligible for a discount (an “Incentive Equity Adjustment”) off of the initial purchase fee/price if they become a franchised distributor. The amount of any discounts or credits depends on BFBD’s estimation of the value of an existing non-franchised independent operator’s route; such discounts are generally on a sliding scale that typically does not exceed \$15,000. Upon your request, BFBD can let you know whether a discount applies to your purchase of Distribution Right.

BFBD estimates that the total of all initial fees in connection with the purchase of your Distribution Rights will range from \$8,160 (before adjustments for any applicable discounts or credits) to \$316,400 based on the factors described above. This initial fee is to be paid in one lump sum payment at the time of the delivery of the Bill of Sale and execution of the other agreements (*i.e.*, any other agreements applicable to you that are included with this disclosure document, *e.g.*, Distribution Agreement, any applicable financing documents, and any security agreements), some or all of which may be financed as detailed in Item 10 and Exhibit B and Exhibit J to this disclosure document. This initial fee is non-refundable. Whether you buy the Distribution Rights directly from us or buy them from another Distributor in a transaction that constitutes a transfer, if you have entered into a Buy Back Agreement with us, at any time within the period specified in the Buy Back Agreement: (a) we may exercise an option to purchase all or a portion of your Distribution Rights by paying you the purchase price set forth in the Buy Back Agreement; or (b) you may exercise an option to sell your Distribution Rights to us at the purchase price set forth in the Buy Back Agreement. In each case, such purchase price shall be the fair market value of your Distribution Rights (and any related assets, *e.g.*, computer hardware and accessories, as agreed to by the parties), taking into consideration various factors, including the history and trajectory of your performance (including weekly sales and returns data), general economic conditions and economic conditions within the relevant industries (including those of BFBD and its affiliates, suppliers, and vendors), geographic factors (including competition and opening/closing of Outlets and Sales Areas). We may deduct from the purchase price any money that you owe to us, a reasonable reserve against open accounts, and our reasonable costs and expenses for the sale (including the cost to remove any damaged or Off Code Products in your Sales Area). As a condition to receiving the purchase price, you must execute and deliver a General Release to us. If you lease your delivery vehicle through BUSH Truck Leasing, Inc.; B & G Leasing, Inc.; or PNC Equipment Finance, LLC, at our option, we may also assume the lease if your vehicle is in the same condition as when you took possession, excepting ordinary wear and tear. (Examples of the forms of the Buy Back Agreement,

and General Release are included as Exhibit D and Exhibit G, respectively, to this disclosure document.)

In addition, prior to operating your business, you must pay a fee of approximately \$2,500-\$3,500 to BFBD or a non-affiliated vendor or seller of equipment to purchase a hand-held computer system. This fee along with the initial fee noted above in connection with your Distribution Rights, are the only fees that you are required to pay for goods and/or services provided by BFBD (assuming, in the case of the hand-held computer fee, that you opt to purchase the system from BFBD) prior to operating under your Distribution Rights. You must also purchase a sufficient opening inventory of Products (typically ranging from \$2,500 to \$15,000) from BFBD's designated affiliates for proper and adequate distribution to Outlets in your Sales Area, which is purchased on credit; the cost will likely vary depending upon the mix and quantities of product that your customers require.

In addition to the fees described in Items 5 and 6, you must make the following expenditures in order to begin operation under your Distribution Agreement:

TOTAL	\$15,425 to \$607,850 (8)			

(1) The amount of the initial fee will be determined by BFBD and will depend, among other factors, on the volume of sales projected for the Sales Area covered by your Distribution Agreement. This fee is not refundable (except pursuant to the Buy Back Agreement included as Exhibit D, if applicable).

(2) Working Capital covers any office equipment, gasoline and other incidentals needed to operate under your distribution rights. The amount of working capital is based on estimated requirements to cover the costs of operating your business under the Distribution Agreement for three months. Your actual working capital requirements may be more or less than this amount. These expenditures are not refundable.

(3) You must purchase sufficient Products from BFBD's designated affiliates for proper and adequate distribution to Outlets in your Sales Area; the cost will likely vary depending upon the mix and quantities of product that your customers require. BFBD will give full credit each week for Products that are damaged or stale through no fault of your own. See Distribution Agreement, Sections 4.4 and 4.5

(4) This amount represents an estimated range of purchase price depending upon whether you already own a suitable truck or whether you will need to purchase a new or used truck. BFBD may offer the option to lease a new truck through an independent third-party vendor (as disclosed in Item 6). BFBD has no interest

in or affiliation with any such third-party vendor and will recognize no benefit from this arrangement. This fee is not refundable.

(5) This fee is not refundable. The amount noted here does not include applicable sales tax, if any. Weekly Home Polling and Supply fees will also be charged by BFBD as disclosed in Item 6.

(6) You are required to purchase, at a minimum, the insurance set forth in BFBD's Security Agreement attached as Exhibit I to this disclosure document. The figure shown in the table reflects the estimated quarterly premium for such insurance. Your actual insurance costs may be more or less than this amount. This fee is not refundable.

(7) This category covers miscellaneous supplies that you will need to start operations and during the first three months of operations including an initial quantity of office supplies. We include in this category the cost of supplies for the handheld computer, including printer ribbons and invoice paper, at the rate of \$8.50/week (which is also disclosed in Item 6).

(8) This range does not reflect any applicable initial fee discounts or credits. This range does not include (a) the monthly loan repayments (which will vary depending on the loan amount) deducted weekly when you settle your account with BFBD for inventory purchases or (b) the loan documentation fee (\$500 for purchase of a full route). In addition, you will be responsible for a bank origination fee of .5% (.005) of the loan amount (for purchase of a full route). The bank origination fee is not included in the range stated in the chart. In the event that you purchase a partial route, you will be responsible for a \$250 documentation fee (in lieu of the \$500). There is no bank origination fee for the purchase of a partial route.

Item 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

You must purchase sufficient Products from our designated affiliates for proper and adequate distribution to Outlets in your Sales Area. Our affiliates will sell Products at terms and prices established by us and/or our affiliates from time to time, and they will derive income from such sales. Franchisor or its designated affiliates will sell Products to you on a credit basis and will perfect a lien on your Distribution Rights and all associated assets (including your vehicle and accounts receivable) to assure payment (see Exhibit I, Security Agreement). Products will be sold to you at bona fide wholesale prices that do not represent additional franchise fees to Franchisor but that do provide us with a profit margin. This profit margin will vary over time depending on the specific products involved and the market area. Franchisor currently estimates that Distributors will purchase between \$2,500 and \$15,000 in Products per week. **THIS IS AN ESTIMATE ONLY. ACTUAL PURCHASES WILL VARY FOR EACH DISTRIBUTOR DEPENDING UPON A NUMBER OF FACTORS.**

If you do not currently own a suitable vehicle, you may wish to purchase or lease an appropriate delivery truck. What constitutes an "appropriate" delivery vehicle will vary based on types of products you will sell, the type and size of your Sales Area, and the population density and type of retail stores therein, among other factors. The differences in trucks principally relate to size and interior capacity. We may offer options to purchase or lease a new or used truck through an independent third-party vendor. Franchisor has no interest in or affiliation with any third-party vendor and will recognize no benefit from this arrangement.

You must purchase or lease a hand-held computer and truck-mounted printer compatible with our systems or any other computer system which meets our specifications. Franchisor or a non-affiliated third-party vendor will offer you the purchase or lease of a hand-held computer system, compatible with our systems. You may purchase a new or used computer system from any vendor supplying hand-held computers and truck-mounted printers. Franchisor has no interest in or affiliation with any third-party vendor and will

receive no benefit from this arrangement. Franchisor may modify its specifications for handheld computers in the future and will notify you if it does so.

Franchisor has no other required specifications, designated suppliers, or approved suppliers for goods or services relating to your Distribution Rights. Franchisor will derive revenue (based on the difference between its products' costs and its sales price to you) from your required purchases of products and services from Franchisor, although it will not derive revenue from any of your other purchases of products or services other than as set forth in Item 6. In its most recent fiscal year, Franchisor's total revenue was \$2.774 billion, of which \$2.774 billion was derived on account of required purchases of products/services by its Distributors, representing 99.98% of Franchisor's total revenue.

The estimated proportion of purchases of products or services from Franchisor (assuming you choose to purchase your hand-held computer from Franchisor) ranges from approximately 18% to 75% of all purchases of products or services that you may make to establish and operate under your Distribution Rights, depending upon the extent to which you need financing, or other equipment, such as a truck, to begin your business.

If you choose to finance any portion of your route purchase price with Advantafirst Capital Financial Services, Inc. ("ACF"), as discussed in Item 10, ACF will derive income in the form of interest and other payments from you.

Item 10
FINANCING

As we note above, optional financing may be available through ACF. ACF typically finances 90% of the initial purchase fee/price of your Distribution Rights, up to certain maximum caps that differ by geographical area. Other restrictions may also apply. You must meet ACF's lending criteria in order to qualify for financing. We do not require that you finance your investment or use one of our selected lenders. Assuming that you need financing to purchase Distribution Rights, you are free to select a different lender of your own choosing (*i.e.*, other than ACF), provided that the terms and conditions of any agreements or documents that such lender requires you to sign in order to obtain financing do not conflict with any documents or agreements that we require that you sign as part of becoming a Distributor. We may discontinue or modify this financing program, and add or change lenders, at any time without notice. Different Distributors may receive different terms for their financing. Any changes that we make will not affect financing that is then in place. Your loan may be sold, assigned or discounted to a third party. Note that the loans offered by ACF are for a fixed amount and not an equity line that you can draw on periodically.

Optional Financing Arranged by Franchisor (Subject to applicability and qualification)

A. Financing Through ACF (ACF is a subsidiary of Bimbo Bakeries Inc., a U.S. subsidiary of Grupo Bimbo).

The terms of the loan are summarized below. (1)

(8)	Waive following rights: (a) presentment, (b) demand for payment, (c) protest, notice of dishonor, (d) notice of protest, and (e) notice of default of the note.

(1) References to agreements and sections (e.g., Promissory Note, Section 1) relate to ACF Financing Documents, which are included in Exhibit B of this Franchise Disclosure Document)

(2) May include the initial franchise fee, inventory purchases, and related startup costs. The terms of the loan are summarized in this Item 10.

(3) Franchisor and its affiliates have made arrangements with Advantafirst Capital Financial Services, Inc. ("ACF") to enable qualifying franchisees to finance a portion of their franchise fee and certain other costs. ACF is a subsidiary of Bimbo Bakeries Inc., a U.S. subsidiary of Grupo Bimbo.

(4) At closing, you will be required to pay a \$500 documentation fee (for purchase of a full route). In addition, you will be responsible for a bank origination fee of .5% (.005) of the loan amount (for purchase of a full route). Existing franchisees may purchase a partial route, in which case you will be responsible for a \$250 documentation fee (in lieu of the \$500). There is no bank origination fee for the purchase of a partial route. The documentation fee and the origination fee may be financed.

(5) ACF's interest rate as of January 1, 2020 for individuals with strong credit. ACF's interest rate as of January 1, 2020 for individuals with weak credit is 10.75%. ACF's rates are subject to change without notice.

(6) You will be responsible for paying this fee to Franchisor on a weekly basis. We will remit such payment on your behalf to the lender on a monthly basis.

(7) The loan may be prepaid with no penalty. If the borrower prepays an amount equal to the greater of \$5,000 or 25% of the outstanding loan balance, however, the monthly payment amount in Promissory Note will be reset and the borrower will be charged an administration fee of \$350 for reamortizing the loan balance. Prepayment must be in excess of \$500. (Promissory Note, Section 4)

(8) A "default" includes defaults under any other agreement between the borrower and ACF. This balance shall bear an interest rate of 12% per year (calculated on the basis of a 360-day year). Upon the commencement of any proceeding under any bankruptcy, insolvency or debtor relief laws by or against you, the note, principal, and interest will automatically be due and payable immediately, without notice, demand or presentment of any kind. You must pay all of the lender's costs and expenses of collection, including attorneys' fees and expenses. (Promissory Note, Sections 2, 6 and 7) In the event of a default

under the bank loan, we could, among other remedies, acquire the bank’s interest in your loan and exercise any available remedies to collect such loan from you.

B. Supplemental Optional Financing through DSA (Independent of ACF and Franchisor, subject to applicability and qualification). The terms of the loan are summarized below. (1)

Item Financed	Source of Financing	Down Payment	Amount Financed	Term (Yrs)	Interest Rate (%)	Monthly Payment	Prepay Penalty	Security Required	Liability Upon Default	Loss of Legal Right on Default
Franchise Fee and Certain Other Costs (2)	DSA (3)	\$200 (4)	5%	3	13.0 (5)	\$33.69 per \$1000 borrowed (e.g., \$336.94 for a \$10,000 loan). (6)	None	Franchisee’s personal guarantee	May be required to immediately pay entire principal balance of the note. (7)	Waive following rights: (a) presentment, (b) demand for payment, (c) protest, notice of dishonor, (d) notice of protest, and (e) notice of default of the note.

(1) References to agreements and sections (e.g., Promissory Note, Section 1) relate to DSA Financing Documents, which are included in Exhibit J to this Franchise Disclosure Document)

(2) May include the initial franchise fee/price, inventory purchases, and related startup costs. The terms of the loan are summarized in this Item 10.

(3) For those who financed only 90% of the initial costs, completely independent of Franchisor, Distribution Consultants, Inc. (“DCI”) has made arrangements through a third party unrelated to Franchisor, Distribution Services of America, Inc. (“DSA”), to offer additional financing of an additional 5% of the initial franchise fee/price related startup costs.

(4) At closing, you will be required to pay \$200 to DSA as a loan origination fee.

(5) DSA’s interest rate as of January 1, 2020. DSA’s rates are subject to change without notice.

(6) You will be responsible for paying this fee to Franchisor on a weekly basis. We will remit such payment on your behalf to the lender on a monthly basis.

(7) A “default” includes defaults under any other agreement between the borrower and DSA. This balance shall bear an interest rate of 16% per year (calculated on the basis of a 360-day year). Upon the commencement of any proceeding under any bankruptcy, insolvency or debtor relief laws by or against

you, the note, principal, and interest will automatically be due and payable immediately, without notice, demand or presentment of any kind. You must pay all of the lender's costs and expenses of collection, including attorneys' fees and expenses. (Promissory Note, Sections 2, 6 and 7)

Regardless of whether you obtain financing from ACF or another lender, under the Distribution Agreement, you grant us a security interest in all of the assets of your business under the Distribution Agreement, including your contract rights, accounts receivable, and proceeds from the sale of assets. This security interest gives us additional rights, as a secured party, if you default under the Distribution Agreement.

Item 11

FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, Franchisor is not required to provide you with any assistance.

1. Designate your exclusive Sales Area. BFBD designates this area based on numerous factors including (but not limited to) proximity to warehouse, density of customers, and existing nearby Sales Areas already serviced by others. You do not select the Sales Area; BFBD does so before you sign your agreement. BFBD has no other obligation prior to the commencement of operations under your Distribution Agreement.

During the operation of your business, Franchisor will:

1. Give you credit for damaged or off code product that has been promptly returned in accordance with BFBD's stale and damage return policy. (Distribution Agreement, Section 4.5)
2. If applicable, purchase properly filled out and executed charge slips from you and credit your account. (Distribution Agreement, Section 5.3)
3. Use commercially reasonable efforts to deliver to you sufficient quantities of the Products to supply Outlets in your Sales Area. (Distribution Agreement, Section 8.1)
4. Use commercially reasonable efforts to assist in the development of new Outlets. (Distribution Agreement, Section 8.1)
5. Use commercially reasonable efforts to pursue the development of new products. (Distribution Agreement, Section 8.1)
6. Use commercially reasonable efforts to preserve and develop the quality and marketability of the Products. (Distribution Agreement, Section 8.1)
7. Use commercially reasonable efforts to assist and cooperate with you in your sales efforts. (Distribution Agreement, Section 8.1)
8. Use commercially reasonable efforts to negotiate with Chains on your behalf. (Distribution Agreement, Section 8.2)
9. If an Outlet informs BFBD of any new service requirements, communicate to you those new service requirements. (Distribution Agreement, Section 8.2)

10. If you are not able to, or do not perform your obligations under the Distribution Agreement and do not make adequate alternative arrangements at your expense for the services, we may make the arrangements at your expense and perform the services, if we can, for your account. (Distribution Agreement, Section 10.2) Our decision to provide temporary services will not excuse your performance or relieve you of liability for non-performance.

Although not obligated to do so, Franchisor and its affiliates may advertise some or all of the Products in various media on a local, regional or national level. In some instances, Franchisor may also request that you enter into an advertising agreement that permits Franchisor to apply advertising decals or other materials to your delivery vehicle (Advertising Agreement, Section 1). You are not required to enter into this agreement as part of your Distribution Rights.

You are permitted to develop your own marketing or promotional materials. Any of these materials that use Franchisor's or its affiliates' trademarks or service marks (see Item 13, below) must be submitted to Franchisor for approval and cannot be used without our prior written consent (Distribution Agreement, Section 12.1).

We do not require you to participate in any advertising cooperative or contribute to any advertising fund. All expenditures on advertising are completely within your discretion, see Item 9.

Computer System

Once you purchase your handheld computer system and printer (and sign the Information Systems Confidentiality Agreement (Exhibit K to this disclosure document), we will load your handheld computer with our proprietary software applications at no charge to enable you to transmit orders to us and provide accounting information from the field. The cost to purchase the handheld computer and printer from us is up to \$3,500 new, and up to \$2,500 used (if available). Optional financing for the purchase of the Computer Equipment, may be available through ACF. If you choose to finance your purchase, you will be required to execute the financing documents of ACF for the computer equipment, which are substantially the same form of documents as the ACF documents for financing the purchase of your Distribution Rights (examples of those financing documents are attached as Exhibit B to this disclosure document). Neither we, nor any of our affiliates, nor any third party is required to provide ongoing maintenance, repairs, upgrades or updates to the computer system during the term of your Distribution Agreement. We have the right to exchange or replace the equipment occasionally with similar or comparable equipment. There are no contractual limitations or obligations on the frequency of upgrades or updates, and we will pay for any upgrades and updates. Apart from the purchase price, the approximately \$5/week cost for order data communication, and the approximately \$8.50/week for printer paper/supplies (as described in Item 6), there is no additional cost for optional or required maintenance, updating, upgrading or support for the computer system.

Your handheld computer will automatically synchronize with our computer system, so we will be able to access all information entered by you. The information entered relates to what Products are sold or ordered by you, and about the Outlets that you sell to. There are no contractual limitations on our right to access the information. You are required to maintain a computer system compatible with the system maintained by BFBD now or in the future during the term of the Distribution Agreement (Distribution Agreement, Section 6.8). There is no contractual limitation on the costs of this obligation.

The hand-held computer will be used to record all of your daily transactions including product purchases, product returns, customer invoices including quantity and price by SKU, and future dated product orders.

Daily transactions are uploaded to our host system and used to bill customers, determine production requirements and settle accounts with the Distributor. All of the information uploaded is available to the Distributor in reports generated out of the hand-held computer system and there is no contractual limitation on the Distributor's access to this information.

The Sales Area covered by your Distribution Agreement is determined by us based on our need to ensure that its network of distributors sufficiently covers the needs of all of the Outlets in the given Sales Area.

You may typically begin operating under your Distribution Rights at any time after you sign the Distribution Agreement. The time period generally ranged from immediate commencement to five days. The time period may be affected by ability to obtain financing, transportation, or the hand-held computer system or other factors outside of your (or our control), such as weather condition or shortages.

Training

Franchisor does not provide any training or operating manuals to its new Distributors under this offering. At a Distributor's request and on a voluntary basis, we may provide certain assistance *e.g.*, demonstration on the use of the hand-held, providing general information regarding the baking industry and bakery products, and a limited ride-along on the distribution route. There is no charge for participating in this voluntary program. However, you are solely responsible for all travel expenses, room, board, and other personal expenses (if any) in connection with participating in the program.

Item 12 **TERRITORY**

As we explain in Item 1, we grant you the exclusive right to sell and distribute Products by Direct Store Delivery to Outlets in your Sales Area. You may not sell Products to Outlets outside of your Sales Area. Your Sales Area is a precise geographic area bounded by streets and highways or various political or natural boundaries. We identify the boundaries of your Sales Area before you sign the Distribution Agreement and attach a description or map of the Sales Area as Schedule A to the Distribution Agreement. We determine your Sales Area according to our own estimates for anticipated volume of sales, the distance between Outlets, and your ability to reach all Outlets in order to provide timely and efficient services and achieve what we believe to be adequate market penetration. While the Distribution Agreement grants you the right to sell all Products, we may add, modify and remove specific items from the list of Products at any time.

By entering into the Distribution Agreement, you accept that your Distribution Rights are subject to limitations as to geographic scope, authorized products, type of customers and delivery method. We do not allow for relocation of Sales Areas under any circumstances. You are free to use as many delivery vehicles as you wish to service your Sales Area, but the size of the area should not require more than one delivery vehicle.

Signing a Distribution Agreement with us does not give you any options, right of first refusal, or similar rights to acquire additional Distribution Rights. If you want to acquire Distribution Rights to additional Sales Areas we must first sign a Distribution Agreement with you for that Sales Area. We will decide in our sole discretion if we will grant you rights to one or more additional Sales Areas. Factors we will take into account include, but are not limited to: the geographic proximity of the Sales Areas, how you intend to staff the existing and the additional Sales Areas, and your financial ability.

Your merchandising duties include removing Overcode Products from the shelves and racks in Outlets and returning any Overcode or damaged Products to us in accordance with our return procedures.

Neither we nor our affiliates will sell, or grant rights to another Distributor to sell, Products to Outlets in your Sales Area by Direct Store Delivery except in the situation where you are unable to perform your obligations under the Distribution Agreement (Distribution Agreement, Section 10.2). Additionally, we may sell Products to Company Owned/Operated Thrift Stores that we or our affiliates may open and operate in your Sales Area. While you may sell Overcode Products to Independent Thrift Stores in your Sales Area that we approve of in writing in advance, you may not sell Overcode Products to any Company Owned/Operated Thrift Stores that we or our affiliates open and operate in your Sales Area.

If an Outlet requests delivery by a distribution method other than Direct Store Delivery, we or our affiliates may service the Outlet (Distribution Agreement, Section 10.4). If an Outlet requests, we may, for example, rent space in third party warehouses and store Products there for local pick-up by Outlets. These activities might directly compete with your own sales to Outlets in the Sales Area. We do not have to pay you any compensation for the sales of Products to Company Owned/Operated Thrift Stores, or if we sell into your Sales Area by any alternative channels of distribution.

You are only allowed to sell and deliver Products in your Sales Area through Direct Store Delivery (except as may be provided by your Distribution Agreement), and you are not allowed to solicit or accept orders from customers outside your Sales Area, or to use other channels of distribution than Direct Store Delivery when selling Product.

The Distribution Agreement defines Products as fresh bakery goods that we intend to sell as fresh and sell under the Marks. We give you the right to sell Products only for as long as we continue to market the Marks in your Sales Area. We define Marks separately in the Distribution Agreement and describe the Marks in Item 13 of this Franchise Disclosure Document. We may, at any time, in our sole discretion, discontinue certain Products, identify new fresh bakery products as Products, and cease offering certain Products for sale in particular markets including in your Sales Area. We may accomplish a change in the particular Products that we authorize you to sell by, among other ways, deciding no longer to market one or more particular Marks in your Sales Area. We will notify you in writing of all changes to the Products that we authorize you to sell. As we explain in Item 1, the definition of Products excludes the following: (i) fresh bakery and other products of any kind that now, or in the future, are distributed by us or our affiliates under any names or trademarks other than the Marks, or that we or our affiliates may acquire after you sign the Distribution Agreement; (ii) products of any kind that we intend to sell as frozen or refrigerated; and (iii) Products that are damaged or Overcode (except that we permit you to sell damaged and Overcode Products to Independent Thrift Stores in your Sales Area).

Continuation of your territorial rights in your Sales Area does not depend on achievement of a certain sales volume, market penetration or similar type of minimum sales measure. The only time we would alter your territory is if you are temporarily unable to service the territory. In that case, we may enter into a temporary service agreement with another Distributor to service your territory.

Item 13 **TRADEMARKS**

We grant you a limited, non-exclusive right to use certain of the below listed trademarks (“Marks”) which we own or are licensed to use, to identify Products and the business under your Distribution Agreement. **Schedule B** to the Distribution Agreement identifies the particular Marks that we authorize for the Sales Areas in which we are currently offering Distribution Rights for sale. The Marks that we authorize in your market determines the particular Products that you may sell in your Sales Area.

Franchisor or its affiliates currently own or license the following marks that are either registered with their respective state governments or are registered on the Principal or Supplemental Register of the United States Patent and Trademark Office (“USPTO”):

Franchisor, its affiliates and/or licensors, as applicable, have filed all required affidavits of Continuing Use and Incontestability for the registered Marks identified above and intends to renew the registrations before their expiration.

There are no currently effective material determinations of the USPTO, the Trademark Trial and Appeal Board, the trademark administration of any state, or of any court, nor any pending infringement, opposition or cancellation proceedings or material litigation involving the Marks listed above, nor is there any pending material federal or state court litigation regarding our use or ownership rights in any of the Marks.

We may, at any time, for any reason, modify, add to, or discontinue using specific Marks. Changes that we may make to the Marks may modify the list of Products that you may sell and distribute in your Sales Area. We will notify you of all changes in writing reasonably promptly after we decide to make the change and before the date that we establish for the change to take effect. If we elect to discontinue using a specific Mark, we agree not to sell or distribute Products bearing the discontinued Mark by Direct Store Delivery to Outlets in your Sales Area or permit any other person or business entity to do so. Should we resume selling or distributing Products by Direct Store Delivery bearing a Mark which we had previously discontinued, you will have the right to sell and distribute Products bearing the readopted Mark by Direct Store Delivery to Outlets in the Sales Area.

We include in the definition of Marks that we will permit you to use certain brand names that we license from a third-party brand name owner under an arrangement whereby we agree to produce and sell Products identified by the brand owner's name to Outlets that we select. Schedule B to your Distribution Agreement indicates the particular licensed brands that we sublicense to you thereby permitting you to sell Products under the licensed brand in your Sales Area. Our license agreements with the owners of these brands are all in full force and effect at this time. We have summarized certain material terms of each license agreement. Except as we disclose below, our license agreements do not significantly limit our right to use, license or sublicense the particular Marks shown below in a manner material to your Distribution Rights.

The definition of Marks may include brand name(s) that a third party owns and licenses to us to use under a private label arrangement whereby we produce goods according to the private label owner's formula and sell and distribute them only to the private label owner's own Outlets. Most private label arrangements are short-term and subject to periodic change. Because of the potentially transitory nature of private label arrangements, we do not identify in this Item 13 any private label brands that we license among our principal Marks.

You must follow our rules when you use these Marks. You cannot use a name or Mark as part of your corporate or business name or with modifying words, designs or symbols, except for those which we expressly in writing license you to use. You cannot use any Mark in the performance or sale of any unauthorized services or products or in any manner we have not expressly authorized in writing. You cannot tamper with any of the Marks or other written or graphical designation on the packaging of Products nor can you apply other marks to the packing.

If you desire to use any other advertising or marketing materials to promote Products or which display the Marks, you must first submit them to us for our written approval. See Item 11.

Except as we disclose in this Item 13, there are no agreements currently in effect that significantly limit our right to use, license or sublicense the use of our Marks in a manner material to the business offered under our Distribution Agreements.

Your rights under the Distribution Agreement are not contingent on our performance under any license agreement or private label agreement that we may have with a third party. As long as you are in compliance with the Distribution Agreement, the termination of either a license agreement between us and a brand owner or a private label agreement does not excuse us from our obligations to you under the Distribution

Agreement. Your Distribution Rights will not terminate if a license agreement between us and a brand owner or a private label agreement ends.

We have no knowledge of any superior prior rights or infringing uses that could materially affect your use of our Marks in your state.

We do not grant you any interest in the Marks other than a license (or sublicense if we are the licensee) to use the Marks subject to the conditions that we specify in the Distribution Agreement. The license or sublicense that we grant to you does not convey title or ownership to goodwill in the Marks. You may not, at any time, contest or assist anyone to contest the validity of our, or any licensor's, rights in any of the Marks.

You must notify us immediately if you learn about apparent infringement or challenge to any of the Marks, or any use or claims of rights to any mark confusingly similar to any of the Marks. We have no obligation to take affirmative action when we are notified any infringement or challenge to any of the Marks. We will take the action that we think is appropriate under the circumstances (including taking no action). If it becomes necessary to prosecute or defend any trademark infringement suit regarding the Marks, we will bear the cost of the actions and any damages awarded will belong to us. You must cooperate and assist us in defending our respective rights in the Marks over third-party claims, though we will control any administrative proceeding or litigation involving the Marks. You may not take any action in your own name. We have no obligation to protect your right to use the Marks, or against claims of infringement or unfair competition arising out of your use of the Marks. We have no duty to participate in your defense and/or indemnify you from any losses or costs that you may suffer on account of any third-party claims brought against you because of your use of the Marks in accordance with the Distribution Agreement.

We do not know of any infringing uses that could materially affect your use of the Marks.

Item 14

PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

No patents are material to the business offered under our Distribution Agreements.

Under the Distribution Agreement, we will grant you a limited non-exclusive license to use our proprietary software system for route sales accounting. We claim a copyright in the software. You must maintain the confidentiality of the software and may not modify, reverse engineer or disassemble, decompile or otherwise translate the software.

We claim copyrights in our advertising material and related items that we use in the Distribution Program, including graphics that we may display on your delivery vehicle and clothing if you enter into an optional Advertising Agreement with us. We also claim a copyright in our customer lists. While we have not filed an application to copyright these materials, we consider the materials to be proprietary.

The Distribution Agreement imposes a duty to keep confidential any information that we may share with you that is not available to the general public. We refer to this information as “Confidential Information” and regard all Confidential Information as our trade secret. You must use due care to protect Confidential Information from unauthorized use and disclosure. We may seek equitable remedies, including restraining orders and injunctive relief, to prevent any actual or threatened unauthorized use of our Confidential Information. We are not required by any agreement to protect or defend our copyrights or to defend you against claims based on your use of copyrighted items. If there would be any copyright litigation regarding our copyrighted materials, we will control the litigation. This is independent of whether you modify or

discontinue using the subject matter of the copyright. We may at any time require you to stop using any copyrighted materials and you will be required to do so.

We are not aware of any agreements or third-party claims or infringing uses that might limit our, or your, use of any of the materials in which we claim a copyright. Nor are we aware of any current determinations of the United States Copyright Office or any court, or any pending interference, opposition or cancellation proceedings or material litigation involving any materials in which we claim a copyright or that we regard as proprietary or our trade secret.

Item 15
**OBLIGATION TO PARTICIPATE IN THE
ACTUAL OPERATION OF THE FRANCHISE BUSINESS**

BFBD does not require that you personally operate your Distribution Rights. You are free to hire employees and/or to retain independent contractors as you deem appropriate to discharge your responsibilities under the Distribution Agreement. You shall be responsible, however, for these employees and/or independent contractors and their compliance with all the terms and conditions of the Distribution Agreement and you must comply with all applicable federal, state, and local laws and regulations concerning your employer/employee or other relationship with them, including the maintenance of all required worker's compensation and unemployment insurance, and the payment and/or withholding of all applicable payroll related taxes. (Distribution Agreement, Section 6.5)

Item 16
RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

As a condition of receiving the Distribution Rights, you may only sell and distribute the specific Products that we authorize and you must sell all the Products that we require. Additionally, you must provide certain support services to Outlets in your Sales Area. You cannot sell any other goods bearing the Marks or distribute Products using any delivery system other than Direct Store Delivery (except as may be provided in your Distribution Agreement). You may not sell to Outlets outside of your Sales Area. Under the Distribution Agreement, we are not authorized to change the type of goods (fresh baked goods) that you sell and distribute, but we continuously change the assortment of Products, and we may add Products under new Marks, or discontinue the use of Marks under which we currently sell Products. Depending on the requirements of the Outlets you will service, you may have to perform additional support services to Outlets.

The Distribution Agreement contains important definitions for many of the capitalized terms that we use in this Franchise Disclosure Document. For example, the terms Products, Outlets, Chains, Sales Area and Marks each limit the scope of your Distribution Rights. By way of further example, the term Products does not include our or our affiliates' refrigerated or frozen bakery items even if we, or they, package and sell them under the Marks and are similar to the Products that we allow you to sell.

We do not prohibit or restrict your right to carry and distribute merchandise for other companies except that you may not (i) carry or distribute merchandise that is competitive with or could contaminate Products, or (ii) participate in activities that are inconsistent with or materially interfere with your obligations under the Distribution Agreement.

Item 17
RENEWAL, TERMINATION, TRANSFER AND DISPUTE RESOLUTION
THE FRANCHISE RELATIONSHIP

THIS TABLE LISTS CERTAIN IMPORTANT PROVISIONS OF THE FRANCHISE AND RELATED AGREEMENTS PERTAINING TO RENEWAL, TERMINATION, TRANSFER, AND DISPUTE RESOLUTION. YOU SHOULD READ THESE PROVISIONS IN THE AGREEMENTS ATTACHED TO THIS DISCLOSURE DOCUMENT.

Unless otherwise stated, all references in the table refer to the relevant section of the Distribution Agreement.

	Provision	Section in Distribution Agreement	Summary
a.	Length of the term	§3.1	Your Distribution Rights continue for 10 years, unless earlier terminated.
b.	Renewal or extension of the term	§3.2	Your Distribution Rights will automatically renew for another 10 years, unless good cause exists to terminate the Distribution Agreement or you give notice of your decision not to renew the Distribution Agreement no less than 90 days prior to the expiration of the current term under your Distribution Agreement.
c.	Requirements for renewal or extension	§3.2	If we request it, you must sign our then-current form of the Distribution Agreement and a general release. You may be asked to sign a contract with materially different terms and conditions than your original contract.
d.	Termination by BFBD without “cause”	Not Applicable	Not Applicable
e.	Termination by BFBD with “cause”	§§11.2. 11.3	Your failure to comply with or perform any provisions or covenants of the Distribution Agreement or any other agreement between us gives us cause to terminate the Distribution Agreement. Any termination requires you or us to sell your Distribution Rights.
f.	“Cause” defined - curable defaults	§11.3	Any breach other than those that we identify as non-curable grounds of termination (see subpart h.) are considered curable defaults. We give you 3 business days after written notice of default in which to complete the cure. You agree that repeated curable breaches are the same as a non-curable default and may result in termination of the Distribution Agreement.
g.	“Cause” defined – noncurable defaults	§11.2	The non-curable defaults are those that involve: (i) your failure to timely cure any curable defect; (ii) repeated violations that constitute a chronic breach; (iii) conduct that threatens public health or safety; (iv) criminal activity by you; (v) fraud by you; or (vi) default under the Security Agreement.
h.	Distributor’s obligations on termination/non-renewal	§11.4	Upon termination, we may operate the business under your Distribution Agreement for your account, less our reasonable operating expenses.

	Provision	Section in Distribution Agreement	Summary
			Upon termination, you are required to sell the business under your Distribution Agreement and your Distribution Rights to a qualified buyer. If you are not able to sell the business within 90 days after termination, you authorize us to do so. With the sale proceeds, we will provide you with a final accounting and remit to you any balance we owe you less allowable set-offs.
i.	Assignment of contract by Distributor	Not Applicable	Freely assignable by BFBD.
j.	“Transfer” by Distributor defined	§9.1	Includes the sale of all (or substantially all) of your Distribution Rights or the assets of the business under your Distribution Agreement, an assignment of your contract rights under the Distribution Agreement, or the sale of a controlling interest in your equity or voting rights if the owner of the Distribution Rights is a business entity.
k.	BFBD’s approval of transfer by Distributor	§§9.1, 9.2	We have a right of first refusal. If we do not exercise our right of first refusal, we have the right to approve the transfer to the proposed buyer. We will not unreasonably withhold our approval if you satisfy the transfer conditions in the Distribution Agreement.
l.	Conditions for BFBD’s approval of transfer	§§9.1, 9.2	(i) You must provide us with the purchase terms that you have been offered or have negotiated with the proposed buyer; (ii) the proposed buyer's management must be acceptable to us and meet our then-current financial, experience and background criteria; (iii) the proposed buyer and its guarantors must sign our current Distribution Agreement and guaranty; and (iv) you must pay us a transfer fee of 2% of the sales price.
m.	BFBD’s right of first refusal to acquire Distributor’s business	§§9.1, 9.2	We may match any bona fide third-party offer that you receive for your business, and will let you know of our decision to do so within 14 business days after receiving your complete package of information regarding the offer. If we exercise our right of first refusal, you must pay us a transfer fee of 2% of the purchase price.
n.	BFBD’s option to purchase Distributor’s business	§§9.4, 9.8	If we decide to purchase your Distribution Rights, you must pay us a transfer fee of 2% of the purchase price. We will settle your account as of the closing date, and you will pay us (i) any monies owed; (ii) a reasonable escrow against open accounts; (iii) all reasonable costs and expenses in connection with the sale; and (iv) any outstanding debts, liens or other obligations relating to your Distribution Rights. You will then return any property owned by us in your possession, and the Distribution Agreement will terminate.

	Provision	Section in Distribution Agreement	Summary
o.	Death or disability of Distributor	§9.7	In the event of the death of the principal shareholder in your corporate entity, you may be required to sell your Distribution rights. If you are required to sell your Distribution Rights and fail to do so within 90 days, we have the right to sell the rights to a qualified purchaser and provide you with any net proceeds from the sale.
p.	Non-competition covenants during the term of the Distribution Agreement	§6.6	You may engage in all other business activities, including selling other products to customers in your Sales Area, except to the extent that it involves your sale or distribution of competitive merchandise or merchandise that could contaminate the Products or otherwise is inconsistent or interferes with your obligations under the Distribution Agreement.
q.	Non-competition covenants after termination/expiration	Not Applicable	Not Applicable
r.	Modification of the Distribution Agreement	§§14.4, 14.9	Only by a writing signed by the party to be charged. If a court rules that part of the Distribution Agreement is invalid or contrary to law, the Distribution Agreement will be deemed modified to the extent necessary to conform to the ruling.
s.	Integration/merger clause	§14.4	The Distribution Agreement and any other agreements that you may enter into with us concurrently represent our entire agreement regarding the applicable business and supersede all prior agreements, discussions, understandings, representations, and conditions between us with respect to this subject matter.
t.	Dispute resolution by arbitration or mediation	Article 13	You must resolve all disputes in accordance with the arbitration and litigation procedures described in the Distribution Agreement.
u.	Choice of forum	§§13.3, 13.9	The party initiating the dispute must initiate mandatory binding arbitration proceedings with the American Arbitration Association. We agree that the arbitration will be held in or near the county in which you operate under the Distribution Agreement, or in any other mutually agreed-upon location.
v.	Choice of law	§14.8	The Distribution Agreement is governed by Pennsylvania law.

These states have statutes which may supersede the Distribution Agreement in your relationship with BFBD including the areas of termination and renewal of your Distribution Rights: Arkansas [Stat. Section 70-807], California [Bus. & Prof. Code Sections 20000-20043], Connecticut [Gen. Stat. Section 42-133e et seq.], Delaware [Code Section 2551-2556], Illinois [815 ILCS 705/1-44], Indiana [Stat. These and other states may have court decisions which may supersede the Distribution Agreement in your relationship with us including the areas of termination and renewal of your Distribution Rights.

Please refer to the state specific addendum for Illinois, Maryland, Minnesota, New York, North Dakota, Virginia, and Washington for additional relevant disclosures required by those states under this Item.

Item 18 **PUBLIC FIGURES**

Although they do not currently do so, Franchisor and its affiliates may in the future use public figures in advertisements to promote certain Products. If they do, they will likely compensate these public figures in return for their roles in our advertisements. You do not have the right to use the name of any of these public figures in their promotional efforts or advertising without prior written approval from us. There are no public figures involved in the actual management or control of us.

Item 19 **FINANCIAL PERFORMANCE REPRESENTATIONS**

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

Representations Regarding Financial Performance

We do not make any representations about a franchisee's future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Craig Pizer or Matthew Wright at 255 Business Center Drive Horsham, Pennsylvania 19044 / (215) 347-5549, the Federal Trade Commission, and the appropriate state regulatory agencies.

Item 20 **OUTLETS AND FRANCHISEE INFORMATION**

For purposes of this Item 20, BFBD does not operate routes (outlets) as part of an ongoing company strategy of indefinitely owning such routes. However, please note that although BFBD may, from time to time, terminate a franchisee's Distribution Agreement (*i.e.*, the franchise agreement) pursuant to the termination provisions of such agreement, that does not necessarily mean that such franchisee's ownership of the Distribution Rights are also terminated. When a Distribution Agreement is terminated, the franchisee

continues to own the asset that is the Distribution Rights, but is no longer authorized to operate the distribution business associated with those rights post termination. In such cases, BFBD may temporarily operate these routes while the Distribution Rights are sold by the franchisee. When this occurs, the route/outlet is not considered a company-owned outlet due to the Distribution Rights still being owned by the franchisee. However, there are situations, like when a franchisee sells the route back to BFBD or when BFBD creates a new route and it has not yet sold, that BFBD will operate the route/outlet while attempting to sell same to a franchisee/distributor; in these instances, the outlet is considered company-owned until it sells.

(1) BFBD does not terminate franchise agreements such that a franchisee no longer owns their/its distribution rights. Although the franchise agreement may be terminated in accordance with its terms, and a franchisee is subsequently prohibited from selling BFBD products, the franchisee still owns the distribution rights after termination of the franchise agreement and is entitled to the net proceeds (if any) while BFBD is operating the rights on the franchisee's behalf and whenever the distribution rights are sold. Therefore, when a franchise agreement is terminated there is no corresponding reduction in outlet count since the distribution rights are not terminated, nor do the distribution rights revert to BFBD. Accordingly, Column 5 in Table 3 lists the number of franchise agreements that were terminated in the respective states; however, the number listed in Column 5 is not subtracted from the outlet count as a result of the continued operation of the distribution rights (by BFBD on behalf of the franchisee who has had the franchise agreement terminated) and the franchisee retaining ownership of such distribution rights.

Exhibit N-1 lists the names of all current Distributors and the business address and telephone number for each as of December 31, 2019. Exhibit N-2 lists the name, city and state, and the business telephone number (or if unknown, the last known home telephone number) of every Distributor who has had its Distribution Rights terminated, canceled, not renewed, or otherwise voluntarily or involuntarily cease to do business under the Distribution Agreement during 2019, or who has not communicated with us within 10 weeks of the issuance date of this disclosure document.

If you elect to buy Distribution Rights, your contact information may be disclosed to other buyers when you leave the system.

Confidentiality Agreements

In some instances, current and former Distributors sign provision restricting their ability to speak openly about their experience with our franchise system. You may wish to speak with current and former Distributors, but be aware that not all such Distributors will be able to communicate with you.

Franchisee Organizations

There are no trademark-specific franchisee organizations associated with our franchise system.

The Lender or anyone who takes this Note by assignment is hereinafter referred to as "Note Holder".

2. INTEREST RATE

The principal sum outstanding shall bear an interest rate equal to «Advan_Int» per annum from the date of this Note until such time as the entire remaining principal and interest has been fully paid. Any amount of principal not paid when due, including the entire principal balance in the event of an acceleration of this Note as provided below, shall bear interest, to the extent permitted by law, at a rate per annum of TWELVE PERCENT (12%), calculated on the basis of a 360-day year.

WHEREAS, DISTRIBUTOR has the specialized skills, initiative and experience and has made substantial investment in DISTRIBUTOR’s business necessary to operate, as an independent trade, a distribution business and to sell and distribute fresh bakery products successfully within a specific geographic area; and

WHEREAS, BAKERY and DISTRIBUTOR acknowledge that they are each in different lines of business and that the business of DISTRIBUTOR need not be, nor shall it be, conducted on any premises of BAKERY and its affiliates (as DISTRIBUTOR accesses such premises, if at all, only to purchase and return Product, as such term is hereinafter defined); and

WHEREAS, pursuant to a bill of sale, DISTRIBUTOR has purchased from DISTRIBUTOR’s predecessor or BAKERY the Distribution Rights in a Sales Area (as such terms are hereinafter defined); and

WHEREAS, DISTRIBUTOR and BAKERY desire to enter into a written agreement describing and setting forth the terms and conditions under which they will do business with each other, including the purchase and sale of goods;

NOW THEREFORE, in consideration of the covenants and conditions set forth herein and for other good and valuable consideration which they acknowledge is given and received, DISTRIBUTOR and BAKERY mutually agree as follows:

ARTICLE 1 – DEFINITIONS

1.1 **DEFINITIONS**. For all purposes of this Agreement, the following capitalized terms shall have the following meanings:

- (a) **CHAIN**: Shall mean a person, entity or business that operates more than one Outlet and makes decisions regarding the purchase, promotion of and/or payment for Products for its Outlets, in whole or in part, at a central or regional office. Chain shall include any organized group of independent Outlets that are affiliated or organized to negotiate Product pricing, discounts, promotions and/or other terms and conditions of purchase on behalf of group members.

- (b) **DIRECT STORE DELIVERY**: Shall mean the manner of sale of Products by the physical delivery of Products at the place where the Outlet sells Product to the public, including merchandising, or purchases Product for use and consumption at the Outlet. Direct Store Delivery may also be referred to as “DSD.” For the avoidance of doubt and as examples (but not as an exhaustive list), Direct Store Delivery does not include warehouse, drop ship and/or pallet programs.
- (c) **DISPUTE**: Shall generally mean any and all disagreements, controversies, claims, assertions of rights, causes of action or other disputes in any way relating to, arising out of or in connection with this Agreement or any aspect of the relationship of the parties and/or their affiliates, employees or representatives, of whatever nature or kind as further defined and categorized as a Covered Dispute or Excluded Dispute in Article 13.
- (d) **DISTRIBUTION RIGHTS**: Shall mean the exclusive right to sell Products to Outlets in the Sales Area by Direct Store Delivery, or other manner if expressed in Schedule B, which rights have been purchased by DISTRIBUTOR as evidenced by a bill of sale, or have been granted by BAKERY to DISTRIBUTOR as evidenced in a writing signed by BAKERY in which BAKERY expressly grants “equity” distribution rights to DISTRIBUTOR.
- (e) **FORCE MAJEURE**: Shall mean an event or circumstance beyond the control of the party affected which prevents or limits that party’s performance of its obligations under this Agreement and includes an Act of God, war, fire, explosion, civil disturbance, terrorism, strikes or lock-outs, failure of machinery or a bakery.

- (g) **OVERCODE PRODUCT**: Shall mean Products with an expired “pull by,” “sell by,” “best by,” “use by” or similar date established by BAKERY for removal of Products from sale to Outlets (as opposed to thrift or bakery store outlets). Such dates may be designated by actual written, printed or stamped dates on Product, or color or other codes which may be established by BAKERY from time to time on notice to DISTRIBUTOR. Overcode Product may also be referred to as “stale” or “off code” Product.
- (h) **OUTLET**: Shall mean a person, entity or business that purchases Product by DSD or other manner as expressly set forth in Schedule B. The classification of any Outlet in a particular category or channel on Schedule B shall be made by BAKERY. If DISTRIBUTOR disagrees with BAKERY’s characterization of any Outlet, DISTRIBUTOR may seek remedy solely under Article 13. BAKERY shall have no obligation to DISTRIBUTOR for any damages, including lost income and/or profits, arising out of such classification. Outlets shall not include thrift stores and/or bakery outlets owned or operated by BAKERY or its affiliates and/or those which contract with BAKERY or its affiliates for the purchase and sale of Overcode Product (including such BAKERY owned and operated thrift stores which may supplement inventory with and sell to the public other products including fresh Product).

- (i) **PRODUCTS:** Shall mean only the bakery products expressly set forth in Schedule B. Unless otherwise expressly provided in Schedule B, Products shall be limited to “fresh” products. Products shall not include Overcode Product, frozen or otherwise preserved product. In the event that BAKERY grants to DISTRIBUTOR “non-equity” or “proceeds” distribution rights to Product, the terms and conditions of this Agreement shall apply to such non-equity or proceeded Product except those which by their nature are not applicable, including ownership and sale of such non-equity or proceeded distribution rights, and/or as is provided in a separate writing between BAKERY and DISTRIBUTOR relating to such non-equity or proceeded Product.
- (j) **SALES AREA:** Shall mean that geographic area specifically described in Schedule A.

1.2 **INTERPRETATION.**

- (a) Whenever the words “include,” “includes” or “including” are used in this Agreement they shall be deemed to be followed by the words “without limitation.”

- (c) All Schedules attached hereto or referred to herein are hereby incorporated by reference and made a part of this Agreement.
- (d) Words or terms that are not specifically defined in this Article 1 or elsewhere in the Agreement shall be given their plain and ordinary meanings. THE PARTIES AGREE THAT THE RULE OF CONSTRUCTION TO THE EFFECT THAT ANY AMBIGUITIES ARE TO BE CONSTRUED AGAINST THE DRAFTING PARTY IS NOT TO BE EMPLOYED IN ANY INTERPRETATION OF THIS AGREEMENT.

ARTICLE 2 – RELATIONSHIP

- 2.1 **DISTRIBUTION RIGHTS.** BAKERY hereby recognizes DISTRIBUTOR’s ownership of Distribution Rights which ownership shall continue until the Distributor Rights are sold pursuant to the terms of this Agreement. DISTRIBUTOR must operate according to the terms of this Agreement. Any termination of this Agreement requires DISTRIBUTOR, or BAKERY for the account of DISTRIBUTOR, to sell the Distribution Rights pursuant to the terms of this Agreement.
- 2.2 **INDEPENDENT CONTRACTORS.** DISTRIBUTOR and BAKERY intend to create an independent contractor relationship for all purposes. It is the essence of this Agreement that DISTRIBUTOR and Guarantor, and their employees and contractors, if any, be independent contractors for all purposes and only identify itself and his or her self as such in all third party dealings. The parties do not intend to enter into an employment,

joint venture, partnership or other similar relationship in any way. Any contrary final determination by any legal authority including a board, tribunal, agency, arbitrator or court of competent jurisdiction shall require the amendment of this Agreement in any way necessary to establish an independent contractor relationship. As an independent contractor, DISTRIBUTOR has the right to operate its business using DISTRIBUTOR's own judgment and discretion to determine the methods to be used to achieve the results required by this Agreement and shall bear all risks and costs of operating such business. DISTRIBUTOR has no authority to retain any person on behalf of BAKERY. It is expressly acknowledged and agreed that DISTRIBUTOR and GUARANTOR, and their employees and/or contractors, if any, have no claim or right under any circumstances to any benefits or compensation currently or at any time paid by BAKERY and its affiliates to employees or hereafter declared by BAKERY or its affiliates for the benefit of their employees. It is also expressly acknowledged and agreed that this Agreement and/or the relationship between BAKERY and DISTRIBUTOR creates no right to salary, wages or commissions of any kind and, therefore, any charges authorized by this Agreement or expenses incurred by DISTRIBUTOR in connection with its business or this Agreement do not constitute deductions from wages or other compensation. Except as expressly provided in this Agreement, no fiduciary relationship exists between the parties.

- 2.3 **NOTICE**. DISTRIBUTOR agrees to have painted in a conspicuous manner on any vehicle owned, leased, used or operated by DISTRIBUTOR to perform under this Agreement:

“Owned and Operated by
[DISTRIBUTOR NAME]
An Independent Contractor”

ARTICLE 3 – TERM AND RENEWAL

- 3.1 **TERM**: The term of this Agreement shall be for a period of ten (10) years commencing on the Effective Date, unless sooner terminated by DISTRIBUTOR or BAKERY according to the provisions of this Agreement and shall renew thereafter for subsequent renewal terms of ten (10) years each.
- 3.2 **RENEWAL**: Unless (a) good cause exists or arises for termination of this Agreement prior to renewal, or (b) DISTRIBUTOR notifies BAKERY of its intent not to renew this Agreement no less than 90 days prior to the expiration of the then current term, this Agreement shall automatically renew provided if requested by BAKERY, DISTRIBUTOR executes a new Distribution Agreement in the form of agreement then being used by BAKERY within 20 calendar days after the new agreement is delivered to DISTRIBUTOR. If no such request is made by BAKERY, the term of this Agreement shall automatically renew for a renewal term of ten (10) years.
- 3.3 **NON-RENEWAL**: In the event that DISTRIBUTOR notifies BAKERY of its intent not to renew and/or fails or refuses to execute a new Distribution Agreement if requested by BAKERY as provided in Section 3.2, this Agreement shall automatically terminate on the tenth (10th) anniversary of the current term and the provisions of Section 11.4 shall apply.

ARTICLE 4 – SALE OF PRODUCT BY BAKERY TO DISTRIBUTOR

- 4.1 **TITLE.** All Product is sold by BAKERY to DISTRIBUTOR absolutely and title and risk of loss shall pass to DISTRIBUTOR at the time and place of delivery of Product. For the avoidance of doubt, title and risk of loss shall remain with DISTRIBUTOR even in the case of Product sold by DISTRIBUTOR to Outlets which purchase Product by “scan based trading,” “pay by scan” or a similar method of payment.
- 4.2 **DELIVERY.** BAKERY agrees to sell and deliver to DISTRIBUTOR, or to arrange for such sale and delivery by affiliates, and DISTRIBUTOR agrees to buy and accept delivery of Products at such location (typically called a “sales center”) as BAKERY may from time to time reasonably designate or approve. BAKERY agrees to use commercially reasonable efforts to fill DISTRIBUTOR’s orders in a reasonable and timely manner. Such efforts may include, without limitation, minimum tray requirement programs. In the case of shortage and/or a Force Majeure event, BAKERY reserves the right to fill orders on such reasonable basis as circumstances then permit. BAKERY AND DISTRIBUTOR ACKNOWLEDGE i) THAT CERTAIN PRODUCT ORDERS CAN ONLY BE FILLED BY BAKERY IN FULL TRAYS, WHICH MAY CAUSE BAKERY TO ROUND A PRODUCT ORDER TO THE NEAREST FULL TRAY and ii) THAT ORDERED CUTS AND PLUSES, AND ON OCCASIONS, CANCELLATIONS OF DELIVERIES, IN WHOLE OR IN PART, ARE AN UNAVOIDABLE ASPECT OF FRESH BAKERY PRODUCTION AND TRANSPORTATION. IN THE EVENT OF PLUSES, DISTRIBUTOR AGREES TO USE REASONABLE EFFORTS TO AFFECT THE SALE OF THE ADDITIONAL PRODUCT TO DISTRIBUTOR’S OUTLETS.
- 4.3 **TERMS OF PRODUCT SALES.** Product will be sold by BAKERY to DISTRIBUTOR on terms and prices (including “margins” and “spreads”) established by BAKERY from time to time. DISTRIBUTOR agrees to pay BAKERY for all Product purchases each week in accordance with Section 5.3.
- 4.4 **DELIVERY PROCEDURES.** DISTRIBUTOR agrees to immediately review the quantities of Product delivered and to promptly advise BAKERY of any difference in the quantities delivered as compared with the quantities indicated on the daily “load sheet” or “load invoice” (or similar document or its electronic equivalent). If DISTRIBUTOR does not notify BAKERY of any difference within the time required by sales center policy (and if no such policy, prior to leaving the sales center), the load sheet or invoice prepared by or on behalf of BAKERY shall be presumed as conclusively accurate and DISTRIBUTOR shall be charged and obligated to pay for all Product identified thereon. BAKERY may from time to time implement and/or amend programs regarding Product deliveries and/or Product accountability, including sales center hours of operation and check-in procedures. DISTRIBUTOR agrees to reasonably cooperate and comply with such programs.
- 4.5 **RETURNS.** Except as provided in Schedule B, BAKERY agrees to accept from and give full credit to DISTRIBUTOR for any Overcode Product or damaged Product which is not damaged or Overcode by reason of DISTRIBUTOR’s negligence provided such Overcode and/or damaged Product is promptly returned to BAKERY in accordance with

BAKERY's then current Overcode/stale and damage return policy. DISTRIBUTOR acknowledges and agrees that BAKERY reserves the right to make amendments to such policy from time to time, including returns verification, "stale caps" and/or limits, sorting and staging procedures.

- 4.6 **BAKERY EQUIPMENT.** For the convenience of DISTRIBUTOR, BAKERY may, but is not obligated to, deliver Product to DISTRIBUTOR in trays, baskets, totes and/or on racks or dollies or with similar equipment for use in staging and moving Product ("Bakery Equipment"). Bakery Equipment shall also include display tables, racks and pieces (including point of sale materials) that BAKERY and/or its affiliates may for DISTRIBUTOR's convenience supply to DISTRIBUTOR from time to time for display and/or promotion of Products in Outlets. Bakery Equipment shall be used by DISTRIBUTOR solely for Product and shall be promptly returned by DISTRIBUTOR to BAKERY. DISTRIBUTOR shall be responsible for and pay to BAKERY the repair and/or replacement cost of Bakery Equipment which is lost by or stolen from DISTRIBUTOR, damaged or destroyed while in DISTRIBUTOR's possession and/or as a result of DISTRIBUTOR's use, misuse, negligence or unauthorized transfer. DISTRIBUTOR agrees to reasonably cooperate in the recovery of Bakery Equipment. BAKERY may from time to time implement and/or amend programs regarding Bakery Equipment, including inventories and sales programs. DISTRIBUTOR shall reasonably cooperate and comply with such programs.

ARTICLE 5 – PURCHASE OF CERTAIN RECEIVABLES AND SETTLEMENT OF DISTRIBUTOR'S ACCOUNT

- 5.1 **PURCHASE OF RECEIVABLES.** In cases where DISTRIBUTOR sells Product to Chains or Outlets which have been approved by BAKERY for credit (collectively, "charge" Outlets), BAKERY or its affiliates shall, at the request and for the convenience of DISTRIBUTOR, purchase the properly executed invoices to such Chains or Outlets at their face value, net of all discounts, and credit DISTRIBUTOR's account therefor, provided DISTRIBUTOR timely forwards by electronic transmittal (also known as "communicating") such invoice and provides to BAKERY hard or paper copies of such invoices and supporting documents including an Outlet's properly executed receiving documents promptly after BAKERY's request. In the event that an Outlet does not pay BAKERY or its affiliates, and/or deducts the amount of the invoice, in whole or in part, or in the case of an Outlet bankruptcy and BAKERY cannot file a proof of claim, because of missing documentation that DISTRIBUTOR fails or refuses to supply to BAKERY, BAKERY may reverse or "charge back" the prior purchase of such invoice. BAKERY reserves the right to disapprove an Outlet for credit and/or revoke its prior approval of any Outlet for credit.
- 5.2 **PURCHASE OF SCAN BASED TRADING OUTLET RECEIVABLES.** If a charge Outlet elects to pay for purchases of Product on a scan rather than delivery basis, BAKERY or its affiliates agree at the request and for the convenience of DISTRIBUTOR, to purchase the receivables from DISTRIBUTOR at the face value of the scan report. Alternatively, at the option of BAKERY, BAKERY may reconcile scan results by crediting DISTRIBUTOR for the delivery of Product (provided

DISTRIBUTOR timely communicates delivery information to BAKERY) and subsequently making adjustments for any difference between the reported delivered units and the actual sales reflected by the scan data. BAKERY reserves the right to make changes from time to time to the manner in which it settles scan-based trading transactions with DISTRIBUTOR.

- 5.3 **ACCOUNT RECONCILIATION.** On or before Saturday of each week (or such day BAKERY may reasonably designate on notice to DISTRIBUTOR), the parties agree to “settle” their accounts. BAKERY shall issue to DISTRIBUTOR an account or “settlement” statement itemizing DISTRIBUTOR’s purchases of Product from BAKERY, credit for receivables purchased by BAKERY or its affiliates and return Product and all other amounts due from and to DISTRIBUTOR including deductions authorized by DISTRIBUTOR. The settlement statement may be issued by BAKERY to DISTRIBUTOR in electronic or hard (paper) copy form. In the event of a balance due from DISTRIBUTOR to BAKERY, DISTRIBUTOR shall make payment to BAKERY within five (5) calendar days. DISTRIBUTOR agrees to review each settlement statement on receipt. If DISTRIBUTOR does not notify BAKERY of any dispute within five (5) calendar days after receipt, the settlement statement shall be presumed to be conclusively accurate.
- 5.4 **NET SETTLEMENTS OF MULTIPLE SALES AREAS.** If DISTRIBUTOR owns Distribution Rights to more than one Sales Area, BAKERY may settle DISTRIBUTOR’s accounts of all Sales Areas taken together such that transactions in one Sales Area may offset transactions against another.
- 5.5 **PROMOTION PARTICIPATION PROGRAM.** If DISTRIBUTOR wishes to sell Product to Outlets at prices which are less than those reflected on BAKERY’s or its affiliates’ then current Suggested Price List and BAKERY, at DISTRIBUTOR’s request, agrees to participate in such promotion, BAKERY will credit to DISTRIBUTOR’s settlement account a promotion credit. Participation by BAKERY in any such promotion program shall not obligate BAKERY to participate in any other program.
- 5.6 **SECURITY INTEREST.** To secure the payment of any indebtedness or liability of DISTRIBUTOR to BAKERY or its affiliates, now or hereafter arising, pursuant to this Agreement or otherwise, DISTRIBUTOR grants and conveys to BAKERY a continuing and general first priority security interest in the Distribution Rights, all other assets used in connection with the exercise and operation of the Distribution Rights, all rights hereunder and all Products and receivables of the DISTRIBUTOR, and grants to BAKERY the rights of a secured party. DISTRIBUTOR agrees to execute the Security Agreement in a form currently in use by BAKERY and financing statement(s) to evidence such security interest and such Security Agreement is incorporated by reference herein. Any default under the Security Agreement by DISTRIBUTOR is a default under this Agreement.
- 5.7 **ACCURACY AND VALIDITY; SETOFF.** DISTRIBUTOR warrants, represents to BAKERY and agrees that all invoices, supporting documents and any other information or materials provided by DISTRIBUTOR in connection with any charge Outlet receivables purchased by BAKERY or its affiliates in accordance with this Article 5

(collectively, “Receivables Documentation”) (a) is accurate, timely and complete as of the date such receivables are purchased by BAKERY or its affiliate and (b) represents a valid, then-outstanding receivable of DISTRIBUTOR from the applicable charge Outlet for the sale of Product by DISTRIBUTOR to the charge Outlet as set forth in such Receivables Documentation. If DISTRIBUTOR becomes aware that any Receivables Documentation is or may become inaccurate or incomplete, or that any corresponding receivable is or may become invalid, without limitation to BAKERY’s remedies under this Agreement or at law, DISTRIBUTOR shall immediately notify BAKERY in writing and, to the extent possible, correct such inaccuracy or omission. Notwithstanding anything to the contrary in this Agreement, and without prejudice to any other right or remedy BAKERY has or may have, in the event that DISTRIBUTOR breaches the terms of this Section 5.7, including without limitation by providing fraudulent or erroneous Receivables Documentation or receivables for purchase by BAKERY or its affiliates, BAKERY may, without notice to DISTRIBUTOR, set off, recoup or charge to DISTRIBUTOR such amount in any manner including, without limitation, reversing the purchase of or “charging back” the receivable. A set off, recoupment or charge by BAKERY under this Section does not constitute a cure of any breach by DISTRIBUTOR.

- 5.8 **DEFAULT.** In addition to all other BAKERY rights and remedies, BAKERY is not required to fill an order of DISTRIBUTOR during any time when DISTRIBUTOR is in default of any payment or other obligation to BAKERY or its affiliates.

ARTICLE 6 – DISTRIBUTOR’S OBLIGATIONS

- 6.1 **RESULTS.** DISTRIBUTOR shall retain exclusive control over the manner and method of operation of DISTRIBUTOR’s business but is responsible for conducting its operations to achieve the results required by this Agreement. Specifically, DISTRIBUTOR agrees to develop and maximize purchases from BAKERY and sales of Products to Outlets within the Sales Area by all reasonable means including:
- (a) Maintaining an adequate and fresh supply of Product to all Outlets;
 - (b) Rotating Products to promote sale before they become stale or Overcode;
 - (c) Promptly removing all stale or Overcode Product from Outlets;
 - (d) Cooperating with BAKERY or its affiliates in marketing programs;
 - (e) Selling and distributing Products in a manner that enhances the reputation and goodwill of the Product trademarks, trade names and/or brands;
 - (f) Supporting secondary displays and utilizing BAKERY recommended point-of-sale materials;
 - (g) Satisfying Outlet requirements, guidelines and expectations including service frequency requests, service windows, promotions, merchandising and in scan based trading Outlets, weekly Product inventories;

- (h) Providing service to Outlets on a basis consistent with good industry practice as of the Effective Date and as such practice may change from time to time;
- (i) Conducting its business in a professional, honest, ethical and safe manner and ensuring that DISTRIBUTOR's employees and contractors do so as well;
- (j) Selling and distributing "Private Label" Product, if applicable, solely to the Outlet which owns such private label; and
- (k) Cooperating with BAKERY in the event of a Product recall, withdrawal, recovery or similar retrieval due to a Product quality issue, including, promptly removing such Product from Outlets if requested by BAKERY.

BAKERY shall have the right to review DISTRIBUTOR's performance under this Agreement to enforce its terms and conditions. For the avoidance of doubt, out of stock, low stock and Overcode conditions in an Outlet, excessive returns, and/or Outlet complaints of improper or unsatisfactory service (as well as failure to comply with any other obligation under this Agreement) shall constitute a material breach of this Agreement.

- 6.2 **PRODUCT RETURNS RATE.** Notwithstanding Section 4.5 above, DISTRIBUTOR agrees to maintain a reasonable rate of returns of Products, which rate shall be determined in the sole reasonable discretion of BAKERY. A reasonable rate of return maybe calculated, among other methods, by comparing DISTRIBUTOR's returns percentage (by "route", Product or brand type, customer store, or otherwise) to the average percentage rate of Product returns of multiple other independent contractors that purchase Products at the same, or nearby BAKERY facilities. If BAKERY uses an average to calculate the reasonable rate of returns as stated in the preceding sentence, DISTRIBUTOR's percentage rate of returns may not be deemed unreasonable if it is within two (2) percentage points of such average.
- 6.3 **NO SALES OUTSIDE SALES AREA.** DISTRIBUTOR agrees not to sell, offer to sell or distribute, either directly or indirectly, Products outside the Sales Area, including, without limitation, sales to non-DSD customers or others (even if in the Sales Area) who or which intend to resell the Products outside of the Sales Area, and shall take action to prevent sales and distribution of Products outside the Sales Area by DISTRIBUTOR's employees, contractors and/or representatives. DISTRIBUTOR agrees not to engage in internet sales of Products or sales in any electronic media that may be developed in the future.
- 6.4 **OUTLET PROFITABILITY.** DISTRIBUTOR agrees to sell and distribute Products to all Outlets within the Sales Area which request Product and DSD service. DISTRIBUTOR is not obligated to serve any Outlet that has proven consistently to be unprofitable (as measured by a profit and loss statement prepared by or on behalf of DISTRIBUTOR), provided, however, DISTRIBUTOR agrees that if a Chain requires that one or more of its Outlets in the Sales Area be served as a condition for the purchase of Products by other Outlets located outside DISTRIBUTOR's Sales Area, then the profitability of any such Outlet which is part of that Chain shall be judged on the basis of the profitability of the Chain as a whole.

6.5 **COMPLIANCE WITH LAWS and BAKERY's FACILITY POLICIES.**

- (a) DISTRIBUTOR agrees that it and its employees, contractors and representatives shall comply with all applicable federal, state, county and local laws, rules and regulations including those related to operation of motor vehicles as of the Effective Date and as enacted thereafter. DISTRIBUTOR agrees that it and its employees and contractors shall perform in a professional, honest, ethical and safe manner.
- (b) DISTRIBUTOR agrees that it and its employees, contractors and representatives shall comply with all policies in effect at a BAKERY facility while on Bakery property.

6.6 **PERSONAL SERVICES OF DISTRIBUTOR NOT REQUIRED.** DISTRIBUTOR is free to engage such persons as DISTRIBUTOR deems appropriate to assist in performance of DISTRIBUTOR's obligations hereunder. DISTRIBUTOR shall have the exclusive right to select, fix the method and amount of compensation of, discipline, train, discharge and otherwise to manage, supervise and control all persons engaged by DISTRIBUTOR and shall with respect to all such persons, perform all obligations and discharge all liabilities under all laws, rules and regulations as of the Effective Date and enacted thereafter including those relating to labor, employment standards, wage/hour and wage payment requirements, worker's compensation, unemployment insurance, tax information and reports and/or withholding applicable payroll related taxes. DISTRIBUTOR in all events is responsible for ensuring that all persons engaged by DISTRIBUTOR comply fully with all the terms and conditions of this Agreement. Any breach of this Agreement by any person engaged by DISTRIBUTOR shall be deemed to be a breach by DISTRIBUTOR.

6.7 **OTHER ACTIVITIES AND CONFLICTS OF INTEREST.**

- (a) DISTRIBUTOR is free to engage in business and other activities, including selling other products, unless and except to the extent that such other activity is competitive with or could contaminate the Products, such other activity is inconsistent or interferes with the obligations of DISTRIBUTOR hereunder or such other activity presents a reasonable risk of harm to BAKERY's business, brands, or reputation.
- (b) Additionally, it is a conflict of interest if any of the following conditions exist while DISTRIBUTOR owns the Distribution Rights granted under this Agreement:
 - i. A shareholder/interest-holder of DISTRIBUTOR is employed by BAKERY or any competitive company or any parent, affiliate, or subsidiary of BAKERY or a competitive company;
 - ii. A family member of a shareholder/interest-holder of DISTRIBUTOR is employed by BAKERY or a competitive company or any parent, affiliate, or subsidiary of BAKERY or a competitive company; or
 - iii. Any person residing in the same dwelling as a shareholder/interest-holder of DISTRIBUTOR is employed by BAKERY or any competitive

company or any parent, affiliate, or subsidiary of BAKERY or a competitive company.

(c) For the avoidance of doubt, a conflict of interest shall constitute a breach of this Agreement.

6.8 **NO DISCRIMINATION, HARASSMENT OR RETALIATION.** DISTRIBUTOR agrees that in performance under this Agreement, including engaging employees, it and each employee, agent, representative and contractor of DISTRIBUTOR shall not intimidate, harass, retaliate or discriminate against any person by reason of gender, race, creed, color, age, disability, sexual orientation or any other characteristic protected by law. To the extent not exempt, DISTRIBUTOR shall abide by the requirements of 41 CFR Sections 60-1.4(a), 60-300.5(a) and 60-741.5(a). These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities and prohibit discrimination against all individuals based on their race, color, religion, sex or national origin. These regulations also require DISTRIBUTOR as a contractor to take affirmative action to employ and advance in employment individuals without regard to race, color, religion, sex, national origin, protected veteran status or disability.

6.9 **COMPUTER.** DISTRIBUTOR agrees to maintain a computer system(s) compatible with the ordering and sales systems maintained by BAKERY now and in the future. DISTRIBUTOR agrees to pay to BAKERY charges for computer supplies and services including paper, maintenance and modem service, if applicable, as such charges may change from time to time.

6.10 **CONFIDENTIAL INFORMATION.**

(a) As a result of this Agreement, DISTRIBUTOR will have access to and/or obtain certain information not available to the general public regarding BAKERY's and its affiliates' business, including pricing, new Product initiatives, marketing plans and facilities and operations ("Confidential Information"). DISTRIBUTOR acknowledges that the Confidential Information constitutes valuable trade secrets of BAKERY and DISTRIBUTOR agrees that it shall use BAKERY's Confidential Information solely in accordance with the provisions of this Agreement and it will not disclose, or permit the disclosure of same, directly or indirectly, to any third party without BAKERY's prior written consent. DISTRIBUTOR agrees to exercise due care in protecting the Confidential Information from unauthorized use and disclosure and shall require all of its employees, contractors and agents to do the same. DISTRIBUTOR shall have no responsibility for safeguarding any information that it can document in writing: (i) is in the public domain through no fault of its own; (ii) was properly known to it, without restriction, prior to disclosure by BAKERY; (iii) was properly disclosed to it, without restriction, by another person with the legal authority to do so; or (iv) was independently developed by DISTRIBUTOR without use or reference to BAKERY's Confidential Information. In the event DISTRIBUTOR is required to disclose Confidential Information pursuant to a judicial, administrative or legislative order or proceeding, DISTRIBUTOR shall provide to BAKERY prior notice of the intended disclosure in order to permit BAKERY an opportunity to respond, object or seek a protective order.

- (b) In the event that DISTRIBUTOR is granted access to the information systems of BAKERY and its affiliates, DISTRIBUTOR (i) agrees to keep confidential all Confidential Information accessed in or by such information systems, (ii) will not provide access to such information systems to any other person or entity, (iii) will not share the password(s) assigned, and (iv) will not use such information systems except as expressly authorized by BAKERY.

6.11 **INJUNCTIVE RELIEF**. Notwithstanding any other provision of this Agreement, in the event of actual or threatened breach of Section 6.9, DISTRIBUTOR acknowledges that monetary relief would be inadequate to compensate and/or protect BAKERY's interests and that BAKERY shall be entitled to immediate injunctive and other equitable and legal relief from a court of law or equity without bond and without the necessity of showing actual damage. BAKERY's prosecution of legal action is not and shall not constitute a breach of this Agreement or waiver of any of BAKERY's rights under this Agreement, including the Dispute Resolution provisions of Article 13. For the avoidance of doubt, BAKERY's right to seek injunctive relief and other equitable and legal relief from a court shall not be governed or in any way restricted or limited by the provision of said Article 13.

ARTICLE 7 – BUSINESS ENTITY AND PERSONAL GUARANTY

- 7.1 **DISTRIBUTOR AS BUSINESS ENTITY**: DISTRIBUTOR is executing this Agreement and shall operate and perform under this Agreement as a legally formed and maintained corporation. From the Effective Date through the date on which DISTRIBUTOR sells all of its Distribution Rights, DISTRIBUTOR warrants, represents to BAKERY and agrees:
- (a) the person signing this Agreement on behalf of DISTRIBUTOR has authority to bind DISTRIBUTOR and to submit to BAKERY a true and accurate copy of such written authorization at the time of signing and at such times as BAKERY may request from time to time;
 - (b) its incorporation documents shall provide that DISTRIBUTOR's purposes and activities include operating a business to offer and sell Products to Outlets within the Sales Area;
 - (c) it is and shall remain properly incorporated and in good standing under applicable law and shall, at DISTRIBUTOR's expense, submit to BAKERY a certificate of good standing issued by the state of incorporation within ten (10) days after the end of each calendar year and/or upon BAKERY's request from time to time;
 - (d) it has maintained and will maintain operating documents that impose transfer restrictions that give effect to Article 9 of this Agreement and each certificate representing an ownership interest in DISTRIBUTOR shall contain or conspicuously note upon its face a statement in a form satisfactory to BAKERY to the effect that any assignment or transfer of the certificate is subject to all restrictions this Agreement imposes on transfers; and

- (e) it will maintain a list of all record and beneficial owners of stock or other ownership interest in DISTRIBUTOR and furnish a current version of such list to BAKERY (i) at the signing of this Agreement, (ii) within five (5) days after any change of ownership interest, (iii) within ten (10) days of the end of each calendar year, and/or (iv) upon request by BAKERY from time to time.

7.2 **PERSONAL GUARANTY:** From the Effective Date through the date on which DISTRIBUTOR sells all of its Distribution Rights, GUARANTOR warrants, represents to BAKERY and agrees:

- (a) The books and records of DISTRIBUTOR shall reflect that the issuance and transfer of shares of stock or interests are restricted and that all stock certificates or evidence of interest shall bear a legend giving notice of such restriction and referring the reader to the terms of this Agreement;
- (b) The GUARANTOR shall act as DISTRIBUTOR's principal officer and shall personally guarantee the obligations imposed under this Agreement and all other agreements, including the Security Agreement, between the DISTRIBUTOR and BAKERY;
- (c) A copy of this Agreement shall be kept with official records of the DISTRIBUTOR entity;
- (d) The GUARANTOR agrees to be and remain personally and individually liable for the full performance of all obligations imposed by this Agreement and all other agreements between the DISTRIBUTOR and BAKERY and hereby also directly and unconditionally guarantees the full performance thereof by the DISTRIBUTOR;
- (e) The GUARANTOR agrees that this Agreement may be enforced by BAKERY without the necessity at any time of exhausting any other security or collateral now or hereafter securing the obligations, and the GUARANTOR waives the right to require BAKERY to pursue any other remedy or enforce any other right. The GUARANTOR further agrees that this Agreement may be enforced by BAKERY, without notice, by deducting all amounts due from GUARANTOR to BAKERY arising out of, related to or in connection with this guaranty, from monies in the possession of BAKERY due to DISTRIBUTOR or held by BAKERY for the account of DISTRIBUTOR;
- (f) The GUARANTOR hereby consents that from time to time, without notice to or further consent of the GUARANTOR, the payment, performance or observance of any or all of the obligations may be waived or the time of payment or performance thereof extended or accelerated, or renewed in whole or in part, and any collateral therefore may be exchanged, surrendered or otherwise dealt with as BAKERY may determine, all without affecting the liability of the GUARANTOR hereunder;
- (g) The GUARANTOR hereby waives presentment of any instrument, demand of payment, protest and notice of non-payment or protest thereof or of any exchange,

sale, surrender or other handling or disposition of collateral, and any requirement that BAKERY exhaust any right, power or remedy or proceed against the DISTRIBUTOR or against any other person under any other guaranty of, or security for, any of the obligations under this Agreement;

- (h) The GUARANTOR hereby further waives any defense whatsoever which might constitute a defense available to, or discharge of, the DISTRIBUTOR or any other guarantor. No payment by the GUARANTOR pursuant to any provision hereunder shall entitle the GUARANTOR, by subrogation to the rights of BAKERY or otherwise, to any payment by the DISTRIBUTOR (or out of the property of the DISTRIBUTOR) except after final payment in full of all sums (including interest, costs and expenses) which may be or become payable by the DISTRIBUTOR to BAKERY at any time or from time to time;
- (i) This shall be a continuing guaranty, and any other guarantor, and any other party liable upon or in respect of any obligation hereby guaranteed may be released without affecting the liability of the GUARANTOR;
- (j) In addition to the foregoing guaranty of the GUARANTOR, the GUARANTOR shall defend, indemnify and hold harmless BAKERY and its affiliates, and its and their officers, directors, employees, successors and assigns (BAKERY and such entities and persons, collectively, "Indemnified Persons"), and shall reimburse Indemnified Persons, for, from and against each and every demand, claim, loss (which shall include any diminution in value), liability, judgment, damage, cost and expense (including interest, penalties, fines, costs of preparation and investigation, and the reasonable fees, disbursements and expenses of attorneys, accountants and other professional advisors) imposed on or incurred by Indemnified Persons, directly or indirectly, relating from, arising out of or in connection with the DISTRIBUTOR's failure to pay, perform and observe all of the obligations in this Agreement (whether before or after the release, satisfaction or extinguishment of the obligations); and
- (k) GUARANTOR agrees, at all times until DISTRIBUTOR sells all of its Distribution Rights, to own in his/her individual capacity at least 51% or more of the equity of DISTRIBUTOR.

ARTICLE 8 – BAKERY OBLIGATIONS

- 8.1 **DELIVERY AND COOPERATION:** BAKERY shall use commercially reasonable efforts to deliver to DISTRIBUTOR the Products ordered by DISTRIBUTOR to supply Outlets requesting to purchase Product in the Sales Area, to assist in the development of new Outlets, to pursue the development of new Products, to assist in pursuing promotional opportunities in Outlets, to preserve and develop the quality and marketability of the Products and to cooperate with DISTRIBUTOR's sales efforts.
- 8.2 **SALES TO CHAINS – BAKERY AS REPRESENTATIVE:** DISTRIBUTOR and BAKERY acknowledge and agree that substantial opportunities for sales of Products to Outlets in the Sales Area depend on satisfying the needs and purchasing requirements of Chains that desire to purchase Products for multiple Outlets, including Outlets within the

Sales Area and Outlets outside of the Sales Area that may be served by other distributors of BAKERY or by BAKERY or its affiliates. Both DISTRIBUTOR and BAKERY acknowledge that many Chains, for their own convenience and efficiency, establish uniform prices and promotions and standard terms and conditions of sale. In order to accommodate the purchasing needs and requests of Chains, and thereby maximize the opportunity for DISTRIBUTOR to sell Products to the Chains' Outlets, DISTRIBUTOR hereby requests and agrees that BAKERY and its affiliates may engage in communications with Chains, address subjects such as uniform prices and promotions, service requirements of Chains, standard terms and conditions of sale, centralized billing and similar matters pertaining to the sale and delivery of Products to the Chains' Outlets and hereby appoints BAKERY and its affiliates to act as its non-exclusive Representative. The Representative relationship between BAKERY and DISTRIBUTOR is strictly limited to negotiating commercially reasonable prices, promotions, terms, conditions and authorizations for the sale of Products to Chains, and providing DISTRIBUTOR information regarding Chain authorized prices, promotions and terms and conditions to sell Products in their Outlets. DISTRIBUTOR RETAINS THE RIGHT TO NEGOTIATE PRICES AND TERMS DIRECTLY WITH A CHAIN AND TO SELL PRODUCTS TO THE CHAIN AT WHATEVER PRICES AND TERMS DISTRIBUTOR CAN NEGOTIATE. DISTRIBUTOR may revoke the designation of BAKERY as DISTRIBUTOR's Representative at any time on thirty (30) days written notice. Nothing herein requires BAKERY or DISTRIBUTOR to pay slotting allowances or other fees or charges imposed to obtain Product authorization in Chain Outlets.

ARTICLE 9 – SALE OF DISTRIBUTION RIGHTS

9.1 CONDITIONS OF SALE:

- (a) The Distribution Rights may be sold in whole or in part by DISTRIBUTOR, or in the event of the death of the principal stockholder or majority interest holder of the DISTRIBUTOR, by a legal representative of such stockholder or interest holder's estate to a qualified purchaser, provided that any such sale shall be subject to:
 - (i) the approval of BAKERY which approval will not be unreasonably withheld. For the avoidance of doubt, a reasonable basis to deny approval shall include, but is not limited to, (x) a proposed sale not being an arm's length transaction, such as a sale to a relative or household member of any of DISTRIBUTOR's shareholders or interest owners; or (y) a proposed partial sale that divides the Distribution Rights in such a manner as to leave the unsold Distribution Rights financially unviable as a going concern. In the event that BAKERY does not approve the sale, it shall notify DISTRIBUTOR in writing of the reason for denying approval, and
 - (ii) a right of first refusal by BAKERY on the same terms and conditions offered to DISTRIBUTOR or DISTRIBUTOR's estate (the "Offer") by a bona fide purchaser (the "Offeror").

- (b) For the avoidance of doubt, BAKERY's denial of approval shall not require BAKERY to exercise its right of first refusal. For the avoidance of further doubt, BAKERY's right of first refusal applies only to the Distribution Rights offered for sale by DISTRIBUTOR and does not apply to or require BAKERY to purchase other distribution assets including a vehicle and computer equipment that may be part of an Offer. In the event that BAKERY exercises its right of first refusal, it may substitute cash in lieu of any installment payment terms that are part of the Offer. For purposes of this Agreement, a qualified purchaser shall be a business entity properly organized and in good standing under applicable law, having the ability and experience to operate a distribution business, and which does not otherwise threaten the trademarks, operations and/or commercial reputation of BAKERY or its affiliates as determined by BAKERY based on its business judgment from information available to BAKERY including the status and history of such entity and that of its owners as determined by credit, driving, criminal and other background checks, as well as any history of business interactions with BAKERY or its affiliates.
- (c) In the event of a proposed sale of the Distribution Rights following termination of this Agreement for good cause, BAKERY may deny approval of such sale provided it has a reasonable basis to do so. For purposes of this Section, an example of a reasonable basis for BAKERY to deny approval of sale may include, but is not limited to, a proposed sale that does not result in the complete termination of all financial, operating, ownership, and other interests in the Distribution Rights by DISTRIBUTOR and its owners.

9.2 **BAKERY REVIEW OF OFFER.** BAKERY shall notify DISTRIBUTOR of its approval, denial of approval or intent to exercise its right of first refusal within 14 business days after the latest of the following events to occur:

- (a) Receipt by BAKERY of a written notice of intent to sell to a named Offeror on terms and conditions fully set forth in such notice signed by both DISTRIBUTOR and Offeror. Such disclosure shall include whether the owners of DISTRIBUTOR and Offeror are related and the source of the Offeror's down payment (and financing terms thereof, if applicable);
- (b) A personal interview by a BAKERY representative of the Offeror's management and each person who owns a controlling interest of the Offeror; and
- (c) Receipt by BAKERY of the Offeror's then current completed application package required of those seeking to become a DISTRIBUTOR, the Offeror's current financial statements, such additional information as is relevant concerning the Offeror's and those who own a controlling interest in Offeror financial condition, credit, criminal history, driving records, other matters reasonably appropriate to BAKERY in its determination, and approval of a purchase money loan for Offeror from each financial institution sponsored by DISTRIBUTOR if Offeror applies for such financing.

If the time for BAKERY to act expires, DISTRIBUTOR may consummate the sale to the Offeror on the terms of the Offer; provided, (i) such action or inaction will not eliminate

or in any way affect BAKERY's right of approval, denial of approval or its right of first refusal on future sales of the Distribution Rights, and (ii) if no sale to the Offeror is consummated on the terms of the Offer within 45 days after the expiration of BAKERY right to approve, deny approval or right of first refusal, all of the provisions of this Section 9.2 shall reapply.

9.3 **SALE OF STOCK/OWNERSHIP INTEREST.** The transfer of a controlling interest in DISTRIBUTOR is deemed a transfer of the Distribution Rights and is subject to all of the terms and conditions of this Article 9. "Controlling interest" shall mean an interest large enough to enable the interest holder to cast enough votes to change the management or policies of the business entity.

9.4 **CLOSING OF SALE.** At or prior to completing a sale of Distribution Rights, in whole or in part, to an Offeror or BAKERY,

(a) DISTRIBUTOR shall pay to BAKERY a transfer fee in an amount equal to two percent (2%) of the sale price of the Distribution Rights in consideration for the administrative activities performed by BAKERY and its affiliates in connection therewith.

(b) BAKERY and DISTRIBUTOR shall settle DISTRIBUTOR's settlement account as of the closing date. DISTRIBUTOR shall pay BAKERY the following sums: (i) any monies owed by DISTRIBUTOR to BAKERY, (ii) a reasonable escrow against open accounts, including, amounts related to scan based trading operations, in the amounts reasonably determined by BAKERY, (iii) all reasonable costs and expenses in connection with the sale (including without limitation the cost of removing any Overcode or damaged Products in DISTRIBUTOR's Sales Area), and (iv) any outstanding debts, liens or other obligations pertaining to the Distribution Rights that DISTRIBUTOR owes to BAKERY and its affiliates and/or third parties, unless, in the case of a sale or transfer to an Offeror, the Offeror agrees, and is permitted, to assume the outstanding debts, liens or other obligations that DISTRIBUTOR owes to BAKERY and its affiliates and/or third parties. All such amounts may be deducted from the proceeds of the sale of Distribution Rights.

(c) DISTRIBUTOR shall return to BAKERY any BAKERY-owned property in DISTRIBUTOR's possession pertaining to, or used in connection with, the Distribution Rights, including Bakery Equipment.

(d) In the event of the sale of all of DISTRIBUTOR's Distribution Rights, this Agreement shall terminate concurrently upon the closing date provided, however, the parties shall remain bound by the provisions of this Agreement that are intended to survive termination including indemnification, confidentiality, trademarks and Article 13.

9.5 **CANCELLATION OF GUARANTY.** Upon the final settlement of DISTRIBUTOR's account with BAKERY, the receipt by BAKERY and its affiliates of all sums and performance due to it, BAKERY shall discharge the Guarantor and cancel the personal guaranty. Until payment of all amounts and performance of all obligations due to

BAKERY and its affiliates, the Guarantor shall remain liable for the sums owed to BAKERY and its affiliates notwithstanding the termination of this Agreement.

- 9.6 **SALE DOCUMENTS.** Upon the sale by or for the account of DISTRIBUTOR as described in this Article, DISTRIBUTOR must execute an appropriate bill of sale to the purchaser, and a general release terminating, canceling and surrendering DISTRIBUTOR's rights under this Agreement and releasing any and all claims against BAKERY and its affiliates and its and their officers, directors, shareholders, employees, successors and assigns arising under or out of or in any way related to this Agreement, and BAKERY agrees to enter into a new Distribution Agreement with the purchaser in the form of agreement then being used by BAKERY.
- 9.7 **DEATH.** In the event of the death of the principal shareholder or holder of the majority interest in DISTRIBUTOR, BAKERY may require the DISTRIBUTOR to sell the Distribution Rights. If the DISTRIBUTOR does not sell such Distribution Rights within a period of 90 calendar days from the date on which BAKERY requires it to do so, BAKERY has the right to sell the Distribution Rights to a qualified purchaser. Any such sale shall be for the account of DISTRIBUTOR, and the proceeds of the sale, after deducting therefrom any monies owed by DISTRIBUTOR to BAKERY and/or its affiliates, all reasonable costs and expenses in connection with the sale (including the cost of removing any Overcode or damaged Products in DISTRIBUTOR's Sales Area) and the satisfying of any outstanding debts, liens, security interests, legal fees and similar expenses, will be turned over to DISTRIBUTOR.
- 9.8 **DISTRIBUTOR BUY BACK RIGHTS/BAKERY PURCHASE RIGHTS.** In the event that BAKERY has agreed to enter into a Buy Back Agreement with DISTRIBUTOR which allows DISTRIBUTOR to sell the Distribution Rights to Bakery for any reason or no reason within a specified time period for a specified sale price, or a price to be determined by a formula or method of calculation set forth therein, such Buy Back Agreement is attached as Schedule C. In the event that DISTRIBUTOR and BAKERY have entered into a Buy Back Agreement which allows BAKERY to purchase all or part of the Distribution Rights from DISTRIBUTOR for any reason or no reason for a specified purchase price, or a price to be determined by a formula or method of calculation set forth therein, such Buy Back Agreement is attached as Schedule C. In the case of either or both Buy Back Agreements, the terms and conditions of Sections 9.4, 9.5 and 9.6 shall apply to such sale(s).

ARTICLE 10 – SERVICE FAILURES AND CHANGES

- 10.1 **PARTIAL ABANDONMENT.** If DISTRIBUTOR fails to sell Product and provide service to any Outlet in the Sales Area for any reason, and such failure is not remedied within three (3) days after receipt of written notice thereof, then, in addition to any other lawful rights and remedies BAKERY may have, it may deem such Outlet abandoned and may make other arrangements for the service thereof, or convey, assign or sell the Distribution Rights to such Outlet to another person or entity and DISTRIBUTOR is not entitled to any proceeds derived from such service or proceeds in connection with the sale of Distribution Rights to such Outlet. Unless and until the Distribution Rights to such

Outlet are sold to another person, nothing in this provision relieves DISTRIBUTOR of any obligation imposed by this Agreement, and DISTRIBUTION remains responsible to sell Product and provide service to the Outlet under the terms of this Agreement.

- 10.2 **TEMPORARY SERVICE BY BAKERY.** If DISTRIBUTOR is not able to or does not perform any of the obligations imposed by this Agreement, DISTRIBUTOR must make other adequate provision for such performance at DISTRIBUTOR's expense. If no such provision is made, BAKERY, within the limits of its ability to do so, may make arrangements to have the obligations performed for the account of DISTRIBUTOR, charging to DISTRIBUTOR the expenses of such performance which DISTRIBUTOR agrees to pay. Such temporary performance does not relieve DISTRIBUTOR of any of the obligations imposed by this Agreement, constitute an assumption by BAKERY of any obligations of DISTRIBUTOR or constitute a cure of any breach by DISTRIBUTOR. DISTRIBUTOR acknowledges that BAKERY's expenses and costs to operate (including short term labor and vehicle arrangements) will likely be higher than the expenses and costs of DISTRIBUTOR.
- 10.3 **CHANGE IN DELIVERY METHOD.** In the event of delivery of the Products to an Outlet by any method other than Direct Store Delivery, BAKERY or its affiliates shall be permitted to make other arrangements to serve such Outlet, which service shall not constitute a violation of DISTRIBUTOR's rights hereunder or a breach of this Agreement by BAKERY and DISTRIBUTOR is not entitled to any proceeds derived from such service. However, DISTRIBUTOR shall continue to own those Distribution Rights to the Outlet.
- 10.4 **NON-DSD SUPPORT SERVICES.**
- (a) If BAKERY or its affiliates sells Products to a Chain by any method other than Direct Store Delivery, including warehouse, "drop ship" and/or pallet programs, BAKERY may offer DISTRIBUTOR the opportunity to perform specific support services at Outlets of the Chain within the Sales Area that may include restocking Products and performing other merchandising with respect to Products (the "Support Services"). If DISTRIBUTOR declines to perform the specific Support Services, BAKERY may make other arrangements to perform the specific Support Services and DISTRIBUTOR shall have no right to payment for such Product sales. If DISTRIBUTOR agrees to perform Support Services, BAKERY and DISTRIBUTOR shall mutually agree in writing upon the compensation payable to DISTRIBUTOR for performing the specific Support Services.
- (b) At any time and for any reason, BAKERY may request that DISTRIBUTOR perform additional or different Support Services for Outlets of a Chain within the Sales Area, or accept a different rate of compensation for performing Support Services at Outlets of a Chain. BAKERY shall notify DISTRIBUTOR of the changes that it intends to make at least thirty (30) calendar days before the date that BAKERY establishes for the change to take effect. Reasonably promptly after receiving BAKERY's notice, and before the date indicated in BAKERY's notice for the changes to take effect, DISTRIBUTOR shall notify BAKERY in writing if DISTRIBUTOR accepts the

changes identified in BAKERY's notice and will continue to perform the specific Support Services requested by BAKERY on the modified terms identified in BAKERY's notice. The parties recognize that it will take BAKERY some time to make alternative arrangements for performing Support Services at Outlets of a Chain within the Sales Area if DISTRIBUTOR is unwilling to accept the changes identified in BAKERY's notice. Therefore, the parties agree that DISTRIBUTOR's failure to notify BAKERY of its decision before the date indicated in BAKERY's notice for the changes to take effect shall constitute DISTRIBUTOR's decision not to accept the changes and not to perform the specific Support Services on the modified terms.

- (c) At any time and for any reason, BAKERY may discontinue Support Services at all, or to specific, Outlets of a Chain within the Sales Area. BAKERY shall notify DISTRIBUTOR reasonably promptly that Support Services will be discontinued at all, or specific Outlets, of a Chain within the Sales Area, and the effective date of discontinuance.
- (d) DISTRIBUTOR may discontinue performing specific Support Services requested by BAKERY at any time and for any reason effective upon no less than thirty (30) calendar days prior written notice to BAKERY.

ARTICLE 11 – TERMINATION

- 11.1 **GOOD CAUSE.** Except as set forth in Article 3 relating to non-renewal of the Agreement and/or for good cause, or upon the sale of all of the DISTRIBUTOR's Distribution Rights, this Agreement may not be terminated, provided DISTRIBUTOR carries out the terms hereof. If DISTRIBUTOR breaches any obligations or covenants under this Agreement or any other agreement with BAKERY or its affiliates, BAKERY may terminate the Agreement as set forth below.
- 11.2 **NON-CURABLE BREACH.** BAKERY may terminate this Agreement for good cause effective immediately upon written notice and DISTRIBUTOR shall have no right to cure upon, or any time after. Good cause includes occurrence of any of the following events, each of which constitutes a "Non-Curable Breach":
 - (a) DISTRIBUTOR fails to timely cure any Curable Breach,
 - (b) DISTRIBUTOR chronically breaches the Agreement as provided in Section 11.3,
 - (c) DISTRIBUTOR acts, or fails to act, in any matter that threatens public health or safety, or threatens to do significant harm to BAKERY or its affiliates, their trademarks, operations or commercial reputation,
 - (d) DISTRIBUTOR engages in any act of dishonesty, violence or threat of violence, fraud, or unlawful or criminal activity (whether or not a prosecution is commenced or conviction obtained),
 - (e) DISTRIBUTOR makes a material misrepresentation to BAKERY to obtain BAKERY's approval of DISTRIBUTOR as a qualified purchaser and/or to induce

BAKERY to enter into this Agreement and/or to obtain a purchase money loan under a BAKERY sponsored loan program,

- (f) Default and/or material breach of the Security Agreement and/or any other agreement with BAKERY.

11.3 **CURABLE AND CURABLE BREACH.** In the event of any breach of this Agreement by DISTRIBUTOR other than under Section 11.2 (“Non-Curable Breach”), BAKERY shall give DISTRIBUTOR written notice of such breach and DISTRIBUTOR shall have three (3) days to cure the breach, provided the parties agree that repeated Curable Breaches constitute a chronic breach and threaten significant harm to BAKERY, its trademarks, operations or commercial reputation, and, in such event, BAKERY is entitled to terminate this Agreement pursuant to Section 11.2 and DISTRIBUTOR shall have no further right to cure. Chronic breach shall mean no less than four (4) Curable Breaches in any rolling eight (8) month period or less provided that for the purpose of determining a chronic breach, the Curable Breaches need not be the same type of Curable Breach nor related.

11.4 **ACTIONS FOLLOWING TERMINATION.**

- (a) Termination of this Agreement entitles BAKERY to operate the business for the account of the DISTRIBUTOR, deducting from the revenues generated the expenses of such performance and delivering the balance, if any, to DISTRIBUTOR. In the event that the expenses are more than revenues, expenses will be deducted from the proceeds of the sale of the Distribution Rights. DISTRIBUTOR acknowledges that BAKERY expenses and costs of operation (including short term labor and vehicle arrangements) will likely be higher than the expenses and costs of DISTRIBUTOR. DISTRIBUTOR acknowledges that costs may include the cost of removing any Overcode and damaged Product in Outlets in DISTRIBUTOR’s Sales Area.
- (b) Termination of this Agreement requires DISTRIBUTOR to sell the Distribution Rights, and in the event that DISTRIBUTOR has not consummated a sale pursuant to Article 9 to a qualified purchaser within 90 calendar days of the date of termination, BAKERY is authorized to sell DISTRIBUTOR’s Distribution Rights for the account of DISTRIBUTOR to a purchaser at their fair market value after deducting from the sale price any amounts due to BAKERY and its affiliates including the cost and expenses of such sale. Said sale shall be for the account of the DISTRIBUTOR pursuant to Section 9.7. In the event that BAKERY is unable to obtain an offer for the Distribution Rights, it may on notice to DISTRIBUTOR purchase the Distribution Rights for their fair market value as such value is determined as of the effective date of termination of this Agreement. In the event that the revenues are not sufficient to pay operating and/or sale expenses, BAKERY may deduct such expenses from the proceeds of the sale of Distribution Rights. In the event that revenues and proceeds are not sufficient, DISTRIBUTOR shall be liable to BAKERY and agrees to make payment to BAKERY on demand. In the case of any termination of this Agreement for cause, non-renewal or otherwise, the parties shall remain bound by the terms and conditions of this Agreement which expressly, or by their nature, require performance after termination.

ARTICLE 12 – TRADEMARKS, TRADE NAMES AND SOFTWARE

- 12.1 **PERMISSION FOR USE**. Subject to the terms of this Agreement, BAKERY hereby grants to DISTRIBUTOR a limited, non-transferable, non-exclusive right, in the Sales Area only, to use the trademarks and trade names set forth on Schedule B and any other trademarks, trade names or graphical designations on the packaging of the Products sold by BAKERY or its affiliates to DISTRIBUTOR hereunder (the “Marks”), solely to identify the Products and to identify DISTRIBUTOR as a distributor of the Products. Other than expressly set forth in this Agreement, DISTRIBUTOR is granted no rights in the Marks. BAKERY may, at any time, for any reason, in its sole discretion, change, modify or discontinue using any of the Marks.

DISTRIBUTOR acknowledges that the Marks are the exclusive property of BAKERY or its affiliates, or, if applicable, the licensor(s) thereof, as the case may be (the “Owners”), and DISTRIBUTOR agrees that it will not dispute or contest the exclusive right, title and interest of the Owners in, or the validity of, any of the Marks, or assist others in doing same. DISTRIBUTOR acknowledges that it does not have, and will not acquire, any right, title or interest or any claim, monetary or otherwise, in any of the Marks or in the goodwill now or hereafter attaching thereto, and that all such goodwill inures solely to the benefit of the Owner of each Mark.

DISTRIBUTOR agrees that it shall not use any of the Marks in any corporate title or trade name of the business of the DISTRIBUTOR, or with which the DISTRIBUTOR may become affiliated or related through ownership or otherwise.

DISTRIBUTOR agrees to only use the Marks in the manner specified in this Agreement and solely in connection with its sale, marketing and distribution of the Products. DISTRIBUTOR agrees not to package or distribute any other product bearing the Marks or otherwise display or use any Marks or any portion thereof or any other marks or designs confusing therewith on the packaging or labeling for any other product. DISTRIBUTOR agrees that it will not tamper with any of the Marks or other written matter or graphical designations on the packaging of the Products sold by BAKERY or its affiliates to DISTRIBUTOR hereunder and will not otherwise modify or change the packaging thereof in any way. Any marketing or promotional material proposed to be used by DISTRIBUTOR which references or uses the Marks (other than marketing or promotional material supplied to DISTRIBUTOR by BAKERY or any of the Owners) must be submitted in advance to BAKERY for approval, and said material may not be used without the prior written consent of BAKERY.

- 12.2 **RETURN UPON TERMINATION**. Upon the termination of this Agreement or of DISTRIBUTOR’s right to use any of the Marks, DISTRIBUTOR shall immediately cease its use of the Marks and not thereafter use any trademarks, trade names or other designations associated with or confusingly similar to said Marks, or many any representations, directly or indirectly, that it continues to sell and distribute products bearing said Marks.

- 12.3 **ENFORCEMENT OF MARKS.** DISTRIBUTOR agrees to notify BAKERY of any known infringement or threatened infringement of or challenge to any of the Marks in the Sales Area and to reasonably cooperate with BAKERY and its affiliates in any legal action relating to enforcement of rights in the Marks. BAKERY, its affiliates and/or its licensor shall have the exclusive right to control any legal action regarding enforcement of rights in the Marks and BAKERY, its affiliates and/or its licensor will bear the cost and expense of any legal action and be entitled to any recovery associated with such legal action.
- 12.4 **QUALITY ASSURANCES.** BAKERY or its affiliates and its and their representatives shall have access, upon reasonable notice and during regular business hours, to the DISTRIBUTOR's facilities, including DISTRIBUTOR's delivery vehicle, in order to inspect the Products bearing the Marks, and take samples of any Products, and/or for any other reasonable purpose, including inspecting and locating Bakery Equipment. Any deficiencies in the quality of the Product must, at BAKERY's option, be destroyed at the expense of the DISTRIBUTOR, or returned to BAKERY and destroyed.
- 12.5 **SOFTWARE SYSTEMS.** Subject to the terms of this Agreement, BAKERY grants a limited personal, non-transferable and non-exclusive license to load and use any proprietary software systems and programs developed by BAKERY or its affiliates for route sales ordering and accounting, as same may be amended or modified from time to time. DISTRIBUTOR agrees to use the software solely to perform its obligations under this Agreement and for no other purpose. DISTRIBUTOR acquires no other interest or right in the software, other than this limited license and agrees not to attempt to modify, decompile, disassemble or otherwise reverse engineer the software or request or authorize any other person to do so for any reason whatsoever. DISTRIBUTOR agrees not to transfer the subject software to any third party.
- 12.6 **INJUNCTIVE RELIEF.** Notwithstanding any other provision of this Agreement, in the event of actual or threatened breach of this Article 12, DISTRIBUTOR acknowledges that monetary relief would be inadequate to compensate and/or protect BAKERY's interests and that BAKERY shall be entitled to immediate injunctive and other equitable and legal relief from a court of law or equity without bond and without the necessity of showing actual damage. BAKERY's prosecution of legal action is not and shall not constitute a breach of this Agreement or a waiver of any of BAKERY's rights under this Agreement, including the Dispute Resolution provisions of Article 13. For the avoidance of doubt, BAKERY's right to seek injunctive and other equitable and legal relief from a court shall not be governed or in any way restricted or limited by the provisions of said Article 13.

ARTICLE 13 – DISPUTE RESOLUTION

- 13.1 **DISPUTE RESOLUTION PROCESS – EXCLUSIVE PROCESS.** Except with respect to any Excluded Dispute (defined below) and as otherwise expressly provided in this Agreement, the parties agree that the provisions of this Article 13 are the sole and exclusive method by which any party will pursue any remedy for any Covered Dispute (defined below) (the "Mandatory Dispute Resolution Process"). The commencement of any dispute resolution procedure does not prevent BAKERY from taking any action

(other than filing a lawsuit) which may be the subject of the Dispute, including without limitation taking over all or part of the operation of DISTRIBUTOR's Distribution Rights and/or exercising its rights to purchase Distribution Rights from DISTRIBUTOR, or an associated estate, via a right of first refusal or buy-back right granted in this Agreement.

- 13.2 **DISPUTE INITIATION – NOTICE & INFORMAL RESOLUTION.** In the event of any Covered Dispute the party initiating the Dispute must provide written notice to the other party describing the nature of the Dispute within sixty (60) calendar days of the date on which facts respecting the Dispute first come to the party's attention. In the event applicable law prohibits a sixty (60) day limitation, the party must nevertheless provide written notice of a Dispute within the applicable statute of limitations period. The parties have sixty (60) calendar days thereafter to attempt to informally resolve the Dispute.
- 13.3 **BINDING MUTUAL ARBITRATION.** If the parties are unable to resolve a Covered Dispute through informal resolution, the party initiating the Covered Dispute must initiate **mandatory binding arbitration**, by filing a complaint on an individual basis with the American Arbitration Association ("AAA"). The party must file the complaint **within sixty (60) days** following the conclusion of the informal resolution process and such complaint shall be limited to the cause(s) of action within the scope of the notice of the Covered Dispute provided in accordance of Section 13.2. Notwithstanding the previous sentence, in the event applicable law prohibits a sixty (60) day limitation, the party initiating the dispute must in all cases file a complaint with AAA within the applicable statute of limitations period. The arbitration agreement set forth in this Article shall be governed by the Federal Arbitration Act (the "FAA") and the law of the state in which the Dispute arose, to the extent such state law is not inconsistent with the FAA. This agreement to arbitrate applies with respect to all Covered Disputes, whether initiated by DISTRIBUTOR or BAKERY.
- 13.4 **TIME FAILURES CONSTITUTE WAIVER. FAILURE BY EITHER PARTY TO PROVIDE TIMELY WRITTEN NOTICE OF ANY COVERED DISPUTE TO THE OTHER PARTY, OR TO TIMELY SUBMIT A COVERED DISPUTE TO ARBITRATION (collectively referred to as "TIME FAILURE") IS DEEMED TO BE A FULL AND COMPLETE WAIVER OF SUCH DISPUTE, AND ANY CLAIM OF LIABILITY, REMEDY OR DAMAGES IS FOREVER WAIVED BY THE COMPLAINING PARTY, REGARDLESS OF MERIT. Time Failure does not alter the applicability of the Mandatory Dispute Resolution Process to any Covered Dispute. The determination of whether a Party timely provided written notice of any Covered Dispute, or timely submitted to arbitration is the exclusive decision of the arbitrator.**
- 13.5 **BUSINESS JUDGMENT.** The parties hereto agree, and any arbitrator or judge is affirmatively advised, that this Agreement reserves to BAKERY the right to take (or refrain from taking) certain actions in the exercise of its business judgment based on its good faith assessment of overall best interests of a distribution system throughout the U.S. Where such discretion has been exercised in good faith, and is supported by the good faith reasonable business judgment of BAKERY, no arbitrator nor a judge shall substitute his or her judgment of what may be reasonable under the circumstances for the good faith reasonable business judgment exercised by BAKERY. The parties agree that

if BAKERY's judgment complies with the requirements of this Section, it shall not be replaced by the judgment of an arbitrator or judge even though other reasonable alternatives to BAKERY's reasonable business judgment may exist.

- 13.6 **COVERED DISPUTES.** Except for the Excluded Disputes (defined below), Covered Disputes include any and all Disputes between DISTRIBUTOR and BAKERY, including claims arising out of or in any way relating to this Agreement and claims relating to any assertion of any employment relationship between DISTRIBUTOR (and/or its employees, contractors, owners or representatives) and BAKERY and/or its affiliates, including contract, tort, defamation and other common law claims, wage and hour and/or wage payment claims, unfair competition claims, statutory discrimination, harassment, and retaliation claims, and claims arising under or relating to any federal, state or local constitution, statute or regulation, now or hereafter recognized.
- 13.7 **EXCLUDED DISPUTES.** The following Disputes are not subject to the Mandatory Dispute Resolution Process set forth in this Article: (i) claims relating to specific performance under this Agreement; (ii) claims or cross-claims relating to indemnification or subrogation of third-party claims (including claims by or against employees and/or contractors of DISTRIBUTOR); (iii) applications for temporary or preliminary injunctive relief in aid of arbitration or for the maintenance of the status quo pending arbitration; (iv) claims related to use or misuse of trade names, trademarks, or intellectual property; (v) claims related to use or misuse of alleged Confidential Information, including confidential trade secrets and proprietary business information; and (vi) any claim that is expressly precluded from arbitration under applicable law. Nothing set forth herein waives DISTRIBUTOR's right to file a charge or complaint with or to cooperate with any federal, state, or local administrative agency; however, any Covered Dispute that is not resolved through the federal, state or local administrative agency proceeding must be submitted to arbitration in accordance with this Article, except where expressly precluded by a federal statute or regulation. DISTRIBUTOR has the right to challenge the validity of this Article on any grounds that may exist in law or equity, and BAKERY shall not engage in any retaliatory actions against DISTRIBUTOR in the event it chooses to challenge the validity of this Article. However, BAKERY reserves the right to attempt to enforce this agreement in any appropriate forum.
- 13.8 **WAIVER.** TO THE MAXIMUM EXTENT PERMITTED BY LAW, DISTRIBUTOR AGREES ON ITS BEHALF AND ON BEHALF OF ITS OWNERS TO WAIVE ANY RIGHT TO: (I) INITIATE OR MAINTAIN ANY COVERED DISPUTE ON A CLASS ACTION BASIS OR COLLECTIVE ACTION BASIS, EITHER IN COURT OR IN ARBITRATION, AGAINST BAKERY AND/OR ANY OF ITS AFFILIATES OR RELATED COMPANIES (INCLUDING ITS AND THEIR OFFICERS, DIRECTORS, EMPLOYEES AND AGENTS); (II) SERVE OR PARTICIPATE IN THE FUTURE AS A REPRESENTATIVE OF ANY SUCH CLASS ACTION OR COLLECTIVE ACTION; (III) SERVE OR PARTICIPATE IN THE FUTURE AS A MEMBER OF ANY SUCH CLASS ACTION OR COLLECTIVE ACTION; OR (IV) RECOVER ANY RELIEF FROM ANY SUCH CLASS ACTION OR COLLECTIVE ACTION. DISTRIBUTOR further agrees that if it is included within any such class or collective action, it will take all steps necessary to opt-out of the action or refrain from opting in, as the case may be. The parties hereto further agree that this waiver shall also apply to any representative actions, except to the extent not permitted by applicable law (such as

California PAGA representative actions to the extent applicable statutory or common law does not permit waiver of such actions).

DISTRIBUTOR further agrees that no arbitrator shall have authority to: (i) order, authorize, or permit any notice or information about an arbitration or any claims or defenses in an arbitration to be sent to any class or representative group of persons other than the parties to the individual arbitration, provided that any party or the arbitrator may compel testimony of a witness or the production of documents, material or information consistent with applicable arbitration rules; or (ii) order or require either party to produce any kind of contact information for any class or representative group of current or former distributors of BAKERY or its affiliates. The arbitrator only has authority to allow a Covered Dispute to be decided in arbitration on an individual basis.

Any issue concerning the validity or enforceability of the waiver in this Article (including the prohibition against class, collective or representative action arbitration) shall be decided by a court of competent jurisdiction applying Pennsylvania law, and no arbitrator shall have any authority or consider or decide any issue concerning the validity or enforceability of the waiver. Any issue concerning arbitrability of a particular issue or claim pursuant to the arbitration agreement (except for those concerning the validity or enforceability of the waiver) must be resolved by the arbitrator, not the court.

- 13.9 **SELECTION AND RULES.** Except as specified below, DISTRIBUTOR and BAKERY agree that any arbitration of a Covered Dispute will be resolved by final and binding arbitration conducted pursuant to the FAA and under the auspices of the AAA and its Commercial Arbitration Rules (“AAA Commercial Arbitration Rules” available at www.adr.org), or any successor rules, and shall be conducted before a single arbitrator unless all parties to the arbitration agree otherwise in writing. DISTRIBUTOR and BAKERY agree that the arbitration shall be held in or near the county in which DISTRIBUTOR operated under this Agreement, or in any other mutually agreed location. To the extent any of the terms, conditions or requirements of this Article conflict with the AAA Commercial Arbitration Rules or other applicable rules, the terms, conditions and requirements of this Article shall govern. Arbitrators are required to issue a written award and opinion, and their awards shall be final and binding, and any judgment or award issued by an arbitrator may be entered in any court of competent jurisdiction. The arbitration shall be subject to the same burdens of proof and statutes of limitations as if the Covered Dispute was being heard in federal district court, and the parties may file and the arbitrator shall hear and decide at any point in the proceedings any motion permitted by the Federal Rules of Civil Procedure, including motions to compel discovery, motions for protective orders, motions to dismiss, motions for summary judgment, and motions in limine. No arbitration award or decision will have any preclusive effect as to any issues or claims in any Dispute, arbitration, or court proceeding where any party was not a named party in the arbitration.
- 13.10 **REMEDIES.** Subject to the parties’ right to appeal or seek vacatur under applicable law, the parties acknowledge and agree that the decision of the arbitrator will be final and binding on the parties and that the arbitrator is authorized to award any party the full remedies that would be available to such party if the Covered Dispute had been filed in a court of competent jurisdiction, including actual and reasonable attorneys’ fees and costs, if any. The parties acknowledge and agree that as part of a party’s costs, it may recover

expert fees incurred to the same extent as it could in court. DISTRIBUTOR acknowledges and agrees that, subject to any applicable fee-shifting provisions, it shall be responsible for the filing fee required to institute arbitration with the AAA up to the amount of the filing fee it would have incurred had it filed such Covered Dispute(s) in federal district court. BAKERY shall be responsible for all additional arbitration filing fees, forum fees, and other fees and costs assessed by the AAA, subject to the arbitrator's exercise of its authority to award BAKERY costs and fees as the prevailing party or for other equitable reasons. Unless the arbitrator decides otherwise, DISTRIBUTOR shall be responsible for its own attorneys' fees and costs.

13.11 **LIQUIDATED DAMAGES.** DISTRIBUTOR ACKNOWLEDGES AND AGREES THAT IF IT IS DETERMINED BY A COURT OF COMPETENT JURISDICTION THAT DISTRIBUTOR BREACHED THIS ARTICLE BY ATTEMPTING TO PROSECUTE A COVERED DISPUTE IN A FORUM OTHER THAN ARBITRATION UNDER THIS ARTICLE, DISTRIBUTOR SHALL OWE BAKERY LIQUIDATED DAMAGES IN THE AMOUNT OF \$10,000. THESE LIQUIDATED DAMAGES SHALL BE IN ADDITION TO ANY EQUITABLE OR LEGAL REMEDIES WHICH BAKERY MAY HAVE FOR DISTRIBUTOR'S BREACH OF THIS ARTICLE.

13.12 **SEVERABILITY.** Without limiting any general severability provision of this Agreement, the Parties understand and agree that if a court or arbitrator invalidates or refuses to enforce any term or portion of this Article, the remainder of this Article shall not be affected by such invalidity or unenforceability but shall remain in full force and effect, except that if any portion of the class or collective action waiver is found invalid or unenforceable, in no event shall a court or arbitrator order arbitration on a class or collective basis. Instead, if the class or collective action waiver is found unenforceable, the class or collective claim shall be litigated in Court.

ARTICLE 14 – OTHER TERMS & CONDITIONS

14.1 **NO IMPLIED RIGHTS.** DISTRIBUTOR understands that this Agreement grants DISTRIBUTOR no other rights, either implied by course of conduct or otherwise, to distribute or sell Products. BAKERY reserves for itself and its affiliates all rights not expressly made a part of this Agreement. BAKERY's rights within the Sales Area include (i) the right to sell all products other than Products by any method in the Sales Area, (ii) the right to sell and distribute Products and other merchandise by any method of distribution other than by Direct Store Delivery to Outlets and to other buyers in the Sales Area that are not Outlets, and (iii) the right to sell and distribute Products by Direct Store Delivery or otherwise to BAKERY owned/operated or contracted thrift stores in the Sales Area.

14.2 **NOTICES.** Any notice required or permitted under this Agreement is deemed properly given when personally received, or one (1) calendar day after delivery to an overnight courier service for first day delivery, or five (5) calendar days after deposit in the mail, return receipt requested, first class postage pre-paid. All notices must be addressed to DISTRIBUTOR or to BAKERY (Attention: General Counsel) at the addresses stated above. Either party may from time to time designate another address for receipt of notices by written notice.

14.3 **SURVIVAL; BAKERY AFFILIATES; WAIVER.** This Agreement is binding upon heirs, personal representatives, successors and permitted assigns of the parties. The parties agree that BAKERY may delegate, transfer, or assign on a temporary or permanent basis any of its rights, obligations, benefits or duties to any of its affiliates, or any other person or entity, without notice, but BAKERY shall remain responsible for those rights, obligations, benefits or duties unless such person or entity assumes BAKERY's obligations. Any reference to BAKERY in this Agreement includes reference to such delegee, transferee, or assignee as appropriate. If a party elects not to pursue its rights under this Agreement for any particular event or situation, such action or inaction is not deemed a future waiver of any provision of this Agreement for any future event or situation. In the case of any termination of this Agreement for cause, non-renewal or otherwise, the parties shall remain bound by the terms and conditions of this Agreement which expressly or by their nature, require performance after termination. For avoidance of doubt, the following provisions shall survive any termination:

Article 2, Section 4.6, Section 5.6, Section 6.2, Section 6.4,
Section 6.9, Section 6.10, Articles 7 and 9, Section 11.4,
Articles 12, 13 and 14, and Schedule C (if any).

14.4 **ENTIRE AGREEMENT, AMENDMENT.** This Agreement and Schedules and any other agreements executed by the parties, constitute the entire agreement between the parties and supersedes all prior agreements, discussions, negotiations, understandings, representations, conditions, warranties and covenants between them with respect to this subject matter. No promises, inducements or representations regarding this Agreement have been made by any party other than those set forth in the written and signed agreements between the parties. No change, modification, amendment or waiver of any of the provisions hereby, including by custom, usage of trade, or course of dealing or performance, shall be effective and binding upon either party unless it is in writing, signed by both parties.

14.5 **INDEMNIFICATION.** Each party must defend, indemnify and hold the other harmless against a third party as to any costs, charges or claims including reasonable attorney's fees, expert fees and costs of settlement, which may arise out of such party's direct or indirect failure to perform any obligation and/or discharge any liability arising under this Agreement, such party's negligence or claim of negligence or alleged willful acts. DISTRIBUTOR acknowledges and agrees that neither it nor its employees, contractors and representatives shall allege in such claim or proceeding that it or they, as the case may be, are not independent contractors of BAKERY. The obligations of this provision extend to claims arising from actions or inactions made by a party's representatives, employees, or other authorized persons acting on their behalf. This provision includes the following:

- (a) DISTRIBUTOR must indemnify, defend and hold harmless BAKERY and its affiliates and its and their officers, directors, employees, successors and assigns (BAKERY and such entities and persons, collectively "Indemnified Parties") in connection with all claims relating to a motor vehicle accident between DISTRIBUTOR (and/or its employees, contractors or representatives) and a third party regardless of whether DISTRIBUTOR was driving a vehicle owned or leased by BAKERY or its affiliates or another vehicle;

- (b) DISTRIBUTOR must indemnify, defend and hold harmless the Indemnified Parties and, if applicable, DISTRIBUTOR's customers, for claims by any third party alleging negligence, and/or willful acts by DISTRIBUTOR, its employees, contractors and representatives, including claims arising from the use of any equipment and tools of DISTRIBUTOR or a third party and/or Bakery Equipment provided to DISTRIBUTOR by BAKERY or its affiliates; and
- (c) BAKERY must indemnify, defend and hold harmless DISTRIBUTOR for claims by any third party for allegations of contaminated Products, or other Product quality claims and for any infringement by BAKERY of any third party trademark or copyright, to the extent DISTRIBUTOR is not responsible for such claims due to DISTRIBUTOR's negligence or intentional act.
- 14.6 **LIMITED POWER OF ATTORNEY.** DISTRIBUTOR irrevocably grants BAKERY a limited power of attorney with full and complete authority to transfer DISTRIBUTOR's Distribution Rights, or perform any of DISTRIBUTOR's obligations hereunder for DISTRIBUTOR's account in accordance with the terms of this Agreement. This appointment survives the death or disability of DISTRIBUTOR's controlling owner(s) and/or the termination of this Agreement. The power of attorney granted hereby is coupled with the security interest in the Distribution Rights granted by DISTRIBUTOR to BAKERY under this Agreement.
- 14.7 **ACQUISITIONS.** Notwithstanding anything to the contrary contained herein, this Agreement does not apply to and DISTRIBUTOR shall have no right with respect to any products or product lines obtained by BAKERY, or any business entity related thereto, through acquisition, merger, consolidation or other transaction after the Effective Date.
- 14.8 **CONTROLLING LAW.** The validity, interpretation and performance of this Agreement is controlled by and construed in accordance with the laws of the Commonwealth of Pennsylvania, without regard to its choice of law provisions.
- 14.9 **NECESSARY MODIFICATION/SEVERABILITY.** If any provision of this Agreement is found to be invalid, contrary to, or in conflict with any applicable present or future law or regulation in a final ruling by any court, agency or tribunal possessing competent jurisdiction, this Agreement is deemed modified to the extent necessary to confirm with any such ruling, law or regulation. The remainder of this Agreement is not affected hereby and remains in full force and effect.
- 14.10 **COUNTERPARTS AND COPIES.** This Agreement and any amendment hereto may be executed in any number of counterparts, each of which is deemed an original, and all of which constitutes one and the same instrument. A copy of this Agreement, as well as any amendment hereto, printed from an electronic or digital version (e.g., in pdf, tiff or other file format) shall be of equal force and effect as an original. This Agreement and any amendment hereto may be executed electronically. The Parties acknowledge and agree that any such electronic signature by an authorized representative of a Party, regardless of how such electronic signature is inputted, shall be a manifestation of assent and shall be given full effect. DISTRIBUTOR agrees that, absent an express finding of fraud with respect to BAKERY's copy by a court or arbitrator, as the case may be,

BAKERY's copy of this Agreement, electronic, digital or otherwise, shall control over all other Agreement copies.

- 14.11 **TIME CALCULATION.** In computing the number of days for purposes of this Agreement, all days are counted, including Saturdays, Sundays, and holidays; provided, however, that if the final day of any time period falls on a Sunday, or holiday, then the final day is deemed to be the next day which is not a Sunday or holiday.
- 14.12 **TEXT.** This Agreement may be provided to DISTRIBUTOR in English and Spanish. The Spanish translation is provided solely for DISTRIBUTOR's convenience. Only the Agreement in English will be executed and binding between the parties. In the event of a conflict, the terms of the Agreement in English will govern.
- 14.13 **DAMAGES.** Notwithstanding anything to the contrary contained in this Agreement, in no event shall either party be liable to the other for any lost income and profits, consequential, incidental, indirect or special damages, including lost profits and punitive damages.
- 14.14 **NO JURY TRIAL.** To the extent that litigation is permitted between them, the parties hereby knowingly, voluntarily and intentionally waive the right either of them may have to a trial by jury in respect of any litigation between them or arising out of, related to or in connection with this Agreement.

IN WITNESS WHEREOF, BAKERY and DISTRIBUTOR have caused this Distribution Agreement to be duly executed as of the day and year first above written.

ILLINOIS AMENDMENT TO DISTRIBUTION AGREEMENT

For purposes of complying with the requirements of Illinois law, including the Illinois Franchise Disclosure Act of 1987, Ill. Rev. Stat. ch. 815 para. 705/1 – 705/44 (1994) (the “Illinois Franchise Act”), BIMBO FOODS BAKERIES DISTRIBUTION, LLC (“Bakery”) and _____ (“Distributor”), hereby amend the Distribution Agreement between them dated _____, 20__ (the “Agreement”) as follows:

1. Section 705/19 and 705/20 of the Illinois Franchise Act provide rights to franchisees concerning nonrenewal and termination of a franchise. If the Agreement contains a provision that is inconsistent with the Illinois Franchise Act, the Illinois Franchise Act will control.

2. Section 41 of the Illinois Franchise Act states that “any condition, stipulation, or provision purporting to bind any person acquiring any franchise to waive compliance with any provision of this Act is void.” To the extent that any provision in the Agreement is inconsistent with Illinois law, Illinois law will control.

3. Any provision that designates jurisdiction or venue or required Franchisee to agree to jurisdiction or venue in a forum outside of Illinois is void with respect to any cause of action which is otherwise enforceable in Illinois, except arbitration may take place outside the state of Illinois.

4. If this Agreement requires that it be governed by a state’s law, other than the State of Illinois, to the extent that such law conflicts with the Illinois Franchise Disclosure Act, the Act will control.

5. To the extent that the Illinois Franchise Act prohibits the disclaimer of representations contained in a franchisor’s Franchise Disclosure Document, the Agreement is amended to include representations made in BBDC’s Franchise Disclosure Document to the extent required by law.

6. Section 14.4 of the Distribution Agreement is amended by the addition of the following language:

Provided, however, that nothing in this Section 14.4 shall preclude any representations contained in the Franchise Disclosure Document of which this Distribution Agreement is an exhibit, from being binding on Franchisor.

7. Each provision of this Amendment shall be effective only to the extent that the jurisdictional requirements of Illinois law applicable to the provisions are met independent of this Amendment. This Amendment shall have no force or effect if such jurisdictional requirements are not met.

8. All other provisions of the Agreement are hereby ratified and confirmed.

MARYLAND AMENDMENT TO DISTRIBUTION AGREEMENT

For purposes of complying with the requirements of Maryland law, including the Maryland Franchise Registration and Disclosure Law, Md. Code Ann., Bus. Reg. §§ 14-201 - 14-233 (2015 Repl. Vol.) (the “Disclosure Law”), BIMBO FOODS BAKERIES DISTRIBUTION, LLC (“Bakery”) and _____ (“Distributor”), hereby amend the Distribution Agreement between them dated _____, 20__ (the “Agreement”) as follows:

1. This Agreement requires you to assent to a release of claims, estoppel or waiver of liability, to acknowledge facts that would negate or remove from judicial review any statement, misrepresentation or action that would violate the Disclosure Law or a rule or order under the Disclosure Law in order to purchase the franchise. Such release, estoppel or waiver shall exclude claims arising under the Disclosure Law, and such acknowledgments shall be void with respect to claims under the Disclosure Law.

2. This Agreement obligates you to execute a release of claims as a condition to renewal or transfer. Such a release shall not apply to any liability under the Disclosure Law, and such release shall be void with respect to claims under the Disclosure Law.

3. This Agreement requires that mediation, arbitration and litigation be conducted in a place in the county where your principal place of business is located. This requirement shall not be interpreted to limit any rights you may have under Sec. 14-216 (c)(25) of the Disclosure Law to bring suit in the state of Maryland for claims arising under the Disclosure Law.

4. This Agreement is hereby amended to reflect that any claims arising under the Disclosure Law must be brought within 3 years after the grant of the franchise. The limitation of claims provisions shall not act to reduce the 3 year status of limitations afforded you for bringing a claim arising under the Disclosure Law.

5. This Agreement is hereby amended to reflect that the general release required as a condition of renewal, sale and/or assignment/transfer shall not apply to any liability under the Disclosure Law.

6. Each provision of this Amendment shall be effective only to the extent that the jurisdictional requirements of Maryland law applicable to the provisions are met independent of this Amendment. This Amendment shall have no force or effect if such jurisdictional requirements are not met.

7. All other provisions of the Agreement are hereby ratified and confirmed.

MINNESOTA AMENDMENT TO DISTRIBUTION AGREEMENT

For purposes of complying with the requirements of Minnesota law, including the Minnesota Franchise Act, Minn. Stat. Section 80.01 et seq., and of the Rules and Regulations promulgated under the Act (the "Franchise Act"), BIMBO FOODS BAKERIES DISTRIBUTION, LLC ("Bakery") and _____ ("Distributor"), hereby amend the Distribution Agreement between them dated _____, 20__ (the "Agreement") as follows:

1. The Minnesota Department of Commerce requires that Franchisor indemnify Minnesota franchisees against liability to third parties resulting from claims by third parties that the Franchisee's use of the Proprietary Marks infringes trademark rights of the third party. Franchisor does not indemnify against the consequences of Franchisee's use of the Proprietary Marks except in accordance with the requirements of the Agreement, and, as a condition to indemnification, Franchisee must provide notice to Franchisor of any such claim within ten (10) days after the earlier of (i) actual notice of the claim or (ii) receipt of written notice of the claim, and must therein tender the defense of the claim to Franchisor. If Franchisee accepts the tender of defense, Franchisor has the right to manage the defense of the claim including the right to compromise, settle or otherwise resolve the claim, and to determine whether to appeal a final determination of the claim. If the Agreement and/or the Disclosure Document contains a provision that is inconsistent with the Franchise Act, the provisions of the Agreement and/or the Disclosure Document shall be superseded by the Act's requirements and shall have no force or effect.

2. Franchise Act, Sec. 80C.14, Subd. 4., requires, except in certain specified cases, that a franchisee be given written notice of a franchisor's intention not to renew 180 days prior to expiration of the franchise and that the franchisee be given sufficient opportunity to operate the franchise in order to enable the franchisee the opportunity to recover the fair market value of the franchise as a going concern. If the Agreement and/or the Disclosure Document contains a provision that is inconsistent with the Franchise Act, the provisions of the Agreement and/or the Disclosure Document shall be superseded by the Act's requirements and shall have no force or effect.

3. Franchise Act, Sec. 80C.14, Subd. 3., requires, except in certain specified cases that a franchisee be given 90 days notice of termination (with 60 days to cure). If the Agreement and/or the Disclosure Document contains a provision that is inconsistent with the Franchise Act, the provisions of the Agreement and/or the Disclosure Document shall be superseded by the Act's requirements and shall have no force or effect.

4. If Franchisee is required in the Agreement and/or the Disclosure Document to execute a release of claims or to acknowledge facts that would negate or remove from judicial review any statement, misrepresentation or action that would violate the Franchise Act, such release shall exclude claims arising under the Franchise Act, and such acknowledgments shall be void with respect to claims under the Act.

5. If the Agreement and/or the Disclosure Document requires that it be governed by a state's law, other than the State of Minnesota, those provisions shall not in any way abrogate or reduce any you may have as provided for in the Franchise Act, including the right to submit matters to the jurisdiction of the courts of Minnesota.

6. If the Agreement and/or the Disclosure Document requires you to sue Franchisor outside the State of Minnesota, those provisions shall not in any way abrogate or reduce any rights you may have as provided for in the Franchise Act, including the right to submit matters to the jurisdiction of the courts of Minnesota. As such, the disclosure in the risk factor on the cover page of the Disclosure Document that the Agreement requires you to sue outside the State of Minnesota is not applicable because of the Franchise Act.

7. Minn. Rule 2860.4400J. prohibits Franchisor from requiring you to consent to liquidated damages. If the Agreement and/or the Disclosure Document contains a provision that is inconsistent with the Minn. Rule, the provisions of the Agreement and/or the Disclosure Document shall be superseded by the Minn. Rule’s requirements and shall have no force or effect.

8. Minn. Rule 2860.4400J. prohibits waiver of a jury trial and prohibits Franchisor from requiring you to consent to Franchisor obtaining injunctive relief. If the Agreement contains a provision that is inconsistent with the Minn. Rule, the provisions of the Agreement shall be superseded by the Minn. Rule’s requirements, shall have no force or effect and is hereby revised to reflect that Franchisor may seek injunctive relief and that whether any bond will be necessary will be determined by the court.

9. Each provision of this Amendment shall be effective only to the extent that the jurisdictional requirements of Minnesota law applicable to the provisions are met independent of this Amendment. This Amendment shall have no force or effect if such jurisdictional requirements are not met.

10. All other provisions of the Agreement are hereby ratified and confirmed.

BUY BACK AGREEMENT – Form 1

THIS BUY BACK AGREEMENT (the "Agreement") made effective _____, 20__, by and between _____, with its principal office at 255 Business Center Drive, Horsham, Pennsylvania 19044 (referred to as "BAKERY") and _____ doing business at _____ (referred to as "Distributor").

WHEREAS, BAKERY and Distributor, or each or both of their predecessors, have heretofore executed a certain bill of sale transferring certain Distribution Rights (as defined in the Distribution Agreement referred to below), and

WHEREAS, BAKERY and Distributor have executed that certain Distribution Agreement dated _____, 20__ (said bill of sale and Distribution Agreement being incorporated by reference herein);

NOW THEREFORE in consideration of the purchase set forth in the bill of sale, the execution of the Distribution Agreement, and for other good and valuable consideration, the parties understand and agree that BAKERY shall have the right to purchase from Distributor the Distributor's Distribution Rights, in whole or in part.

The purchase price for the Distribution Rights to be paid by BAKERY to Distributor shall be the fair market value of such Distribution Rights based on comparable sales of distribution rights of BAKERY'S Products in the same geographic region. In the event that Distributor and BAKERY do not agree to the purchase price within 30 days after BAKERY's notice to Distributor that BAKERY is exercising the buyback rights under this Agreement, the fair market value purchase price shall be considered a Covered Dispute under and pursuant to the Distribution Agreement and the terms and conditions of Article 13 of the Distribution Agreement shall apply and govern. Such Dispute shall not delay the effective date of the sale provided BAKERY tenders to Distributor payment of the amount that BAKERY reasonably and in good faith contends is the fair market value of the Distribution Rights whether or not Distributor accepts such tendered payment. Distributor shall have the right to accept such tendered payment without prejudice to Distributor's claim in arbitration that the fair market value of the Distribution Rights is more than the tendered payment. In the event of arbitration pursuant to Article 13 of the Distribution Agreement, the amount of the payment tendered by BAKERY and accepted by Distributor shall be deducted from any award or judgment issued by an arbitrator.

BAKERY must notify Distributor in writing at least 30 days prior to exercising the buyback rights under this Agreement. Distributor shall then by execution of a bill of sale and general release of claims (related only to the Distribution Rights purchased) and any other documents reasonably necessary to effect the purchase and sale, transfer to BAKERY good and marketable title to the purchased Distribution Rights free and clear of all liens, security interests and encumbrances. The effective date of the sale shall be set at the discretion of BAKERY but in no event less than 30 days from the date of delivery of the notice to Distributor. Any sale of the Distribution Rights pursuant to this Agreement shall not be subject to the transfer fee referred to in the Distribution Agreement.

The right to purchase the Distribution Rights set forth in this Agreement shall be continuing and unless BFBD purchases the Distribution Rights in their entirety, the exercise by BFBD of its right to purchase the Distribution Rights in part shall not constitute a termination of this Agreement.

Distributor's sale or transfer to a third party of the Distribution Rights which are the subject of this Agreement shall be subject to the transferee's or purchaser's acceptance of and agreement to this Agreement.

If, and to the extent, that this Agreement is inconsistent with the Distribution Agreement, this Agreement is, and shall be deemed to be, an amendment to the Distribution Agreement.

Except with respect to those definitions in the Distribution Agreement expressly referenced herein, this Agreement constitutes the entire agreement among the parties hereto pertaining to the subject matter hereof and supersedes any and all prior and contemporaneous agreements, understandings, negotiations, and discussions, whether oral or written, between them relating to the subject matter hereof. No amendment to any provision of this Agreement shall be enforceable and binding unless executed in writing by both parties. Neither party has been induced to enter into this Agreement by virtue of, and is not relying upon, any representations, warranties, promises, statements, documents, term sheets, worksheets, projections, estimates, other information or other communications made, provided, drafted or created by either party, preceding the execution of this Agreement, or any prior course of dealing or performance between the parties.

This Agreement and any amendment hereto may be executed in any number of counterparts, each of which is deemed an original, and all of which constitutes one and the same instrument. A copy of this Agreement, as well as any amendment hereto, printed from an electronic or digital version (e.g., in pdf, tiff or other file format) shall be of equal force and effect as an original. This Agreement and any amendment hereto may be executed electronically. The Parties acknowledge and agree that any such electronic signature by an authorized representative of a Party, regardless of how such electronic signature is inputted, shall be a manifestation of assent and shall be given full effect. DISTRIBUTOR agrees that, absent an express finding of fraud with respect to BAKERY's copy by a court or arbitrator, as the case may be, BAKERY's copy of this Agreement, electronic, digital or otherwise, shall control over all other Agreement copies.

IN WITNESS WHEREOF, BAKERY and Distributor have caused this Buy Back Agreement to be duly and properly executed as of the day and year first written above.

BUY BACK AGREEMENT – Form 2

THIS BUY BACK AGREEMENT (the "Agreement") is made effective _____, 201_ (the "Effective Date") by and between _____, with an office at 255 Business Center Drive, Horsham, Pennsylvania 19044 (referred to as "Bakery") and _____, having an office at _____ (referred to as "Distributor").

WHEREAS, Bakery and Distributor, or each or both of their predecessors, have heretofore executed a certain bill of sale transferring certain Distribution Rights (as defined in the Distribution Agreement referred to below), as amended, and

WHEREAS, Bakery and Distributor have executed that certain Distribution Agreement dated _____ (said bill of sale and Distribution Agreement and all amendments thereto being incorporated by reference herein);

NOW THEREFORE in consideration of good and valuable consideration, which is acknowledged hereby, the parties confirm and agree that Bakery shall have the right to purchase from Distributor the following Distribution Rights:

[SPECIFY]

The purchase price for the Distribution Rights to be paid by Bakery to Distributor shall be "__x" (__ times) the 52 week net weekly sales average for such Products in the Outlets (as defined in the Distribution Agreement) for which such Distribution Rights are being bought back by Bakery. In the event that there is not a 52 week sales history for such Products in an Outlet, the average of the most recent weeks shall be used, provided there are at least twelve (12) weeks of history. If for any given Outlet, there are no prior sales or less than twelve (12) weeks of prior sales, the purchase price for the Distribution Rights for that Outlet shall be determined by averaging the net sales for the next twelve (12) weeks in the future and payment shall be made for the distribution rights to such Outlet within 14 days after the end of the twelve (12) week period.

Bakery must notify Distributor in writing at least 30 days prior to exercising the buy back rights under this Agreement. Distributor shall then by execution of a bill of sale and general release of claims (related only to the Distribution Rights purchased) and any other documents reasonably necessary to effect the purchase and sale, transfer to Bakery or its designee good and marketable title to purchased Distribution Rights free and clear of all liens, security interests and encumbrances. The effective date of the sale shall be set at the discretion of Bakery but in no event less than 30 days from the date of delivery of the notice to Distributor. Any sale of the Distribution Rights pursuant to this Agreement shall not be subject to the transfer fee referred to in the Distribution Agreement.

Additionally, the parties agree that with respect to all other Distribution Rights not specifically identified above, BAKERY shall have the right to purchase from Distributor such Distribution Rights, in whole or in part for the fair market value of such Distribution Rights based on comparable sales of distribution rights of BAKERY'S Products in the same geographic region. In the event that Distributor and BAKERY do not agree to the fair market value purchase price within 30 days after BAKERY's notice to Distributor that BAKERY is exercising the buyback rights under this Agreement, the purchase price shall be considered a Covered Dispute under and pursuant to the Distribution Agreement and the terms and conditions of Article 13 of the Distribution Agreement shall apply and govern. Such Dispute shall not delay the effective date of the sale provided BAKERY tenders to Distributor payment of the amount that BAKERY reasonably and in good faith contends is the fair market value of the Distribution Rights whether or not Distributor accepts such tendered payment. Distributor shall have the right to accept such tendered payment without prejudice to Distributor's claim in an arbitration proceeding that the fair market value of the Distribution Rights is more than the tendered payment. In the event of arbitration pursuant to Article 13 of the Distribution Agreement, the amount of the payment tendered by BAKERY and accepted by Distributor shall be deducted from any award or judgment issued by an arbitrator.

BAKERY must notify Distributor in writing at least 30 days prior to exercising the buyback rights under this Agreement. Distributor shall then by execution of a bill of sale and general release of claims (related only to the Distribution Rights purchased) and any other documents reasonably necessary to effect the purchase and sale, transfer to BAKERY good and marketable title to the purchased Distribution Rights free and clear of all liens, security interests and encumbrances. The effective date of the sale shall be set at the discretion of BAKERY but in no event less than 30 days from the date of delivery of the notice to Distributor. Any sale of the Distribution Rights pursuant to this Agreement shall not be subject to the transfer fee referred to in the Distribution Agreement.

The right to purchase the Distribution Rights set forth in this Agreement shall be continuing and unless Bakery purchases the Distribution Rights which are the subject of this Agreement in their entirety, the exercise by Bakery of its right to purchase the Distribution Rights in part shall not constitute a termination of this Agreement.

Distributor's sale or transfer to a third party of the Distribution Rights which are the subject of this Agreement shall be subject to the transferee's or purchaser's acceptance of and agreement to this Agreement.

If, and to the extent, that this Agreement is inconsistent with the Distribution Agreement, this Agreement is, and shall be deemed to be, an amendment to the Distribution Agreement.

Except with respect to those definitions in the Distribution Agreement expressly referenced herein, this Agreement constitutes the entire agreement among the parties hereto pertaining to the subject matter hereof and supersedes any and all prior and contemporaneous agreements,

understandings, negotiations, and discussions, whether oral or written, between them relating to the subject matter hereof. No amendment to any provision of this Agreement shall be enforceable and binding unless executed in writing by both parties. PROMISSORY NOTE

_____. 2014

\$Total Loan Amount

1. BORROWER'S PROMISE TO PAY

For Value Received, I, **Purchaser's Corporate Name** (the "Borrower"), a business corporation with its principal office at **Street Address, City, State Zip**, promise to pay to the order of **DISTRIBUTION SERVICES OF AMERICA, INC.**, a corporation with a place of business at **2900 Westchester Avenue, Purchase, New York 10577** (the "Lender"), the amount of **Total Loan Amount in Words (\$Total Loan Amount)** together with interest from the date of this Note on the unpaid balance at a rate of interest as set forth below until fully paid according to the terms herein. I understand that the Lender may assign to a third party all or part of the Lender's rights hereunder, its rights under a Financing Security Agreement dated on or about the date hereof (which agreement secures the obligations of the Borrower hereunder), and the right to receive payments under this Note. The Lender or anyone who takes this Note by assignment is hereinafter referred to as "Note Holder".

2. INTEREST RATE

The principal sum outstanding shall bear an interest rate equal to (___%) per annum from the date of this Note until such time as the entire remaining principal and interest has been fully paid. Any amount of principal not paid when due, including the entire principal balance in the event of an acceleration of this Note as provided below, shall bear interest, to the extent permitted by law, at a rate per annum of SIXTEEN PERCENT (___%), calculated on the basis of a 360-day year.

3. PAYMENT TERMS

Principal and interest shall be due and payable in thirty six (36) equal monthly installments in the amount of **\$Monthly Payment**, the first installment of which shall become due on _____, 20__, and the remaining installments of which shall become due on the 1st day of each calendar month thereafter through and including _____, 20__; provided that the amount of the final installment must in any event be sufficient to pay all then outstanding principal of this Note and all unpaid interest accrued under this Note. All payments on this Note shall be applied first to interest accrued and the balance, if any, to principal.

4. BORROWER'S RIGHT TO PREPAY

Borrower may at any time pay the full amount of this Note (without prepayment penalty but together with any accrued but unpaid interest thereon).

5. LOAN CHARGES

If, under any law with applicability to this Note which sets maximum loan charges, the interest or other loan charges collected or to be collected in connection with this Note exceed the permitted limits, then: (i) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limited; and (ii) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. The Note Holder may choose to make this refund by reducing the principal Borrower owes under this Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial pre-payment.

6. EVENTS OF DEFAULT

This Note, and all other obligations of the Borrower to Note Holder, shall be and become immediately due and payable at the option of the Note Holder, without any demand or notice whatsoever, upon the occurrence of any of the following described events, each of which shall constitute a default:

- i. Any failure to make any payment when due of the principal, interest or late charges or the occurrence of any event of default under the Financing Security Agreement executed simultaneously herewith;
- ii. the death of the Borrower or any personal guarantor hereof;
- iii. any failure to submit to Note Holder, upon request, current personal financial information;
- iv. any failure to submit to Note Holder, in form satisfactory to Note Holder, quarterly business financial statements, within 30 days of the close of each calendar quarter, and annual tax returns within 30 days of the date on which they are due;
- v. the creation of any lien or the issuance of an attachment against or seizure of any property of, or the entry of judgment against, the Borrower except that the Borrower may execute general liens and grant security interests to and in favor of third parties, for obligations other than those created hereunder, provided such liens and security interests, are subordinate to the lien created herein;
- vi. if, in the reasonable judgment of Note Holder, Borrower takes any action or fails to take any action which adversely affects the collateral or Borrower's ability to repay the obligations of this Note;
- vii. an assignment for the benefit of the creditors of, or the commencement of any bankruptcy, receivership, insolvency, reorganization, or liquidation proceedings by or against the Borrower or any guarantor hereof;
- viii. a default under any other agreements between Borrower and Lender;
- ix. if there occurs any material adverse change in Borrower's financial condition or means or ability to satisfy the obligations of this Note;
- x. the termination of the Distribution Agreement executed between Borrower and EARTHGRAINS DISTRIBUTION, LLC/BIMBO FOODS BAKERIES DISTRIBUTION, LLC;

- xi. the transfer of any of the assets pledged as collateral for this Note, without the prior written consent of the Note Holder.

7. EFFECTS OF DEFAULT

- a) Late Charges. In the event Note Holder has not received the full amount of any monthly payment by the end of fifteen (15) calendar days after the date it is due, Borrower shall pay a late charge in the amount of FIVE PERCENT (5%) of the overdue monthly payment.
- b) Acceleration. In the event Note Holder has not received the full amount of any monthly payment by the end of twenty (20) calendar days after the date it is due or any other event of default occurs, Note Holder may declare the entire outstanding principal and accrued interest immediately due and payable.
- c) Waiver. No failure of Note Holder to exercise any of its rights hereunder shall be deemed a waiver of any such rights or of any default. Demand, presentment, protest, notice of dishonor, notice of protest and notice of default are hereby waived by Borrower.
- d) Payment of Note Holder's Costs and Expenses. In the event of default, Borrower shall pay in addition to principal, interest and late charges, Note Holder's costs and expenses of collection including without limitation, court costs and attorney's fees, as provided for in the Financing Security Agreement executed herewith.

THIS LEASE AGREEMENT (“Lease”) is hereby entered into as of the Contract Date above by and between BUSH LEASING TRUST, a Delaware statutory trust (“Lessor”), and LESSEE referenced above.

1. GRANT OF LEASE. Lessor hereby leases to Lessee, and Lessee hereby leases from Lessor, the Equipment described herein, together with all replacements, repairs and additions thereto (individually and collectively, the “Vehicles”) on the terms and conditions set forth in this Lease. Lessee agrees that Lessee leases the Vehicles “as-is”, and confirms that as of the date of delivery of each Vehicle, such Vehicle is of the design and manufacture selected by Lessee, and as of such date, Lessee has unconditionally accepted such Vehicles in all respects. Lessee further confirms that it has selected the Vehicles on the basis of its own judgment, and expressly disclaims reliance upon any statements, representations, or warranties made by Lessor, and Lessee acknowledges that Lessor is not the manufacturer of the Vehicles. Lessee certifies that the Vehicles identified herein will be used for commercial purposes.

2. INITIAL TERM. The term of this Lease for each Vehicle shall commence on the Contract Date and shall continue for that number of months from the first (1st) day of the month following the Contract Date (unless the Contract Date is the first (1st) day of the month, in which case the Contract Date shall be the date on which the term of this Lease commences) (“Commencement Date”) each as set forth in the Summary of Lease Terms (such period as extended or sooner terminated by Lessor as provided herein, the “Term”).

3. RENT. The rental payment amount for each Vehicle hereunder (the “Basic Rent”) is set forth in the Summary of Lease Terms. Basic Rent on each Vehicle shall begin to accrue on the Contract Date and shall be due and payable in U.S. dollars in immediately available funds by Lessee in advance or arrears for the periods (each a “Rental Period”) and for the total number of payments as set forth in the Summary of Lease Terms, in each case, on the first day of each such Rental Period. If the Contract Date does not fall on the first day of the month, the rental for that period of time from the Contract Date until the Commencement Date shall be an amount equal to the daily rental (Basic Rent divided by 7 days for One Week , 14 days for One Biweekly and 30 days for One Month Rental Periods, as applicable), multiplied by the number of days from (and including) the Contract Date to (but not including) the Commencement Date and shall be due and payable on the Commencement Date. Lessee shall pay all amounts other than Basic Rent Lessee is obligated to pay hereunder (the “Supplemental Rent” and together with Basic Rent, the “Rent”) when due or if no date is specified herein, on demand. If any Rent payment is not made within five (5) days after its due date, Lessee shall pay a

late charge equal to the lesser of 10% of the late rental payment amount, and the maximum amount permitted by law. LESSEE'S PAYMENT OF RENT AND LESSEE'S PERFORMANCE OF ALL OTHER OBLIGATIONS ARE ABSOLUTE AND UNCONDITIONAL AND WITHOUT SET OFF, COUNTERCLAIM, OR ANY DEFENSE WHATSOEVER, INCLUDING, BUT NOT LIMITED TO, ANY RIGHT OR CLAIM THAT LESSEE MAY NOW OR HEREAFTER HAVE AGAINST LESSOR, ANY OF LESSOR'S AFFILIATES, ANY ASSIGNEE OF LESSOR, OR THE MANUFACTURER OF THE VEHICLES FOR ANY REASON WHATSOEVER, SPECIFICALLY INCLUDING, WITHOUT LIMITATION, ANY CLAIMS THAT LESSEE MAY HAVE AGAINST LESSOR, ANY OF LESSOR'S AFFILIATES, OR ANY ASSIGNEE OF LESSOR WITH RESPECT TO THE SERVICE AND MAINTENANCE AGREEMENT REFERENCED IN SECTION 5 HEREOF.

4. OPTION UPON EXPIRATION OF INITIAL TERM OF LEASE . Upon expiration of the Initial Term of the Lease, Lessee hereby unconditionally agrees to purchase all, but not less than all, of the Equipment for One Dollar (\$1.00). Lessee and Lessor agree that for purposes of this Lease, Lessee is owner of the Equipment and shall file and pay all license, registration fees, and documentary, sale and use taxes, and personal property taxes and all other taxes, fees and charges relating to the ownership, leasing, rental, sale, purchase, possession or use of the Equipment. Upon payment in full by Lessee of any related purchase amounts and all Rent, Lessor will execute and deliver to Lessee the title to the Vehicles, and any other documentation necessary to transfer title to Lessee. THIS SALE WILL BE WITHOUT ANY REPRESENTATION OR WARRANTY OF ANY KIND BY LESSOR, WHETHER EXPRESS OR IMPLIED IN FACT OR LAW and, Lessee will accept the Vehicles "AS IS" and "WHERE IS".

5. USE OF VEHICLES. Lessee shall use the Vehicles only in its business and in compliance with all laws, rules, and regulations of any jurisdiction where the Vehicles are used or located. Lessee represents and warrants to Lessor at all times that (i) Lessee has the right and ability to enter into this Lease; (ii) this Lease constitutes a valid, legal, and binding obligation and agreement of Lessee, enforceable against Lessee in accordance with its terms; and its terms; and (iii) that the entering into and performance of this Lease by Lessee will not result in a breach, violation, or default under any judgment, order, law, regulation, loan, mortgage, agreement, indenture, or other instrument applicable to Lessee, or result in any breach of, or constitute a default under, or result in the creation under, or result in the creation of any lien, charge, security interest, or other encumbrance upon the Vehicles pursuant to any instrument to which Lessee is a party or by which it is bound. Lessee shall (i) use and operate the Vehicles in a careful and prudent manner for the purposes and in the manner intended to be used; (ii) shall keep the Vehicles properly housed or otherwise protected from damage; and (iii) shall pay for all maintenance of Vehicles to keep them in good and efficient working order and condition during the Term of the Lease, including, but is not limited to, Lessee's supplying all fuel, lubricants, and other parts, supplies, maintenance and services, and/or Lessee, upon Lessor's request, entering into a service and maintenance agreement with Lessor or an affiliate of Lessor upon such terms and conditions provided by Lessor. After notice to Lessor, Lessee may, at its own expense, make alterations or add attachments to the Vehicles, provided that such alterations or attachments are removable and do not reduce the value, utility or useful life of the Vehicles. Upon the expiration or termination of the Lease, all alterations or attachments affixed to the Vehicles shall become the property of Lessor if not removed, and if Lessee does remove such attachments, Lessee shall be liable to Lessor for any damage to the Vehicles as the result of such removal. In the event that any federal, state, or local law, ordinance, rule or regulation shall require the installation of any additional accessories to any of the Vehicles, including, but not limited to, anti-pollution and/or safety devices, or in the event that any other modifications to the Vehicles shall be required by virtue of such law, ordinance, rule or regulation, then and in any of such events. Lessee shall pay the full cost thereof, including installation expenses. Lessor may, at its option, arrange for the installation of such Vehicles or the performance of such modifications, and Lessee agrees to pay the full cost thereof immediately upon receipt of an invoice for the same.

6. SURRENDER. Upon either the (i) failure by Lessee to exercise the purchase option for any Vehicle set forth herein, or (ii) upon demand by Lessor made pursuant to an Event of Default (as set forth in Section 18 hereof), Lessee shall, at its own expense, return such Vehicle to Lessor to such location within the continental United States as Lessor shall designate, in the same condition as when delivered, reasonable wear and tear excepted and otherwise in the condition required by this Lease. Upon return of the Vehicles, Lessor, or such entity designated by Lessor, shall perform a physical and mechanical inspection of the Vehicles. Lessee shall be responsible for the payment of any and all costs associated with the inspection, and for any and all repairs necessary to place the Vehicles in the same condition as when delivered, reasonable wear and tear excepted and otherwise in the condition required by this Lease.

7. PAINTING. Lessee may paint the Vehicles in Lessee's customary manner and affix advertising or identifying insignia, provided that, upon the expiration or termination of this Lease, and in the event that Lessee does not

purchase the Vehicles pursuant to Section 4 hereof. Lessee shall, upon the request of Lessor and at Lessee's expense, restore the Vehicles to original condition, ordinary wear and tear excepted.

8. WARRANTIES. LESSEE ACKNOWLEDGES AND AGREES THAT LESSOR HAS NOT MADE, AND SHALL NOT BE DEEMED TO HAVE MADE, ANY EXPRESS OR IMPLIED WARRANTY AS TO MERCHANTABILITY, FITNESS FOR ANY PURPOSE OR USE, DESIGN OR CONDITION OF VEHICLES, QUALITY OF MATERIAL OR WORKMANSHIP, OR AS TO ANY OTHER MATTER WHATSOEVER RELATING TO THE VEHICLES, AND LESSOR SHALL NOT BE LIABLE FOR ANY INDIRECT, CONSEQUENTIAL, INCIDENTAL, OR PUNITIVE DAMAGES ARISING OUT OF THE USE OR INABILITY TO USE THE VEHICLES, OR ANY INADEQUACY, DEFICIENCY, OR DEFECT IN THE VEHICLES. LESSEE AGREES THAT LESSEE LEASES THE VEHICLES "AS IS". Lessor agrees, to the extent possible and without increasing its liability hereunder, and upon request, to assign to Lessee, any warranty of a manufacturer or seller relating to the Vehicles available to Lessor, provided, however, that the foregoing rights shall automatically revert to Lessor upon the occurrence and during the continuance of any Event of Default hereunder, or upon return of the Vehicles to Lessor. Lessee agrees to settle all claims with respect to the Vehicles directly with the manufacturers thereof, and to give Lessor prompt notice of any such settlement and the details of such settlement.

9. TITLE AND INSPECTION. Lessee, at its expense, shall protect and defend Lessor's title and keep it free of all claims and liens except those claims and liens created by Lessor in connection with any assignment or financing by Lessor. Lessor may inspect the Vehicles at any time without prior notice during regular business hours. If, at any time during the Term of this Lease, Lessor supplies Lessee with labels, plates or other markings stating that the Vehicles are owned by Lessor, Lessee shall affix and keep the same in a prominent place on the Vehicles.

10. LICENSES. Lessee shall at its expense obtain all necessary licenses (including motor Vehicle plates) and registrations, required for the use and operation of each Vehicle. All certificates of title or registration of each Vehicle shall name Lessor as the owner thereof.

11. INTERESTS IN VEHICLES. Lessee's rights with respect to this Lease and any Vehicles leased hereunder will be subject to any rights and interest in and to said Vehicles which may be granted by Lessor (or Lessor's affiliates) to any assignee or lender of Lessor (or Lessor's affiliates). Lessor may assign to a lender or any other assignee all or any part of Lessor's rights hereunder, including a security interest in the Vehicles and the right to receive rents and other sums due hereunder. Upon notice of such assignment in writing by a lender, assignee and/or Lessor, Lessee shall pay all rents and other sums due or to become due under this Lease directly to such lender or assignee without set off, counterclaim, or any defense whatsoever.

12. TAXES. Lessee shall pay all personal property, sales or use taxes, business licenses, assessments, penalties, and charges which may be levied or asserted with respect to the Vehicles (except income taxes levied on lease payments to Lessor). In the event that any such taxes, licenses, assessments, penalties, or charges are paid by Lessor, Lessee shall reimburse and pay Lessor immediately after Lessor notifies Lessee in writing of the amount of such taxes, licenses, assessments, penalties, charges or expenses paid by Lessor, as well as an administrative fee. Increases or decreases in sales or use tax rates will affect all lease payments after the effective date of the change by the taxing authority, and Lessor shall notify Lessee in writing of such change. Lessee shall indemnify and hold Lessor harmless from and against any loss, cost or expense arising out of or relating to any such tax, import or levy, including, without limitation, any penalties, interest and fines relating thereto.

13. FINES. Lessee shall pay all fines due to overload, overlength, overweight, lack of plates or permits, speeding and any other charges which may be imposed or assessed in respect to the Vehicles and/or Lessee's use thereof. The provisions of this Section 13 shall survive the expiration or other termination of this Lease.

14. LOSS OR DAMAGE. Lessee shall bear the entire risk of loss, theft, destruction of or damage to any Vehicle from any cause whatsoever ("Loss or Damage"). Lessee shall promptly notify Lessor in writing of any Loss or Damage. No Loss or Damage to any Vehicles shall relieve Lessee of any obligation with respect to such Vehicle under this Lease. In the event of Loss or Damage, Lessee shall, at the option of Lessor: (a) put such Vehicle in good condition and repair in accordance with the manufacturer's recommendations, and to the reasonable satisfaction of Lessor, at Lessee's expense; (b) replace such Vehicle with a like Vehicle (same value, utility and useful life as damaged Vehicle) in good condition and repair as approved by Lessor in Lessor's sole discretion with clear title thereto vested in Lessor; or (c) pay Lessor on or before the next rent payment date as set forth in accordance with Section 3 hereof (such payment date, the "Loss Payment Date") in cash the sum of: (i) all amounts then due Lessor by Lessee under the Lease relating to such Vehicle, which amounts shall be prorated through the Loss Payment Date, plus (ii) an amount equal to the present value

of the residual amount, if any, relating to such Vehicle (as set forth in the Summary of Lease Terms), discounted at 5.0% computed from the expiration of the Initial Term of the Lease to the Loss Payment Date, plus (iii) an amount equal to the present value of the unpaid future remaining Rents for the Initial Term of the Lease, relating to such Vehicle discounted at 5.0% computed from the scheduled payment dates for such Rents to the Loss Payment Date (the "Casualty Value Amount"). Upon receipt of the Casualty Value Amount set forth in (c) above, Lessor shall assign to Lessee (or Lessee's insurer) Lessor's interest in such Vehicle in its then condition and location, "AS IS" without any warranty whatsoever, express or implied. If Lessee is required to repair any Vehicle in accordance with (a) above, or to replace any Vehicle in accordance with (b) above, the insurance proceeds actually received by Lessor, if any, pursuant to Section 15 hereof shall be first applied to pay any amounts then due under this Agreement, and then shall be paid to Lessee upon proof satisfactory to Lessor that such repairs have been completed as required herein (in the case of (a)), or of adequate purchase and title documents in Lessor's sole discretion (in the case of (b)). In the event that Lessee is obligated to pay to Lessor the amount specified in (c) above, Lessee shall be entitled to a credit against such amount equal to the amount of insurance proceeds actually received by Lessor, if any, pursuant to Section 15 hereof, on account of such Vehicle.

15. INSURANCE. Lessee shall obtain and maintain insurance on or with respect to each Vehicle at its own expense and in the amounts and forms satisfactory to Lessor. In no event shall any insurance coverage be less than the following: (a) physical damage insurance insuring against loss or damage to the Vehicles in an amount not less than the full replacement value of such Vehicle; and (b)(i) in all States except Florida: (1) not greater than \$500 deductible for collision, fire, theft, and comprehensive, and (2) \$500,000 combined single limit for bodily injury liability and property damage; or (b)(ii) for the State of Florida: (1) not greater than \$500 deductible for collision, fire, theft, and comprehensive, and (2) \$250,000 per person / \$500,000 per incident bodily injury liability, and (3) \$100,000 property damage liability. In addition, the following require \$1,000,000 excess liability coverage (umbrella): (a) truck/tractors over 45,000 lbs.; (b) trailers/semi-trailers; tow trucks; and (c) limo uses for livery. Lessee shall furnish Lessor with a certificate of insurance evidencing issuance of such insurance to Lessee in at least the minimum amount required herein, naming Lessor and such other parties designated by Lessor as additional insured thereunder for liability coverage, and as loss payee for property damage coverage. Each policy shall require insurer to give Lessor 30 days prior written notice of any material alteration in terms of policy or cancellation thereof, and shall provide that no action, misrepresentation or breach of warranty of Lessee shall invalidate the policy. If Lessee fails to provide such insurance, Lessor shall have the right, but no duty, to obtain such insurance, and Lessee shall pay Lessor all costs thereof, including all costs incurred by Lessor in obtaining such insurance together with interest at the Default Rate from the date paid by Lessor to the date paid in full by Lessee. Lessee shall not use any Vehicle if the insurance required herein is not in full force and effect with respect to such Vehicle. Upon Loss or Damage as set forth in Section 14 hereof, Lessee shall receive credit for any amounts paid to Lessor by the insurer against Lessee's obligations hereunder.

16. INDEMNITY. Lessee shall indemnify Lessor against, and hold Lessor harmless from, any and all claims, actions, damages, obligations, liabilities, liens (including any arising or imposed under the doctrines or strict liability in tort or product liability), and costs and expenses (including attorneys fees), arising from or out of the manufacture, purchase, lease, possession, operation, condition, return, or use of the Vehicles, or by operation of law, excluding however any of foregoing resulting solely from the gross negligence or willful misconduct of Lessor. Lessee agrees that upon written notice by Lessor of assertion of any such claim, action, damage, obligation, liability, or lien, Lessee, at Lessee's expense shall assume full responsibility for the defense thereof, provided that Lessor shall have the right, but not the obligation, to participate in any defense conducted by Lessee without relieving Lessee of any of its obligations hereunder. The provisions of this Section 16 shall survive termination of this Lease.

17. ASSIGNMENT. Except as otherwise permitted herein, without Lessor's prior written consent, Lessee shall not assign, transfer, pledge, hypothecate or otherwise dispose of this Lease, the Vehicles or any interest therein, or sublet or lend the Vehicles, or permit the Vehicles to be used by anyone except Lessee or Lessee's authorized employees. Lessor may assign this Lease or any interest therein in whole or part without notice to Lessee.

18. DEFAULT. Lessee shall be in default of this Lease upon the happening of any of the following events or conditions which shall constitute "Events of Default": (a) Lessee fails to pay any Rent or other amount when due; (b) Lessee fails to observe, keep or perform any other covenant or provision of this Lease required to be observed, kept, or performed, by Lessee; (c) Lessee removes, sells, transfers, encumbers, creates a security interest in, relinquishes possession of the Vehicles, or performs any act which impairs Lessor's title to any Vehicle or attempts any of the foregoing; (d) Lessee makes a misrepresentation to Lessor of any matter or covenant connected with this Lease; (e) Lessee fails to satisfy any traffic ticket or summons or fails to register any Vehicle; (f) Lessee becomes insolvent,

bankrupt or has a trustee or receiver appointed for Lessee or for a substantial part of Lessee's property; (g) Lessee experiences a material change in its business or affairs (including termination of Lessee's employment or termination of the contract under which Lessee provides services or a change in the control or ownership of Lessee or Lessee's employer or the party with which Lessee contracts to provide services) which in Lessor's sole judgment impairs the security of any Vehicle or increases the credit risk involved therein; (h) Lessee attempts to assign this Lease without the consent of Lessor; or (i) Lessee fails to notify Lessor of any material change in its business and affairs, including a change in the ownership or control of Lessee. Lessee hereby irrevocably appoints and constitutes Bush Truck Leasing, Inc. and its successors and assigns, the true and lawful attorney-in-fact of Lessee, with full power in the name of Lessee upon the occurrence of an Event of Default, (i) to demand and receive any and all moneys and claims for moneys due in respect of or relating to the Equipment, (ii) to assign or transfer any of Lessee's rights under this Lease or in the Equipment (including assigning the rights of Lessee to any replacement lessee hereunder and/or causing any other person to become the registered owner of the Equipment) and (iii) to take any other action in respect of this Lease or any of the Equipment. Lessee ratifies and approves all acts of Bush Truck Leasing, Inc., as attorney-in-fact. Bush Truck Leasing, Inc., as attorney-in-fact will not be liable for any acts or omissions or errors of judgment or mistake of fact or law. This power, being coupled with an interest, is irrevocable until all obligations under this Lease have been fully satisfied.

19. REMEDIES. Upon the occurrence of any Event of Default, Lessor may declare this Lease to be in default, and at any time thereafter, Lessor, at its option, may do any one or more of the following: (a) cancel this Lease; (b) proceed by appropriate action to enforce performance of the Lease at Lessee's expense or to recover damages (including attorneys fees) for the breach thereof; (c) demand that Lessee, and in such case the Lessee shall, return all or any part of the Vehicles promptly in the manner required by and in accordance with Section 6 hereof; (d) enter, with or without legal process, Lessee's premises or any other premises where the Vehicles are located, and take possession of all or any part of the Vehicles without any liability to Lessee by reason of such entry; (e) sell, lease, or otherwise dispose of all or any part of the Vehicles at a public or private sale, which may be conducted where such Vehicles are then located; (f) demand that Lessee, and in such case Lessee shall, pay to Lessor as liquidated damages for loss of a bargain and not as a penalty an amount equal to the sum of (i) all amounts due and unpaid under the Lease (including without limitation any indemnity obligations) plus interest thereon from the due date thereof at a per annum interest rate equal to the prime rate of interest then in effect as published in the Wall Street Journal plus 2.0% (the "Default Rate"), plus (ii) the present value of all future Rent payments for such Vehicles, discounted at 5.0%, plus (iii) the present value of the residual amount, if any, discounted at 5.0%, plus (iv) all costs and expenses incurred by Lessor in enforcing Lessor's rights hereunder (including, without limitation, all costs of repossession, recovery, storage, repair, sale, re-lease, and attorneys' fees), together with interest thereon at the Default Rate from the date of demand to the date of payment in full (the "Liquidated Damages"), or (g) exercise any other right or remedy which may be available to Lessor under the Uniform Commercial Code or any other applicable law. The proceeds of any sale or lease of the Vehicles by Lessor shall be applied in the following order of priority: (1) to pay all of Lessor's expenses in taking, holding, preparing for sale or lease, and disposing of the Vehicles, including all attorneys fees and legal expenses, then (2) to pay any late charges and all interest accrued at the Default Rate; then (3) to pay accrued but unpaid Rent payments, then (4) to pay any other unpaid sums due under this Lease including Liquidated Damages. If the proceeds of any sale or lease are not sufficient to pay the amounts owed to Lessor under this Lease, Lessee will pay the deficiency. Lessor may also, without liability, take any personal property stored within the Vehicles and may store any such property at Lessee's expense for 30 days. Lessee will be obligated to reclaim such property within 30 days and hereby waives any rights in such property thereafter. Any unclaimed property will be deemed abandoned after 30 days and will be discarded by Lessor. Lessor's remedies hereunder shall be cumulative. Any security deposit paid by Lessee to Lessor in connection with this Lease shall be forfeited by Lessee upon the happening of any Event of Default, and shall be applied to Lessee's obligations under this Lease pursuant to this Section 19. Lessor's remedies hereunder may be exercised instead of or in addition to any other legal or equitable remedies. Lessor has the right to set off any sums received from any source (including insurance proceeds) against Lessee's obligations under this Lease. Lessee waives its right to object to the notice of the time or place of sale or lease, and to the manner and place of any advertising therefore. Lessee waives any defense based on statutes of limitations or laches in actions for damages. In case of failure by Lessee to pay any fees, assessments, charges, or taxes arising with respect to the Vehicles, Lessor shall have the right, but not the obligation to pay such amounts, and in that event, the cost thereof shall be payable by Lessee to Lessor upon demand, together with interest at the Default Rate from the date of disbursement by Lessor.

20. SECURITY DEPOSIT. The Security Deposit shall be held by Lessor during the entire Term of the Lease, including the Interim Term and any renewal term, as security for the full payment and performance of the terms, conditions and obligations of Lessee hereunder and under any and all Schedules. The Security Deposit shall not excuse the performance at the time and in the manner prescribed or any obligation of Lessee or cure a default of Lessee. Lessor may, but shall not be required to, apply such Security Deposit towards discharge of any overdue obligation of Lessee. Lessor shall be entitled to commingle the Security Deposit with any of its own funds. No Interest shall accrue on the Security Deposit and Lessor shall have no liability to account to Lessee for any interest. If Lessor shall apply any of the Security Deposit towards any obligations of Lessee under the Lease, Lessee shall, upon demand, pay to Lessor an amount necessary to return the Security Deposit to the sum specified above. In furtherance thereof, Lessee hereby grants to Lessor a security interest in the cash comprising the Security Deposit from time to time and any and all interest thereon, together with the proceeds thereof, to secure the prompt payment as and when due of all indebtedness, and the prompt performance as and when due of all obligations, of Lessee now or hereafter required under the Lease. If no Default has then occurred, upon the expiration or earlier termination of the Term of the Lease, the balance of the Security Deposit then held by Lessor shall promptly be paid to Lessee.

21. SEVERABILITY. The invalidation of any provision or provisions of this Lease as unenforceable shall not operate to invalidate the remainder of the Lease which shall remain in full force and effect.

22. NOTICES. All notices relating to this Lease shall be delivered in person to an officer of Lessor or Lessee or mailed to the respective addresses shown above on the first page of this Lease, or to such address as otherwise specified in writing by the appropriate party hereto.

23. WAIVER. Lessor's forbearance of exercise of any right or remedy on Lessee's breach of any terms, covenants or conditions hereunder shall not be deemed a waiver of such right or remedy, the requirement of punctual performance, or any of its remedies upon any other or subsequent breach or default.

24. GOVERNING LAW. This Lease takes effect upon its acceptance and execution by Lessor, and shall be governed, interpreted and construed under the laws of the State of Ohio. Ohio law shall prevail in the event of any conflict of law without regard to, and without giving effect to, the application of choice of law rules. LESSEE WAIVES ALL RIGHTS TO TRIAL BY JURY IN ANY LITIGATION ARISING FROM OR RELATED TO THIS LEASE, AND LESSEE SUBMITS TO THE JURISDICTION OF THE FEDERAL DISTRICT COURT FOR THE SOUTHERN DISTRICT OF OHIO, OR ANY STATE COURT OF COMPETENT JURISDICTION WITHIN MONTGOMERY COUNTY, OHIO, AND WAIVES ANY RIGHT TO ASSERT THAT ANY ACTION INSTITUTED BY LESSOR IN ANY SUCH COURT IS IN THE IMPROPER VENUE OR SHOULD BE TRANSFERRED TO A MORE CONVENIENT FORUM.

25. WAIVER OF DAMAGES. Lessee waives to the fullest extent permitted by law any right to or claim of any punitive, exemplary, indirect, special, consequential, or incidental damages against Lessor. Lessee agrees that, in the event of a dispute, claim or controversy against Lessor, Lessee shall be limited to the recovery of actual direct damages sustained by it, subject to any limit on direct damages set forth in this Lease. Lessee will not accept or attempt to collect through the courts or otherwise any punitive, exemplary, indirect, consequential, or incidental damages from Lessor.

26. SUCCESSORS AND ASSIGNS. This Lease shall be binding on and inure to the benefit of Lessor and Lessee and their respective successors and assigns permitted hereunder.

27. FORCE MAJEURE. The obligations of Lessor hereunder shall be suspended to the extent that it is hindered or prevented from complying therewith because of labor disturbances, acts of God, fires, storms, accidents, failure of the manufacturer to deliver any of the Vehicles, court order, governmental regulations, or other interference or any cause whatsoever not within the sole control of Lessor.

EXHIBIT L-2

obligation is absolute and unconditional and without set off, counterclaim or any defense whatsoever. The Lease payment amount is fixed and will not change during the term hereof. However, the Sales or Use tax charge and the Lessor's Insurance charge are subject to change up or down in the event that the taxing jurisdiction or insurance provider, as the case may be, should amend, change recalculate or otherwise adjust the amount of its charges. Lessee acknowledges that Lessor requires Lessee to execute an assignment of receivables and to authorize «**COMPANY**» to deduct from Lessee's weekly settlements, an amount sufficient to enable **EARTHGRAINS DISTRIBUTION, LLC** to forward payment of any amounts due hereunder to Lessor. Lessee acknowledges that any failure to execute such an assignment, or any attempted revocation of such an assignment shall constitute an Event of Default under this Lease.

3. Warranties. Lessor represents and warrants that Lessor has good title to the Equipment and the right to lease said Equipment. **THE FOREGOING WARRANTY IS EXCLUSIVE AND IS MADE IN LIEU OF ALL OTHER EXPRESS OR IMPLIED WARRANTIES BY LESSOR. LESSEE ACKNOWLEDGES AND AGREES THAT LESSOR HAS NOT MADE AND SHALL NOT BE DEEMED TO HAVE MADE ANY EXPRESS OR IMPLIED WARRANTY AS TO MERCHANTABILITY, FITNESS FOR ANY PURPOSE OR USE, DESIGN OR CONDITION OF EQUIPMENT, AS TO QUALITY OF MATERIAL OR WORKMANSHIP IN EQUIPMENT, OR AS TO ANY OTHER MATTER WHATSOEVER AND LESSOR SPECIFICALLY DISCLAIMS ANY LIABILITY FOR INDIRECT CONSEQUENTIAL, INCIDENTAL OR PUNITIVE DAMAGES ARISING OUT OF THE USE OF INABILITY TO USE EQUIPMENT. LESSEE LEASES EQUIPMENT "AS IS". LESSOR AGREES TO EXTENT POSSIBLE WITHOUT INCREASING ITS LIABILITY HEREUNDER, TO ASSIGN TO LESSEE, ANY WARRANTY OF A MANUFACTURER OR SELLER RELATING TO THE EQUIPMENT AVAILABLE TO LESSOR.**

4. Title and Inspection. Lessor is owner and shall at all times retain title to Equipment. Lessee, at its expense, shall protect and defend Lessor's title and keep it free of all claims and liens except those of Lessee hereunder and claims and liens created by or arising through Lessor. The Equipment shall remain personal property regardless of its attachment to realty, and Lessee agrees to take such action as necessary to prevent any third party from acquiring an interest in the Equipment as a result of its attachment to realty. Lessor may inspect the property at any time without prior notice during regular business hours.

5. Licenses. Lessee shall, at its expense, obtain all necessary licenses (including motor vehicle plates) and registration, required for the use and operation of Equipment. All certificates of title or registration of Equipment shall name Lessor as owner.

6. Use of Equipment. Lessee shall use Equipment only in its business and in compliance with all laws, rules, and regulations of any jurisdiction where it is used or located. Lessee shall pay for all maintenance of Equipment to keep it in good and efficient working order and condition during the term of the Lease. This includes, but is not limited to, Lessee's supplying all fuel, lubricants, and other parts, supplies, maintenance and services. After notice to Lessor, Lessee may, at its own expense, make alterations or add attachments, provided such alterations or attachments are removable and do not reduce the value of the Equipment. At the Lease expiration or termination, all alterations or attachments affixed to the Equipment shall become property of Lessor if not removed.

7. Taxes. Lessee shall pay all personal property, sales or use taxes, business licenses, assessments, penalties, and charges, which may be levied or asserted in respect to Equipment (except income taxes levied on lease payments to Lessor). In the event that any such unpaid taxes, licenses, assessments, penalties, or charges are paid by Lessor (at Lessor's sole discretion), Lessee shall reimburse and pay Lessor, immediately after Lessor notifies Lessee in writing of any such payment, the total of any such payment plus an administrative charge of \$100. Any unpaid balance shall be subject to an interest assessment of 12.5% per annum.

8. Fines. Lessee shall pay any and all fines or charges of any and every kind or nature, which may be imposed or assessed in respect to the Equipment, and/or its use and operation by the Lessee.

9. Loss or Damage. Lessee shall bear the entire risk of loss, theft, destruction of or damage to Equipment from any cause whatsoever ("Loss or Damage"). No loss or damage shall relieve Lessee of any obligation under the Lease. In the event of loss or damage, Lessee shall, at the option of Lessor,

(a) put Equipment in good condition and repair;
(b) replace Equipment with like equipment in good condition and repair with clear title thereto in Lessor; or
(c) pay Lessor in cash (i) all amounts then due Lessor by Lessee under the Lease, (ii) an amount equal to the residual value of the Equipment, and (iii) unpaid balance of the total rent for the term of the Lease. Upon receipt of said payment, Lessor shall assign to Lessee (or Lessee's insurer) Lessor's interest in the Equipment in its then condition and location, "AS IS" without any warranty whatsoever, express or implied.

10. Insurance. Lessee shall obtain and maintain insurance on or with respect to Equipment at Lessee's own expense and in amounts and form satisfactory to Lessor. In no event shall any insurance coverage be less than the following: (a) physical damage insurance (collision, fire, theft, and comprehensive), insuring against loss or damage to Equipment in amount not less than full replacement value of Equipment bearing no more than \$500 deductible; (b) \$1,000,000 combined single limit for bodily Injury liability and property damage and (c) Auto Lease Loan GAP. Lessee shall furnish Lessor with a certificate of insurance evidencing issuance of such to Lessee in at least the minimum amount, required herein, naming Lessor as additional insured thereunder for liability coverage and as loss payee for property damage coverage. Each policy shall require Insurer to give Lessor no less than 30 days prior written notice of any alteration in terms of policy or cancellation thereof and shall provide that no action or misrepresentation of Lessee shall invalidate the policy. If Lessee fails to provide such insurance, Lessor shall have the right, but no duty, to obtain insurance and Lessee shall pay Lessor all costs thereof. Lessee shall not cancel the required insurance at any time without the prior written consent of Lessor. Lessee shall not use Equipment if insurance required herein is not in full force and effect. Upon Loss or Damage to Equipment, Lessee shall receive credit for any amounts paid by the insurance against Lessee's obligations hereunder.

11. Indemnity. Lessee shall indemnify Lessor against, and hold Lessor harmless from any and all claims, actions, damages including reasonable attorneys fees and costs obligations, liabilities, and liens (including any arising or imposed under the doctrines or Strict Liability in tort or Product Liability), arising out of manufacture, purchase, lease, possession, operation, condition, return or use of Equipment, or by operation of law, excluding however any of foregoing resulting solely from the gross negligence or willful misconduct of Lessor. Lessee agrees that upon written notice by Lessor of assertion of such claim, action, damage, obligation, liability or lien, Lessee shall assume full responsibility for defense thereof. Lessor shall have the right, but not the obligation, to participate in any defense conducted by Lessee without relieving Lessee of any of its obligations hereunder. The provisions of this paragraph shall survive termination of this Lease.

12. Assignment. This Lease may be assigned with Lessor's prior written consent. An assignment fee of \$250.00 shall be payable by Lessee. Without Lessor's prior written consent, Lessee shall not assign, transfer, pledge, hypothecate or otherwise dispose of this Lease, the Equipment or any interest therein, or sublet or lend Equipment or permit it to be used by anyone except Lessee or Lessee's authorized agents or employees. Lessor may assign this Lease in whole or part without notice to Lessee. Lessor's Assignee shall have all of the rights, but none of the obligations of Lessor hereunder.

13. Lessor's Financing. Lessor may assign to a lender or lenders, a security Interest in Equipment and the right to receive rents and other sums due hereunder. Upon notice of such assignment in writing by a lender (not Lessor), Lessee shall pay all rents and other sums due, or to become due under this Lease directly to assignee without set off, counterclaim, or any defense whatsoever without claim for same by Lessor.

14. Lease Bond. In addition to Lessee's obligations and certain collateral security granted hereunder, the obligations of Lessee shall further be secured by a certain Lease Bond (copy attached hereto). Any breach, non-renewal or cancellation of said bond shall represent a material breach of this Lease and entitle Lessor, at Lessor's sole discretion, to terminate this lease as further set forth in Paragraph 18 below.

15. Surrender. Upon expiration or termination of this Lease, upon failure to exercise any purchase option, or upon demand by Lessor made pursuant to an "Event of Default," Lessee shall at its own expense return Equipment to Lessor to such location within the continental United States as Lessor shall designate, in the same condition as when delivered, reasonable

wear and tear excepted. Upon return of the Equipment, Lessor, or such entity designated by Lessor, shall perform a physical and mechanical inspection of the Equipment. Lessee shall be responsible for the payment of any and all costs associated with the inspection and for any and all repairs necessary to place the Equipment in the same condition as when delivered, reasonable wear and tear excepted.

16. Purchase Option. Lessee may purchase Equipment at the end of the Lease Term for the sum of \$1, plus a \$249 document preparation and transfer fee, provided that: (a) Lessee gives Lessor written notice of Lessee's intention to exercise the option at least 30 days prior to the exercise and end of the Term; (b) Lessee is not in default under any covenant or condition of this Lease, and (c) Lessee pays all rent and other charges due hereunder together with the full purchase price set forth above. Upon exercise of option and payment by Lessee of the purchase price and all rental charges, Lessor will execute and deliver a bill of sale for the Equipment to Lessee. THIS SALE WILL BE WITHOUT ANY REPRESENTATION OR WARRANTY OF ANY KIND BY OWNER, WHETHER EXPRESS OR IMPLIED IN FACT OR LAW and, Lessee will accept Equipment "AS IS" and "WHERE IS".

17. Default. Lessee shall be in default of this Lease upon the happening of any of the following events or conditions ("Events of Default"): (a) Lessee fails to pay any rent or other amount when due; (b) Lessee fails to observe, keep or perform any other covenants or provisions of this Lease required to be observed, kept, or performed, by Lessee; (c) Lessee tries to remove, sell, transfer, encumber, create a security interest in, or part with possession of the Equipment, or perform any act tending to impair Lessor's title to Equipment; (d) Lessee makes a misrepresentation to Lessor of any matter or covenant connected with this Lease; (e) Lessee fails to satisfy any traffic ticket or summons or fails to register the Equipment; (f) Lessee becomes insolvent, bankrupt or has a trustee or receiver appointed for Lessee or for a substantial part of Lessee's property; (g) Lessee experiences a material change in its business or affairs, (including but not limited to change in control or ownership or Termination of its Distribution Agreement referred to in Paragraph 24 below) which in Lessor's judgment impairs the security of the Equipment or increases the credit risk involved therein; (h) Lessee fails to notify Lessor of any material change in its business and affairs, including a change in the ownership or control of Lessee; (i) failure of Lessee to execute or maintain the assignment of receivables referred to in Paragraph 2 above.

18. Remedies. Upon the happening of any event of default, Lessor may at its option (a)

commence arbitration to enforce performance of the Lease or to recover damages for the breach thereof, and/or (b) terminate the Lease as to all items of Equipment and/or Lessee's right of possession thereto whereupon all right, title and interest of Lessee hereunder shall cease and Lessor or its agents may enter Lessee's premises or other premises where Equipment is located, take possession of it and thenceforth hold, possess and enjoy the Equipment free from any rights of Lessee thereto. Lessor shall, nevertheless, have a right to recover from Lessee any and all amounts due and to become due under the Lease as damages for the loss of bargain together with all expenses including legal fees incurred in all actions arising under the Lease. Lessor may also, without liability, take personal property stored within the Equipment and may store any such property at Lessee's expense for 30 days. Lessee will be obligated to reclaim such property within 30 days and hereby waives any rights in such property thereafter. Any unclaimed property will be deemed abandoned after 30 days and will be discarded by Lessor. Lessor's remedies hereunder shall not be deemed in its favor and shall be cumulative. Lessee hereby grants to Lessor an irrevocable power of attorney to effect any assignment under this paragraph or any other obligation of Lessee under this Lease upon default.

19. Severability. The invalidation of any provision or provisions of this Lease as unenforceable shall not operate to invalidate the remainder of the Lease, which shall remain in full force and effect.

20. Notices. All notices relating to this Lease shall be delivered in person to an officer of Lessor or Lessee or mailed to the respective addresses shown hereinabove or to such address as otherwise specified in writing by the appropriate party hereto. Each party hereby waives any right to receive notices relating to this Lease by certified or registered mail.

21. Waiver. Lessor's forbearance of exercise of any right or remedy on Lessee's breach of any terms, covenants or conditions hereunder shall not be deemed a waiver of such right or remedy,

the requirement of punctual performance, or any of its remedies upon any other or subsequent breach or default.

22. Resolution of Disputes. The Procedures set forth in this provision are the only procedures for the resolution of any dispute, controversy or claim arising out of or relating in any manner to this Lease, including but not limited to the formation, operation or termination of the Lease or the relationship created between Lessee and Lessor under the Lease.

(a) A party having a dispute, controversy or claim will give the other party written notice of the dispute. Within thirty (30) business days after receipt of this notice, the receiving party shall submit to the disputing party a written response. The written notice and response shall include (i) a statement of each party's position and a summary of the facts and arguments supporting its position, and (ii) the name and title of the person who will represent that party. Within 30 days from the date of the responding party's written response, the parties shall meet (or if agreeable to the parties, shall carry on discussions by telephone) to attempt to resolve the dispute between themselves.

(b) If the parties are not able to resolve the dispute within 60 business days from the date of the responding party's written response or if a party falls to engage in discussions to attempt to resolve the matter, the dispute shall be settled by arbitration with an arbitrator as mutually agreed to by the parties. The arbitration shall be governed by the U.S. Arbitration Act, 9 U.S.C. § 1, et seq. Courts of the State of New York or any U.S. District Court located in New York will have sole jurisdiction over enforcement of arbitration and/or this Lease. Judgment upon any arbitration award may entered by any state or federal court located in New York having jurisdiction thereof. Unless the parties otherwise agree, the place of arbitration shall be Purchase, New York. The arbitrator is not authorized or empowered to, and shall not award punitive, exemplary, indirect, special, consequential or incidental damages or any other damages in excess of actual, direct damages or in excess of any limit on direct damages set forth in this Lease. If either party is required to compel arbitration that party shall be reimbursed for the costs and expenses incurred in compelling arbitration.

(c) Any deadline specified in this provision may be extended by mutual agreement of the parties.

(d) Any and all claims, disputes or controversies relating in any manner to this Lease shall be commenced within two (2) years, from the occurrence of the facts giving rise to such claim, dispute or controversy; or the claim, dispute or controversy shall be considered barred.

(e) BY AGREEING TO THE PROCEDURES SET FORTH IN THIS PARAGRAPH, THE LESSEE AND LESSOR EACH WAIVE THE RIGHT TO HAVE A CLAIM, DISPUTE OR CONTROVERSY UNDER THE LEASE DECIDED BY A JURY.

23. Waiver of Damages. Lessee and Lessor waive to the fullest extent permitted by law any right to or claim of any punitive, exemplary, indirect, special, consequential or incidental damages against the other. Lessee and Lessor agree that, in the event of a dispute, claim or controversy against the other, each party shall be limited to the recovery of actual direct damages sustained by it, subject to any limit on direct damages set forth in this Lease. Neither Lessee nor Lessor will accept or attempt to collect through the courts or otherwise any punitive, exemplary, indirect, consequential or incidental damages from the other even if such damages are ordered or awarded by the arbitrator despite the agreement between the parties to the contrary.

24. Cross Collateral. The word "rent" means all charges evidenced by this Lease, including all rental payments, together with all other indebtedness and costs and expenses for which the Lessee is responsible to Lessor or under this Lease or under any related documents. In addition, the word "rent" includes all other obligations, debts and liabilities, plus any applicable interest thereon of Lessee, to Lessor, arising under this or any other agreement or contract of Lessee with Lessor, as well as claims by Lessor against Lessee, whether existing now or later; whether they are voluntary or involuntary, due or not due, direct or indirect, absolute or contingent, liquidated or unliquidated; whether the Lessee may be liable individually or jointly with others; and whether Lessee may be obligated as guarantor, surety, accommodation party or otherwise. The word "equipment" means all machinery, motor vehicles, and accessories, whether now or hereafter acquired, whether now existing or hereafter arising, and wherever located, leased by Lessor to Lessee. The term "Distribution Rights" refers to the rights Lessee has obtained to distribute Products as granted to Lessee by **EARTHGRAINS DISTRIBUTION,**

LLC and as further evidenced by a certain Distribution Agreement. Lessee hereby grants Lessor a security interest in and hereby assigns, conveys, delivers, pledges, and transfers all of Lessee's right, title and interest in and to the aforementioned Distribution Rights, the business receivables obtained from the exercise of those rights, and any and all of the equipment leased by Lessee from Lessor as security for all of the rent obligations set out herein. Lessee agrees to execute a UCC-1 or any other document reasonably required by Lessor to evidence and perfect such liens.

25. Successors and Assigns. This Lease shall be binding on and inure to the benefit of Lessor and Lessee and their respective successors and assigns.

26. Painting. Lessee may paint Equipment in Lessee's customary manner and affix advertising or identifying insignia.

THIS LEASE AGREEMENT ("Lease") is hereby entered into as of the Contract Date above by and between DATA TAG ("Lessor") and Lessee ("Lessee"), referenced above. ONLY THE WRITTEN TERMS OF THIS LEASE ARE ENFORCEABLE. TERMS OR ORAL PROMISES WHICH ARE NOT CONTAINED IN THIS WRITTEN LEASE MAY NOT BE LEGALLY ENFORCED. THE TERMS OF THIS LEASE MAY ONLY BE CHANGED BY ANOTHER WRITTEN AGREEMENT BETWEEN LESSOR AND LESSEE. THIS LEASE IS NOT CANCELABLE. LESSEE CERTIFIES THAT ALL INFORMATION GIVEN IN THIS LEASE AND THE LEASE APPLICATION WAS CORRECT AND COMPLETE WHEN THIS LEASE WAS SIGNED. THIS LEASE IS NOT BINDING UPON LESSOR OR EFFECTIVE UNLESS AND UNTIL LESSOR EXECUTES THIS LEASE. Lessee agrees to submit the original Lease documents with any security deposit to Lessor or its assignee via overnight courier the same day as the electronic transmission of the Lease documents. Should the Lessor not receive these originals, Lessee agrees to be bound by the electronic copy of this Lease and the electronic copy shall be considered the original and shall be the binding agreement for purposes of any enforcement action under paragraph 20.

1. GRANT OF LEASE. Lessor hereby leases to Lessee, and Lessee hereby leases from Lessor, the Equipment described herein, together with all replacements, repairs and additions thereto (individually and collectively, the "Vehicles") on the terms and conditions set forth in this Lease. Lessee agrees that Lessee leases the Vehicles "as-is", and confirms that as of the date of delivery of each Vehicle, such Vehicle is of the design and manufacture selected by Lessee, and as of such date, Lessee has unconditionally accepted such Vehicles in all respects. Lessee further confirms that it has selected the Vehicles on the basis of its own judgment, and expressly disclaims reliance upon any statements, representations, or warranties made by Lessor, and Lessee acknowledges that Lessor is not the manufacturer of the Vehicles. Lessee certifies that the Vehicles identified herein will be used for commercial purposes. Should it be determined, notwithstanding the express intent of the parties, that this Lease is not a lease but rather an agreement intended for security, Lessee grants Lessor a security interest in the Vehicles, all accessions and additions to, substitutions and replacements for, and proceeds (including insurance proceeds), accounts, rights of payments, chattel paper, equipment and income arising from or generated by the Vehicles. Lessee agrees that the security interest will not be affected if this Lease is changed in any way. Lessee appoints Lessor (or its agent) as its true and lawful attorney-in-fact to affix its signature to UCC financing statements prepared and filed on its behalf by Lessor (or its agent) with the same force and effect as if Lessee had signed such financing statements. Lessee shall take all actions and execute all documents reasonably requested by Lessor to establish, maintain, and continue the perfected security interest of Lessor.

2. INITIAL TERM. The term of this Lease for each Vehicle shall commence on the Contract Date and shall continue for that number of months from the first (1st) day of the month following the Contract Date (unless the Contract Date is the first (1st) day of the month, in which case the Contract Date shall be the date on which the term of this Lease commences) ("Commencement Date") each as set forth in the Summary of Lease Terms (such period as extended or sooner terminated by Lessor as provided herein, the "Term").

3. RENT. The rental payment amount for each Vehicle hereunder (the "Basic Rent") is set forth in the Summary of Lease Terms. Basic Rent on each Vehicle shall begin to accrue on the Contract Date and shall be due and payable in U.S. dollars in immediately available funds by Lessee in advance or arrears for the periods (each a "Rental Period") and for the total number of payments as set forth in the Summary of Lease Terms, in each case, on the first day of each such Rental Period. If the Contract Date does not fall on the first day of the month, the rental for that period of time from the Contract Date until the Commencement Date shall be an amount equal to the daily rental (Basic Rent divided by 7 days for One Week, 14 days for One

Biweekly and 30 days for One Month Rental Periods, as applicable), multiplied by the number of days from (and including) the Contract Date to (but not including) the Commencement Date and shall be due and payable on the Commencement Date.

Subsequent Basic Rent payments (plus applicable taxes) will be due for successive months, whether or not Lessee receives an invoice from Lessor, until the balance of the Basic Rent payments or expenses chargeable to Lessee under this Lease are paid in full. Lessee shall pay all amounts other than Basic Rent Lessee is obligated to pay hereunder (the "Supplemental Rent" and together with Basic Rent, the "Rent") when due or if no date is specified herein, on demand. If any Rent payment is not made within five (5) days after its due date, Lessee shall pay a late charge equal to the lesser of 10% of the late rental payment amount, and the maximum amount permitted by law. Lessor may charge Lessee a return check or non-sufficient funds charge of \$50.00 (not to exceed the maximum amount permitted by law) for any payment which is returned by the bank for any reason. LESSEE'S PAYMENT OF RENT AND LESSEE'S PERFORMANCE OF ALL OTHER OBLIGATIONS ARE ABSOLUTE AND UNCONDITIONAL AND WITHOUT SET OFF, COUNTERCLAIM, OR ANY DEFENSE WHATSOEVER, INCLUDING, BUT NOT LIMITED TO, ANY RIGHT OR CLAIM THAT LESSEE MAY NOW OR HEREAFTER HAVE AGAINST LESSOR, ANY OF LESSOR'S AFFILIATES, ANY ASSIGNEE OF LESSOR, OR THE MANUFACTURER OF THE VEHICLES FOR ANY REASON WHATSOEVER, SPECIFICALLY INCLUDING, WITHOUT LIMITATION, ANY CLAIMS THAT LESSEE MAY HAVE AGAINST LESSOR, ANY OF LESSOR'S AFFILIATES, OR ANY ASSIGNEE OF LESSOR WITH RESPECT TO THE SERVICE AND MAINTENANCE AGREEMENT REFERENCED IN SECTION 7 HEREOF.

4. OPTION UPON EXPIRATION OF INITIAL TERM OF LEASE. Upon expiration of the Initial Term of the Lease, Lessee shall comply with the provisions of Clause A or B below, in either case, as specified in the Summary of Lease Terms.

A. Terminal Rental Adjustment Clause ("TRAC"). Lessee agrees that there shall be an adjustment of the Rent to be paid Lessor under the Lease for the Vehicles. It is presently anticipated that the fair market value of the Vehicles (the "Estimated Fair Market Value") will equal the TRAC Residual set forth in the Summary of the Lease Terms. Upon expiration of the Initial Term, Lessor will attempt to sell the Vehicles. In the event that the Net Proceeds (as defined below) are less than the Estimated Fair Market Value, Lessee shall pay to Lessor the full amount of such shortfall. If the Vehicles have not been sold on the last day of the Initial Term, then the Net Proceeds shall be deemed to be zero and Lessee shall immediately pay to Lessor the TRAC Residual. If the Lessor thereafter shall sell the Vehicles, the Net Proceeds shall be paid by Lessor to Lessee. Any such payment by either Lessee or Lessor shall be deemed to be a Terminal Rental Adjustment with respect to the Vehicles. As used herein, "Net Proceeds" shall mean the proceeds received by Lessor, after deducting (i) all costs and expenses incurred in connection with the recovery, repair, storage, and sale of the Vehicles, including any and all attorneys' fees and legal expenses, (ii) all late charges and all interest accrued at the Default Rate (as hereinafter defined), and (iii) all rent payments and other obligations of Lessee due and unpaid under the Lease as of the date of the sale or disposition. As to each Vehicle, if the Net Proceeds received by Lessor from the sale or other disposition of such Equipment after expiration of the Initial Term are less than the TRAC Residual amount for such Equipment as set forth in the Summary of Lease Terms, then Lessee shall immediately pay to Lessor the amount of such deficiency as additional Rent hereunder. If the Net Proceeds are in excess of the TRAC Residual amount, then 100% of such excess shall be returned to Lessee as a reduction in the Rent for such Vehicle, provided, however, that Lessor shall be entitled to retain all or any portion of such amount to satisfy any of Lessee's obligations under the Lease.

Lessee hereby certifies, under penalty of perjury, that:

- (i) Lessee intends that more than 50% of the use of the Vehicles subject to this TRAC is to be used in a trade or business of the Lessee,
- (ii) Lessee has been advised by tax counsel or other tax advisor, and
- (iii) Lessee understands and agrees that, Lessee will not be treated as the owner of the Vehicles identified above for federal income tax purposes.

B. \$1.00 Buyout. Lessee hereby unconditionally agrees to purchase all, but not less than all, of the Vehicles for \$1.00 upon expiration of the Initial Term of the Lease plus an end of Lease processing fee of \$87.25. Lessee and Lessor agree that Lessee is owner of the Vehicles (notwithstanding Lessor being designated as Owner on the title) and shall pay all license, registration fees, and documentary, sale and use taxes, and personal property taxes and all other taxes, fees and charges relating to the ownership, leasing, rental, sale, purchase, possession or use of the Equipment. **YOU DO NOT HAVE THE OPTION TO RETURN THE EQUIPMENT.**

With respect to any option upon expiration of the Initial Term of the Lease set forth herein, if written notice of Lessee's intention to exercise such elected option is not received within 30 days of the end of the Term, then, Lessee agrees to pay a daily rental fee equal to 100% of the daily Rent for each day that the Vehicles are retained by Lessee. Upon exercise of the option elected by Lessee and payment in full by Lessee of any related purchase amounts and all Rent, Lessor will execute and deliver to Lessee the title to the Vehicles, and any other documentation necessary to transfer title to Lessee. THIS SALE WILL BE WITHOUT ANY REPRESENTATION OR WARRANTY OF ANY KIND BY LESSOR, WHETHER EXPRESS OR IMPLIED IN FACT OR LAW and, Lessee will accept the Vehicles "AS IS" and "WHERE IS".

5. TAX INDEMNIFICATION. Except to the extent Section 4B is applicable upon expiration at the Initial Term, it is understood and agreed that Lessor is owner of the Vehicles and that Lessor shall be entitled to such tax benefits that are available as owner of the Vehicles through depreciation of the total capitalized cost of the Equipment thereof for federal income tax purposes. In the event that Lessor suffers any loss, disallowance, unavailability, or recapture of such depreciation for any reason whatsoever, then, after written notice thereof by Lessor to Lessee, Lessee shall pay to Lessor an additional incremental amount payable on each date that the Basic Rent is thereafter due, which in the opinion of Lessor, will cause Lessor's net after-tax annual cash flow and net after-tax rate of return respectively, that would have been available if Lessor had been entitled to full utilization of the depreciation. In the event that any payment is required to be made pursuant to this Section 5, and such payment is to be made on succeeding rent payment dates, but at such time this Lease shall have been terminated or Rent otherwise no longer shall be due and payable on the remaining rent payment dates, Lessee shall promptly pay Lessor any amount equal to the incremental increase in Basic Rent which would have been required if such tax loss had occurred immediately prior to the last rental payment date on or prior to the expiration or other termination of the Lease. Lessor shall promptly notify Lessee of the commencement of any proceeding by the Internal Revenue Service in respect of any item as to which indemnity is sought hereunder. Lessee's agreement to pay any sums which may become payable pursuant to this Section 5 shall survive the expiration or other termination of this Lease.

6. USE OF VEHICLES; LESSEE'S REPRESENTATIONS. Lessee shall use the Vehicles only in its business and in compliance with all laws, rules, and regulations of any jurisdiction where the Vehicles are used or located. Lessee represents and warrants to Lessor at all times that (i) Lessee is duly organized, validly existing and in good standing under the laws of the state of its formation; (ii) Lessee has the right and ability to enter into this Lease and perform all of its obligations under the Lease; (iii) this Lease constitutes a valid, legal, and binding obligation and agreement of Lessee, enforceable against Lessee in accordance with its terms; and (iv) that the entering into and performance of this Lease by Lessee will not result in a breach, violation, or default under any judgment, order, law, regulation, loan, mortgage, agreement, indenture, or other instrument applicable to Lessee, or result in any breach of, or constitute a default under, or result in the creation of any lien, charge, security interest, or other encumbrance upon the Vehicles pursuant to any instrument to which Lessee is a party or by which it is bound; (v) there are no pending or overtly threatened actions or proceedings, which either, individually, or in the aggregate, would materially adversely affect the financial condition of Lessee or Lessee's ability to perform all of its obligations under the Lease and (vi) Lessee's exact legal name (if Lessee is an individual, the Lessee's legal name is the name exactly as it appears on the Lessee's most recent, unexpired driver's license issued by the state of his/her principal residence) is identified on the first page of the Lease. Lessee shall (i) use and operate the Vehicles in a careful and prudent manner for the purposes and in the manner intended to be used; (ii) shall keep the Vehicles properly housed or otherwise protected from damage; and (iii) shall pay for all maintenance of Vehicles to keep them in good and efficient working order and condition in

accordance with all manufacturer service requirements and warranties during the Term of the Lease, including, but is not limited to, Lessee's supplying all fuel, lubricants, and other parts, supplies, maintenance and services, and/or Lessee, upon Lessor's request, entering into a service and maintenance agreement with Lessor or an affiliate of Lessor upon such terms and conditions provided by Lessor. After notice to Lessor, Lessee may, at its own expense, make alterations or add attachments to the Vehicles, provided that such alterations or attachments are removable and do not reduce the value, utility or useful life of the Vehicles. Upon the expiration or termination of the Lease, all alterations or attachments affixed to the Vehicles shall become the property of Lessor if not removed, and if Lessee does remove such attachments, Lessee shall be liable to Lessor for any damage to the Vehicles as the result of such removal. In the event that any federal, state, or local law, ordinance, rule or regulation shall require the installation of any additional accessories to any of the Vehicles, including, but not limited to, anti-pollution and/or safety devices, or in the event that any other modifications to the Vehicles shall be required by virtue of such law, ordinance, rule or regulation, then and in any of such events, Lessee shall pay the full cost thereof, including installation expenses. Lessor may, at its option, arrange for the installation of such additional accessories or the performance of such modifications, and Lessee agrees to pay the full cost thereof immediately upon receipt of an invoice for the same.

7. SURRENDER. Upon either the (i) failure by Lessee to exercise any purchase option for any Vehicle set forth herein, or (ii) upon demand by Lessor made pursuant to an Event of Default (as set forth in Section 19 hereof), Lessee shall, at its own expense, return such Vehicle to Lessor to such location within the continental United States as Lessor shall designate, in the same condition as when delivered, reasonable wear and tear excepted and otherwise in the condition required by this Lease. Upon return of the Vehicles, Lessor, or such entity designated by Lessor, shall perform a physical and mechanical inspection of the Vehicles. Lessee shall be responsible for the payment of any and all costs associated with the inspection, and for any and all repairs necessary to place the Vehicles in the same condition as when delivered, reasonable wear and tear expected and otherwise in the condition required by this Lease.

8. PAINTING. Lessee may paint the Vehicles in Lessee's customary manner and affix advertising or identifying insignia, provided that, upon the expiration or termination of this Lease, and in the event that Lessee does not purchase the Vehicles pursuant to Section 4.B hereof, Lessee shall, upon the request of Lessor and at Lessee's expense, restore the Vehicles to original condition, ordinary wear and tear excepted and must be free of decals or related markings.

9. WARRANTIES. LESSEE ACKNOWLEDGES AND AGREES THAT LESSOR HAS NOT MADE, AND SHALL NOT BE DEEMED TO HAVE MADE, ANY EXPRESS OR IMPLIED WARRANTY AS TO MERCHANTABILITY, FITNESS FOR ANY PURPOSE OR USE, DESIGN OR CONDITION OF VEHICLES, QUALITY OF MATERIAL OR WORKMANSHIP, OR AS TO ANY OTHER MATTER WHATSOEVER RELATING TO THE VEHICLES, AND LESSOR SHALL NOT BE LIABLE FOR ANY INDIRECT, CONSEQUENTIAL, INCIDENTAL, OR PUNITIVE DAMAGES ARISING OUT OF THE USE OR INABILITY TO USE THE VEHICLES, OR ANY INADEQUACY, DEFICIENCY, OR DEFECT IN THE VEHICLES. LESSEE AGREES THAT LESSEE LEASES THE VEHICLES "AS IS". Lessor agrees, to the extent possible and without increasing its liability hereunder, and upon request, to assign to Lessee, any warranty of a manufacturer or seller relating to the Vehicles available to Lessor, provided, however, that the foregoing rights shall automatically revert to Lessor upon the occurrence and during the continuance of any Event of Default hereunder, or upon return of the Vehicles to Lessor. Lessee agrees to settle all claims with respect to the Vehicles directly with the manufacturers thereof, and to give Lessor prompt notice of any such settlement and the details of such settlement

10. TITLE AND INSPECTION. Lessee, at its expense, shall protect and defend Lessor's title and keep it free of all claims and liens except those claims and liens created by Lessor in connection with any assignment or financing by Lessor. Lessor may inspect the Vehicles at any time without prior notice during regular business hours. If, at any time during the Term of this Lease, Lessor supplies Lessee with labels, plates or other markings stating that the Vehicles are owned by Lessor, Lessee shall affix and keep the same in a prominent place on the Vehicles.

11. LICENSES. Lessee shall at its expense obtain a certificate of title for each Vehicle or if Lessor elects to obtain such certificate of title, Lessee shall pay Lessor a titling fee as established by Lessor and shall also obtain all necessary licenses (including motor Vehicle plates) and registrations, required for the use and operation of each Vehicle. All certificates of title or registration of each Vehicle shall name Lessor or its assignee, including but not limited to Element Transportation Asset Trust, as the owner thereof.

12. INTERESTS IN VEHICLES. Lessee's rights with respect to this Lease and any Vehicles leased hereunder will be subject to any rights and interest in and to said Vehicles which may be granted by Lessor (or Lessor's affiliates) to any assignee or lender of Lessor (or Lessor's affiliates). Lessor may assign to a lender or any other assignee all or any part of Lessor's rights hereunder, including a security interest in the Vehicles and the right to receive rents and other sums due hereunder. Upon notice of such assignment in writing by a lender, assignee and/or Lessor, Lessee shall pay all rents and other sums due or to become due under this Lease directly to such lender or assignee without set off, counterclaim, or any defense whatsoever.

13. TAXES. Lessee shall pay all personal property, sales or use taxes, business licenses, assessments, penalties, and charges which may be levied or asserted with respect to the Vehicles (except income taxes levied on lease payments to Lessor). In the event that any such taxes, licenses, assessments, penalties, or charges are paid by Lessor, Lessee shall reimburse and pay Lessor immediately after Lessor notifies Lessee in writing of the amount of such taxes, licenses, assessments, penalties, charges or expenses paid by Lessor, as well as an administrative fee. Increases or decreases in sales or use tax rates will affect all lease payments after the effective date of the change by the taxing authority. Lessee shall indemnify and hold Lessor harmless from and against any loss, cost or expense arising out of or relating to any such tax, import or levy, including, without limitation, any penalties, interest and fines relating thereto.

14. FINES. Lessee shall pay all fines due to overload, over length, overweight, lack of plates or permits, speeding and any other charges which may be imposed or assessed in respect to the Vehicles and/or Lessee's use thereof. The provisions of this Section 14 shall survive the expiration or other termination of this Lease.

15. LOSS OR DAMAGE. Lessee shall bear the entire risk of loss, theft, destruction of or damage to any Vehicle from any cause whatsoever ("Loss or Damage"). Lessee shall promptly notify Lessor in writing of any Loss or Damage. No Loss or Damage to any Vehicles shall relieve Lessee of any obligation with respect to such Vehicle under this Lease. In the event of Loss or Damage, Lessee shall, at the option of Lessor: (a) put such Vehicle in good condition and repair in accordance with the manufacturer's recommendations, and to the reasonable satisfaction of Lessor, at Lessee's expense; (b) replace such Vehicle with a like Vehicle (same value, utility and useful life as damaged Vehicle) in good condition and repair as approved by Lessor in Lessor's sole discretion with clear title thereto vested in Lessor; or (c) pay Lessor on or before the next rent payment date as set forth in accordance with Section 3 hereof (such payment date, the "Loss Payment Date") in cash the sum of: (i) all amounts then due Lessor by Lessee under the Lease relating to such Vehicle, which amounts shall be prorated through the Loss Payment Date, plus (ii) an amount equal to the present value of the TRAC Residual, if any, relating to such Vehicle (as set forth in the Summary of Lease Terms), discounted at 3.0% computed from the expiration of the Initial Term of the Lease to the Loss Payment Date, plus (iii) an amount equal to the present value of the unpaid future remaining Rents for the Initial Term of the Lease, relating to such Vehicle discounted at 3.0% computed from the scheduled payment dates for such Rents to the Loss Payment Date (the "Casualty Value Amount"). Upon receipt of the Casualty Value Amount set forth in (c) above, Lessor shall assign to Lessee (or Lessee's insurer) Lessor's interest in such Vehicle in its then condition and location, "AS IS" without any warranty whatsoever, express or implied. If Lessee is required to repair any Vehicle in accordance with (a) above, or to replace any Vehicle in accordance with (b) above, the insurance proceeds actually received by Lessor, if any, pursuant to Section 16 hereof shall be first applied to pay any amounts then due under this Agreement, and then shall be paid to Lessee upon proof satisfactory to Lessor that such repairs have been completed as required herein (in the case of (a)), or of adequate purchase and title documents in Lessor's sole discretion (in the case of (b)). In the event that Lessee is obligated to pay to Lessor the amount specified in (c) above, Lessee shall be entitled to a credit against such amount equal to the amount of insurance proceeds actually received by Lessor, if any, pursuant to Section 16 hereof, on account of such Vehicle.

16. INSURANCE. Lessee shall obtain and maintain insurance on or with respect to each Vehicle at your own expense and in the amounts and forms satisfactory to Lessor. In no event shall any insurance coverage be less than the following:

(a) Physical damage insurance insuring against loss or damage to the Vehicles in an amount not less than the full replacement value of such Vehicle; and

(b) (i) in all States except Florida: (1) not greater than \$500 deductible for collision, fire, theft, and comprehensive, and (2) \$1,000,000 combined single limit for bodily injury liability and property damage; or

(b) (ii) for the State of Florida: (1) not greater than \$500 deductible for collision, fire, theft, and comprehensive, and (2) \$250,000 per person / \$1,000,000 per incident bodily injury liability, and (3) \$100,000 property damage liability.

In addition, the following require \$1,000,000 excess liability coverage (umbrella): (a) truck/tractors over 45,000 lbs.; (b) trailers/semi-trailers; tow trucks; and (c) limo uses for livery. Lessee shall furnish Lessor with a certificate of insurance evidencing issuance of such insurance to Lessee in at least the minimum amount required herein, naming Lessor and such other parties designated by Lessor as additional insured thereunder for liability coverage, and as loss payee for property damage coverage. Each policy shall require insurer to give Lessor 30 day's prior written notice of any material alteration in terms of policy or cancellation thereof, and shall provide that no action, misrepresentation or breach of warranty of Lessee shall invalidate the policy. If Lessee fails to provide such insurance, Lessor shall have the right, but no duty, to obtain such insurance and Lessee shall pay Lessor all costs thereof, including all costs incurred by Lessor in obtaining such insurance together with interest at the Default Rate from the date paid by Lessor to the date paid in full by Lessee. Lessee shall not use any Vehicle if the insurance required herein is not in full force and effect with respect to such Vehicle. Upon Loss or Damage as set forth in Section 15 hereof, Lessee shall receive credit for any amounts paid to Lessor by the insurer against Lessee's obligations hereunder.

17. INDEMNITY. Lessee shall indemnify Lessor against, and hold Lessor harmless from, any and all claims, actions, damages, obligations, liabilities, liens (including any arising or imposed under the doctrines or strict liability in tort or product liability), and costs and expenses (including attorneys' fees), arising from or out of the manufacture, purchase, lease, possession, operation, condition, return, or use of the Vehicles, or by operation of law, excluding however any of foregoing resulting solely from the gross negligence or willful misconduct of Lessor. Lessee agrees that upon written notice by Lessor of assertion of any such claim, action, damage, obligation, liability, or lien, Lessee, at Lessee's expense shall assume full responsibility for the defense thereof, provided that Lessor shall have the right, but not the obligation, to participate in any defense conducted by Lessee without relieving Lessee of any of its obligations hereunder. The provisions of this Section 17 shall survive termination of this Lease.

18. ASSIGNMENT. Except as otherwise permitted herein, without Lessor's prior written consent, Lessee shall not assign, transfer, pledge, hypothecate or otherwise dispose of this Lease, the Vehicles or any interest therein, or sublet or lend the Vehicles, or permit the Vehicles to be used by anyone except Lessee or Lessee's authorized employees. Lessor may assign this Lease or any interest therein in whole or part without notice to Lessee.

19. DEFAULT. Lessee shall be in default of this Lease upon the happening of any of the following events or conditions which shall constitute "Events of Default": (a) Lessee fails to pay any Rent or other amount when due; (b) Lessee fails to observe, keep or perform any other covenant or provision of this Lease required to be observed, kept, or performed, by Lessee; (c) Lessee removes, sells, transfers, encumbers, creates a security interest in, relinquishes possession of the Vehicles, or performs any act which impairs Lessor's title to any Vehicle or attempts any of the foregoing; (d) Lessee makes a misrepresentation to Lessor of any matter or covenant connected with this Lease; (e) Lessee fails to satisfy any traffic ticket or summons or fails to register any Vehicle; (f) Lessee or a guarantor dies (if an individual), becomes insolvent, bankrupt or has a trustee or receiver appointed for Lessee or for a substantial part of Lessee's property; (g) Lessee experiences a material change in its business or affairs (including termination of Lessee's employment or termination of the contract under which Lessee provides services or a change in the control or ownership of Lessee or Lessee's employer or the party with which Lessee contracts to provide services) which in Lessor's sole judgment impairs the security of any Vehicle or increases the credit risk involved therein; (h) Lessee attempts to assign this Lease without the consent of Lessor; or (i) Lessee fails to notify Lessor of any material change in its business and affairs, including a change in the ownership or control of Lessee. Lessee hereby irrevocably appoints and constitutes Lessor and its successors and assigns, the true and lawful attorney-in-fact of Lessee, with full power in the name of Lessee upon the occurrence of an Event of Default, (i) to demand and receive any and all moneys and claims for moneys due in respect of or relating to the Equipment, (ii) to assign or transfer any of Lessee's rights under this Lease or in the Equipment (including assigning the rights of Lessee to any replacement lessee hereunder and/or causing any other person to become the registered owner of the Equipment) and (iii) to take any other action in respect of this Lease or any of the Equipment. Lessee ratifies and approves all acts of Lessor, as attorney-in-fact. Lessor, as attorney-in-fact will not be liable for any acts or omissions or errors of judgment or mistake of fact or law. This power, being coupled with an interest, is irrevocable until all obligations under this Lease have been fully satisfied.

20. REMEDIES. Upon the occurrence of any Event of Default, Lessor may declare this Lease to be in default, and at any time thereafter, Lessor, at its option, may do any one or more of the following: (a) cancel this Lease; (b) proceed by appropriate action to enforce performance of the Lease at Lessee's expense or to recover damages (including attorneys' fees) for the breach thereof; (c) demand that Lessee, and in such case the Lessee shall, return all or any part of the Vehicles promptly in the manner required by and in accordance with Section 7 hereof; (d) enter, with or without legal process, Lessee's premises or any other premises where the Vehicles are located, and take possession of all or any part of the Vehicles without any liability to Lessee by reason of such entry; (e) sell, lease, or otherwise dispose of all or any part of the Vehicles at a public or private sale, which may be conducted where such Vehicles are then located and Lessor may also advertise and sell repossessed Vehicles through internet websites through which vehicles similar to the Vehicles are sold and such disposition shall be deemed in conformity with reasonable commercial practice among dealers of the type of vehicles that were the subject of the disposition; (f) demand that Lessee, and in such case Lessee shall, pay to Lessor as liquidated damages for loss of a bargain and not as a penalty an amount equal to the sum of (i) all amounts due and unpaid under the Lease (including without limitation any indemnity obligations) plus interest thereon from the due date thereof until paid at a per annum interest rate equal to 18%, but in no event more than the maximum rate permitted by law (the "Default Rate"), plus (ii) the present value of all future Rent payments for such Vehicles, discounted at 3.0%, plus (iii) the present value of the TRAC Residual, if any, discounted at 3.0%, plus (iv) all costs and expenses incurred by Lessor in enforcing Lessor's rights hereunder (including, without limitation, all costs of repossession, recovery, storage, repair, sale, re-lease, and attorneys' fees), together with interest thereon at the Default Rate from the date of demand to the date of payment in full (the "Liquidated Damages"), or (g) exercise any other right or remedy which may be available to Lessor under the Uniform Commercial Code or any other applicable law. The proceeds of any sale or lease of the Vehicles by Lessor shall be applied in the following order of priority: (1) to pay all of Lessor's expenses in taking, holding, preparing for sale or lease, and disposing of the Vehicles, including all attorneys' fees and legal expenses, then (2) to pay any late charges and all interest accrued at the Default Rate; then (3) to pay accrued but unpaid Rent payments, then (4) to pay any other unpaid sums due under this Lease including Liquidated Damages. If the proceeds of any sale or lease are not sufficient to pay the amounts owed to Lessor under this Lease, Lessee will pay the deficiency. Lessor may also, without liability, take any personal property stored within the Vehicles and may store any such property at Lessee's expense for 30 days. Lessee will be obligated to reclaim such property within 30 days and hereby waives any rights in such property thereafter. Any unclaimed property will be deemed abandoned after 30 days and will be discarded by Lessor. Lessor's remedies hereunder shall be cumulative. Any security deposit paid by Lessee to Lessor in connection with this Lease shall be forfeited by Lessee upon the happening of any Event of Default, and shall be applied to Lessee's obligations under this Lease pursuant to this Section 20. Lessor's remedies hereunder may be exercised instead of or in addition to any other legal or equitable remedies. Lessor has the right to set off any sums received from any source (including insurance proceeds) against Lessee's obligations under this Lease. Lessee waives its right to object to the notice of the time or place of sale or lease, and to the manner and place of any advertising therefore. Lessee waives any defense based on statutes of limitations or laches in actions for damages. In case of failure by Lessee to pay any fees, assessments, charges, or taxes arising with respect to the Vehicles, Lessor shall

have the right, but not the obligation to pay such amounts, and in that event, the cost thereof shall be payable by Lessee to Lessor upon demand, together with interest at the Default Rate from the date of disbursement by Lessor.

21. SECURITY DEPOSIT. The Security Deposit shall be held by Lessor during the entire Term of the Lease, including the Interim Term and any renewal term, as security for the full payment and performance of the terms, conditions and obligations of Lessee hereunder and under any and all Schedules. The Security Deposit shall not excuse the performance at the time and in the manner prescribed or any obligation of Lessee or cure a default of Lessee. Lessor may, but shall not be required to, apply such Security Deposit towards discharge of any overdue obligation of Lessee. Lessor shall be entitled to commingle the Security Deposit with any of its own funds. No Interest shall accrue on the Security Deposit and Lessor shall have no liability to account to Lessee for any interest. If Lessor shall apply any of the Security Deposit towards any obligations of Lessee under the Lease, Lessee shall, upon demand, pay to Lessor an amount necessary to return the Security Deposit to the sum specified above. In furtherance thereof, Lessee hereby grants to Lessor a security interest in the cash comprising the Security Deposit from time to time and any and all interest thereon, together with the proceeds thereof, to secure the prompt payment as and when due of all indebtedness, and the prompt performance as and when due of all obligations, of Lessee now or hereafter required under the Lease. If no Default has then occurred, upon the expiration or earlier termination of the Term of the Lease, the balance of the Security Deposit then held by Lessor shall promptly be paid to Lessee.

22. SEVERABILITY. The invalidation of any provision or provisions of this Lease as unenforceable shall not operate to invalidate the remainder of the Lease which shall remain in full force and effect.

23. NOTICES. All notices relating to this Lease shall be in writing (including without limitation, facsimile or other electronic transmission, receipt confirmed) delivered in person to an officer of Lessor or Lessee or mailed or faxed to the respective addresses shown above on the first page of this Lease, or to such address as otherwise specified in writing by the appropriate party hereto.

24. WAIVER. Lessor's forbearance of exercise of any right or remedy on Lessee's breach of any terms, covenants or conditions hereunder shall not be deemed a waiver of such right or remedy, the requirement of punctual performance, or any of its remedies upon any other or subsequent breach or default.

25. GOVERNING LAW. This Lease takes effect upon its acceptance and execution by Lessor, and shall be governed, interpreted and construed under the laws of the Commonwealth of Pennsylvania. Pennsylvania law shall prevail in the event of any conflict of law without regard to, and without giving effect to, the application of choice of law rules. LESSEE WAIVES ALL RIGHTS TO TRIAL BY JURY IN ANY LITIGATION ARISING FROM OR RELATED TO THIS LEASE, AND LESSEE SUBMITS TO THE JURISDICTION OF THE FEDERAL DISTRICT COURT FOR THE EASTERN DISTRICT OF PENNSYLVANIA, OR ANY STATE COURT OF COMPETENT JURISDICTION WITHIN MONTGOMERY COUNTY, PENNSYLVANIA, AND WAIVES ANY RIGHT TO ASSERT THAT ANY ACTION INSTITUTED BY LESSOR IN ANY SUCH COURT IS IN THE IMPROPER VENUE OR SHOULD BE TRANSFERRED TO A MORE CONVENIENT FORUM.

26. WAIVER OF DAMAGES. Lessee waives, to the fullest extent permitted by law, any right to or claims of any punitive, exemplary, indirect, special, consequential, or incidental damages against Lessor. Lessee agrees that, in the event of a dispute, claim or controversy against Lessor, Lessee shall be limited to the recovery of actual direct damages sustained by it, subject to any limit on direct damages set forth in this Lease. Lessee will not accept or attempt to collect through the courts or otherwise any punitive, exemplary, indirect, consequential, or incidental damages from Lessor.

27. SUCCESSORS AND ASSIGNS. This Lease shall be binding on and inure to the benefit of Lessor and Lessee and their respective successors and assigns permitted hereunder.

28. FORCE MAJEURE. The obligations of Lessor hereunder shall be suspended to the extent that it is hindered or prevented from complying therewith because of labor disturbances, acts of God, fires, storms, accidents, failure of the manufacturer to deliver any of the Vehicles, court order, governmental regulations, or other interference or any cause whatsoever not within the sole control of Lessor.

29. YOUR PROMISES. In addition to the other provisions of this Lease, you agree that during the term of this Lease (a) you will promptly notify us in writing if you move your principal place of business, if you change the name of your business, or if there is a change in your ownership, and (b) you will provide to us such financial information as we may reasonably request from time-to-time.

IN WITNESS WHEREOF, the parties hereto have entered into this Lease Agreement as of the date first above written.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors and Shareholders of
Grupo Bimbo, S.A.B. de C.V. and Subsidiaries

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Grupo Bimbo, S.A.B. de C.V. and Subsidiaries (the Company), which comprise the consolidated statements of financial position as of December 31, 2019 and 2018 and the consolidated statements of profit or loss, statements of other comprehensive income, statements of changes in equity and statements of cash flows for the years then ended, as well as the explanatory notes to the consolidated financial statements including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of Grupo Bimbo, S.A.B. de C.V. and Subsidiaries as of December 31, 2019 and 2018 and its consolidated results and cash flows for the years then ended in accordance with International Financial Reporting Standards (IFRS).

Emphasis of matter

As mentioned in Note 2a) to the consolidated financial statements, on January 1, 2019 the Company adopted IFRS 16 "Leases", which establishes the principles for initial recognition, subsequent measurement, presentation and disclosure of leases. The Company decided to apply the modified retrospective approach for the IFRS 16 adoption.

Basis for opinion

We conducted our audit in accordance with Auditing Standards Generally Accepted in the United States and the International Standards on Auditing (ISAs). Our responsibilities under those standards are described in the "Auditor's Responsibilities for the Audit of the Consolidated Financial Statements" section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants ("IESBA Code") and the ethical requirements that are relevant to our audit of the consolidated financial statements in Mexico in accordance with the "Código de Ética Profesional del Instituto Mexicano de Contadores Públicos" ("IMCP Code"), and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other matters

The consolidated financial statements of Grupo Bimbo, S.A.B de C.V. and Subsidiaries for the year ended December 31, 2017 were audited by other auditors, whose report dated March 12, 2018 expressed an unqualified unmodified opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the accompanying consolidated financial statements in accordance with IFRS, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Audit and Corporate Practices Committee is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States and ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with auditing generally accepted in the United States and ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

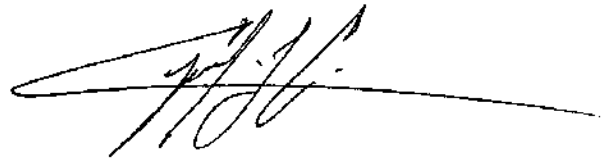

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than the one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Company's Audit and Corporate Practices Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The partner in charge of the audit resulting in this independent auditor's report is the undersigned.

2. Basis of preparation

Adoption of new and revised International Financial Reporting Standards

a) Application of new and revised International Financial Reporting Standards (IFRS) and their interpretations, which adoption is mandatory in the current year

In the current year, the Company adopted a series of new and amended IFRS issued by the International Accounting Standards Board (IASB), which are effective for annual periods beginning on or after January 1, 2019.

The Company applied IFRS 16 for the first time, which establishes the principles for the recognition, measurement, presentation and disclosure of leases. The nature and effect of the changes as a result of the adoption of this new accounting standard are described below:

Transition to IFRS 16

The Company decided to use the modified retrospective method for the adoption of IFRS 16 and therefore applied the following considerations in the transition:

1. To recognize the cumulative effect of the adoption of the new accounting standard as of January 1, 2019. Consequently, the financial information from prior years was not restated.
2. To use the exemptions proposed by the standard on lease contracts for which the lease terms end within 12 months as of the date of initial application and on lease contracts for which the underlying asset is of low value. Therefore, such leases will be recognized directly in profit or loss.

Below is presented a reconciliation between the values of commitments for operating leases as of December 2018 and the effect of adoption as of January 1, 2019:

Commitments for operating leases as of December 31, 2018	\$	17,114
Plus:		
Effects of initial adoption for expected renewals of contracts		9,368
Other commitments not included as of December 31, 2018		1,241
	\$	<u>27,723</u>

In order to discount operating lease commitments at nominal value, the Company used an annualized weighted average incremental interest rate of 3.8%.

Discounted lease commitments as of January 1, 2019	\$	21,023
Plus:		
Commitments previously classified as finance leases		3,197
Lease liabilities as of January 1, 2019	\$	<u>24,220</u>

Amendments to IAS 19, *Plan Amendment, Curtailment or Settlement*

The amendments to IAS 19 address the accounting when a plan amendment, curtailment or settlement occurs during a reporting period. The amendments specify that when a plan amendment, curtailment or settlement occurs during the annual reporting period, a Company is required to:

- Determine current service cost for the remainder of the period after the plan amendment, curtailment or settlement, using the actuarial assumptions used to remeasure the net defined benefit liability (asset) reflecting the benefits offered under the plan and the plan assets after that event.
- Determine net interest for the remainder of the period after the plan amendment, curtailment or settlement using: the net defined benefit liability (asset) reflecting the benefits offered under the plan and the plan assets after that event; and the discount rate used to remeasure that net defined benefit liability (asset).

The amendments also clarify that an entity first determines any past service cost, or a gain or loss on settlement, without considering the effect of the asset ceiling. This amount is recognized in profit or loss. An entity then determines the effect of the asset ceiling after the plan amendment, curtailment or settlement. Any change in that effect, excluding amounts included in the net interest, is recognized in other comprehensive income.

The amendments apply to plan amendments, curtailments, or settlements occurring on or after the beginning of the first annual reporting period that begins on or after January 1, 2019, with early application permitted. During the year ended December 31, 2019, the Company did not perform modification, reduction or termination of the employee benefit plans.

Amendments to IAS 28, *Long-term Interests in Associates and Joint Ventures*

The amendments clarify that an entity applies IFRS 9 to long-term interests in an associate or joint venture to which the equity method is not applied but that, in substance, form part of the net investment in the associate or joint venture (long-term interests). This clarification is relevant because it implies that the expected credit loss model in IFRS 9 applies to such long-term interests.

The amendments also clarified that, in applying IFRS 9, an entity does not take into account any losses of the associate or joint venture, or any impairment losses on the net investment, recognized as adjustments to the net investment in the associate or joint venture that arise from applying IAS 28 *Investments in associates and joint ventures*.

These amendments did not have an impact on the Company's consolidated financial statements.

Annual improvements 2015-2017 Cycle (issued in December 2017)

These improvements include:

IFRS 3, *Business Combinations*

The amendments clarify that, when an entity obtains control of a business that is a joint operation, it applies the requirements for a business combination achieved in stages, including remeasuring previously held interests in the assets and liabilities of the joint operation at fair value. In doing so, the acquirer remeasures its entire previously held interest in the joint operation.

The Company, during the year ended December 31, 2019, did not make any acquisition in stages.

IAS 12, *Income Taxes*

The amendments clarify that the income tax consequences of dividends are linked more directly to past transactions or events that generated distributable profits than to distributions to owners. Therefore, an entity recognizes the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognized those past transactions or events.

Since the current practice is in line with these amendments, the Company did not recognize an effect on the consolidated financial statements.

b) New and revised IFRS issued but not yet effective

The Company has not applied the following new and revised IFRS that have been issued but are not yet effective:

Amendments to IFRS 3	Definition of a business ⁽¹⁾
Amendments to IAS 1 and IAS 8	Definition of material ⁽¹⁾
Amendments to IFRS 10 and IAS 28	Sale or contribution of assets between an investor and its associate or joint venture ⁽²⁾

⁽¹⁾ Effective for annual periods beginning on or after January 1, 2020, with early adoption permitted.

⁽²⁾ Effective for annual periods beginning on or after a certain date that has yet to be determined.

Amendments to IFRS 3 Definition of a business

The IASB issued amendments to the definition of a “business” to help entities determine whether an acquired set of activities and assets is a business or not. To be considered a business, an integrated set of activities and assets must include, at a minimum, an input and a substantive process that together significantly contribute to the ability to create output.

In addition, the IASB introduced an optional fair value concentration test. The purpose of this test is to permit a simplified assessment of whether an acquired set of activities and assets is not a business. The concentration test is met if substantially all of the fair value of the gross assets acquired is concentrated in a single identifiable asset or group of similar assets.

The amendments are applied prospectively to all business combinations and asset acquisitions carried out on or after January 1, 2020.

Amendments to IFRS 10 and IAS 28 Sale or contribution of assets between an investor and its associate or joint venture

The amendments establish that the gain or loss resulting from loss of control of a subsidiary that does not constitute a business in a transaction with an associate or joint venture accounted for using the equity method is recognized by the parent only to the extent of unrelated investors' interests in the associate or joint venture. The gain or loss resulting from the remeasurement at fair value of the investment retained in a former subsidiary (that has become an associate or joint venture that is accounted for using the equity method) is recognized in the profit or loss of the parent only to the extent of the unrelated investors' interests in the new associate or joint venture.

The effective date of the amendments has not been determined by the IASB; however, early adoption is permitted. Company management expects the adoption of these amendments to have an impact on the Company's consolidated financial statements in the future if it engages in transactions of this kind.

Amendments to IAS 1 and IAS 8 Definition of material

The amendments are intended to simplify the definition of material established in IAS 1 in order to improve the understanding of the existing requirements rather than to modify the underlying concept of materiality established by IFRS. The concept of obscuring material information with immaterial information has been included in the new definition. The IASB replaced the threshold 'could influence' with 'could reasonably be expected to influence' in the definition of material.

The definition of material in IAS 8 has been replaced by a reference to the definition of material in IAS 1. In addition, the IASB amended other standards and the Conceptual Framework that contained a definition of material or reference to the term materiality in order to ensure consistency across the standards.

The amendments will be applied prospectively for reporting periods starting on or after January 1, 2020.

Conceptual Framework of the IFRS

Together with the amended Conceptual Framework that became effective on the day of its publication on 29 March 2018, the IASB issued the Amendments to References to the Conceptual Framework in IFRS Standards. The document contains amendments to IFRS 2, 3, 6 and 14, IAS 1, 8, 34, 37 and 38, IFRIC 12, 19, 20 and 22, and SIC 32. However, not all amendments updated the pronouncements with respect to including references to the existing version of the Conceptual Framework so that they refer to the revised Conceptual Framework. Certain pronouncements have only been updated to specify which version they refer to (the IASC Framework adopted by the IASB in 2001, the 2010 IASB Framework or the 2018 revised Framework) or to establish that the definitions in the standard have not been updated to the new definitions contained in the revised Conceptual Framework.

The amendments, which are actually updates, are effective for annual periods beginning on or after January 1, 2020.

c) Consolidated statement of profit or loss and statement of comprehensive Income

The Company presents its profit or loss in two separate statements: i) the consolidated statement of profit or loss, and ii) the consolidated statement of comprehensive income. The Company's expenses are presented based on their function, which is consistent with the practice of the industry to which the Company belongs: the nature of these expenses is presented in Note 21. Although not required to do so under IFRS, the Company includes operating profit in the consolidated statement of profit or loss, since this item is an important indicator for evaluating the Company's operating results.

d) Statement of cash flows

The Company prepares the statement of cash flows using the indirect method. Interest and dividends received are shown as investing activities, while interest and dividends paid are shown as financing activities.

3. Summary of significant accounting policies

a) Compliance statement

The consolidated financial statements of the Company have been prepared in accordance with International Financial Reporting Standards (IFRS) as issued by the IASB.

b) Basis of preparation

The Mexican peso is the Company's functional currency for transactions in Mexico and the presentation currency of its consolidated financial statements.

The accompanying consolidated financial statements have been prepared on a historical cost basis, except for certain assets and liabilities (derivative financial instruments), which are measured at fair value at the end of the reporting period, and the non-monetary assets of the Company's subsidiaries in hyperinflationary economies, which are restated for inflation, as explained in the accounting policies below.

i. Historical cost

Historical cost is generally equal to the fair value of the consideration paid for goods and services.

ii. Fair value

Fair value is the price to sell an asset or transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or liability, the Company takes into account the characteristics of the asset or liability being measured that market participants would take into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these consolidated financial statements is determined on such a basis, except for measurements that have some similarities to fair value but are not fair value, such as net realizable value in IAS 2 or value-in-use in IAS 36.

In addition, for financial reporting purpose, fair value measurements are classified into level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its totality, which are described as follows:

- Level 1: Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2: Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3: Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

c) Basis of consolidation

The consolidated financial statements include the financial statements of the Company and its subsidiaries and other entities according to IFRS 10.

The Company's most significant subsidiaries are as follows:

Subsidiary	% equity interest	Country	Segment	Primary activity
Bimbo, S.A. de C.V.	97	Mexico	Mexico	Baking
Barcel, S.A. de C.V.	98	Mexico	Mexico	Snacks
Productos Ricolino, S.A.P.I. de C.V. ⁽¹⁾	98	Mexico	Mexico	Confectionary
BBU	100	United States	North America	Baking
Canada Bread Corporation, LLC	100	Canada	North America	Baking
Bimbo do Brasil, Ltda.	100	Brazil	Latin America	Baking
Bakery Iberian Investments, S.L.U.	100	Spain and Portugal	EAA	Baking

⁽¹⁾ On November 1, 2019, Barcel S.A. de C.V. spun off the confectionery business, arising as a result of the spin-off Productos Ricolino S.A.P.I de C.V.

Subsidiaries are consolidated from the date on which control is transferred to the Company and are no longer consolidated from the date control is lost. Gains and losses of subsidiaries acquired during the year are recognized in the consolidated statement of profit or loss and statement of comprehensive income from the acquisition date, as applicable.

Non-controlling interest represents the portion of profit or loss and net assets that are not owned by the Company and represents the minority interest that is recognized separately in the consolidated financial statements.

The political and economic situation in Venezuela has significantly limited the capacity of the Company's subsidiaries in Venezuela to maintain their production process under normal conditions. Because of the above, and since Grupo Bimbo will continue its operations in Venezuela, as of June 1, 2017, the Company changed the method under which it recognized the financial position and performance of its operations in Venezuela; therefore, at the date of these financial statements, the Company measures its investment in Venezuela at fair value. This change resulted in a net impairment loss on the investment of \$54, which was recognized in the statement of profit or loss for 2017 under other (income)/expenses.

Equity investments in non-listed companies previously classified as financial assets as of December 31, 2017 are now classified and measured as equity instruments designated at fair value through other comprehensive income from January 1, 2018. The Company elected to classify irrevocably its equity investments in affiliates in Venezuela under this category as it intends to hold these investments in the foreseeable future. As of December 31, 2019 and 2018, the Company recognized an impairment loss of \$36 and \$386 in other comprehensive income.

Profit or loss and each component of other comprehensive income are attributed to controlling and non-controlling interest even if it results in a deficit balance of the latter.

All balances and transactions between the consolidated companies have been eliminated in preparing the consolidated financial statements.

d) Business combinations

Acquisitions of businesses are accounted for using the acquisition method. The consideration transferred in a business combination is measured at fair value, which is calculated as the sum of the fair values of the assets transferred by the entity, the liabilities incurred by the Company to the former owners of the acquiree and the equity interests issued by the Company in exchange for control of the acquiree. Costs related to the acquisition are generally recognized in profit or loss as incurred.

At the acquisition date, all identifiable assets acquired, and liabilities assumed in a business combination are measured at fair value, except for:

- Deferred tax assets or liabilities and assets or liabilities related to employee benefits are recognized and measured in accordance with IAS 12 *Income Taxes* and IAS 19 *Employee Benefits*, respectively;
- Liabilities or equity instruments related to share-based payment arrangements of the acquiree or share-based payment arrangements of the Company entered into to replace share-based payment arrangements of the acquiree that are measured in accordance with IFRS 2 *Share-based Payment* at the acquisition date (as of December 31, 2019, 2018 and 2017, the Company does not have share-based payments);
- Assets (or group of assets) that are classified as held for sale in accordance with IFRS 5 *Non-current Assets Held for Sale and Discontinued Operations* that are measured in accordance with this standard

Goodwill is measured at cost (being the excess of the aggregate of the consideration transferred and the amount recognized for non-controlling interests and any previous interest held over the net identifiable assets acquired and liabilities assumed). If, after reassessment, the fair value of the net assets acquired and liabilities assumed at the acquisition date is in excess of the aggregate consideration transferred, the amount recognized for non-controlling interests in the acquiree and any previous interest held over the acquiree is recognized in profit or loss as a bargain purchase gain.

Non-controlling interests may be initially measured either at fair value or at the proportionate share of the acquiree's identifiable net assets. The election is made on a transaction-by-transaction basis.

When the consideration transferred by the Company in a business combination includes assets or liabilities resulting from a contingent consideration arrangement, the contingent consideration is measured at fair value at the acquisition date and is included as part of the consideration transferred. Changes in the fair value of the contingent consideration that qualify as measurement period adjustments are adjusted retrospectively and the corresponding adjustments are charged against goodwill. Measurement period adjustments are adjustments that arise from additional information obtained during the 'measurement period', which cannot exceed one year following the acquisition date, on facts and circumstances that existed at the acquisition date.

The subsequent accounting for changes in the fair value of the contingent consideration that do not qualify as measurement period adjustments depends on the classification of the contingent consideration. Contingent considerations classified as equity are not remeasured at subsequent reporting dates and its subsequent settlement is accounted for within equity. Contingent considerations classified as assets or liabilities are remeasured at subsequent reporting dates in accordance with IFRS 9 or IAS 37 *Provisions, Contingent Liabilities and Contingent Assets*, as appropriate, and the corresponding gain or loss is recognized in profit or loss.

When a business combination is achieved in stages, any previous interest held over the acquiree is remeasured at fair value at the acquisition date and the resulting gain or loss, if any, is recognized in profit or loss. Amounts arising from interests in the acquiree prior to the acquisition date that have previously been recognized in other comprehensive income are reclassified to profit or loss when such treatment is appropriate if that interest is disposed of.

If the initial accounting treatment for a business combination is incomplete by the end of the reporting period in which the combination occurs, the Company reports provisional amounts for the items for which the accounting is incomplete. Such provisional amounts are adjusted during the measurement period or additional assets or liabilities are recognized to reflect new information obtained about facts and circumstances that existed at the acquisition date that, if known, would have affected the amounts recognized at that date.

e) Assets held for sale

The Company classifies non-current assets and disposal groups as held for sale if their carrying amounts will be recovered principally through a sale transaction rather than through continuing use. The criteria for held for sale classification is regarded as met only when the sale is highly probable and the asset or disposal group is available for immediate sale in its present condition, subject only to terms that are usual and customary for sales of such assets or disposal. Management must be committed to the plan to sell the asset and the sale expected to be completed within one year from the date of the classification.

Non-current assets and disposal groups classified as held for sale are measured at the lower of their carrying amount and fair value less costs to sell.

f) Recognition of the effects of inflation

The effects of inflation are recognized when the functional currency of an entity is the currency of a country with a hyperinflationary economic environment.

An analysis of the cumulative inflation rates for the three prior years in the countries of the Company's primary operations is as follows:

	2019 - 2017		2018 - 2016		2017 - 2015	
	Cumulative inflation rate	Type of economy	Cumulative inflation rate	Type of economy	Cumulative inflation rate	Type of economy
Mexico	14.43%	Non-hyperinflationary	15.69%	Non-hyperinflationary	12.71%	Non-hyperinflationary
USA	6.24%	Non-hyperinflationary	5.99%	Non-hyperinflationary	4.32%	Non-hyperinflationary
Canada	6.11%	Non-hyperinflationary	5.42%	Non-hyperinflationary	5.02%	Non-hyperinflationary
Spain	3.11%	Non-hyperinflationary	3.66%	Non-hyperinflationary	2.84%	Non-hyperinflationary
Brazil	9.88%	Non-hyperinflationary	13.46%	Non-hyperinflationary	20.87%	Non-hyperinflationary
Argentina	126.27%	Hyperinflationary	148.19%	Hyperinflationary	96.83%	Non-hyperinflationary

In 2017, the economic in Venezuela qualified as hyperinflationary in relation to the inflation rates of the three prior years and the Company therefore recognized the corresponding inflationary effects. Such effects are immaterial to the Company's financial position and performance and cash flows. As of June 1, 2017, the Company changed the valuation method for its investment in Venezuela and therefore, the effects of inflation were recognized through May 2017.

Starting in July 2018, the economy in Argentina qualified as a hyperinflationary economy; consequently, the Company's subsidiaries in that country recognized adjustments for the cumulative effects of inflation:

- Using inflation factors to restate non-monetary assets such as inventories, property, plant and equipment and intangible assets.
- Recognizing the net monetary position in the consolidated statement of profit or loss.

As a result of the recognition of the effects of inflation, the Company performed retroactive impairment testing as of December 31, 2017, which gave rise to the following impairment adjustment, which was recognized in retained earnings:

	Impairment adjustment
Property, plant and equipment, net	\$ 808
Intangible assets	1,251
Goodwill	121
	<u>\$ 2,180</u>

g) Foreign currency transactions

Exchange differences of monetary items are recognized in profit or loss, except in the following cases:

- Exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those assets when they are regarded as an adjustment to interest costs on those foreign currency borrowings;

- Exchange differences on transactions entered in order to hedge certain foreign currency risks (see Note 17); and
- Exchange differences on monetary assets or liabilities related to foreign operations with no planned settlement and for which payment cannot be made (thus forming part of the net investment in the foreign operation) are initially recognized in other comprehensive income and are reclassified from equity to profit or loss as reimbursements of monetary items.

Translation to the reporting currency

On consolidation, the assets and liabilities of foreign operations are translated into Mexican pesos using the exchange rate prevailing at the reporting date. Income and expense items are translated at the average exchange rates for the period, unless the exchange rates fluctuate significantly during that period, in which case the exchange rates at the dates of the transactions are used. The operations in hyperinflationary economies are translated using the exchange rate prevailing at the reporting date. The exchange differences arising on translation for consolidation are recognized in other comprehensive income and accumulated in equity attributed to non-controlling interests as appropriate.

All accumulated differences in stockholders' equity from a foreign operation in the case of its sale are reclassified to profits or loss, that is, the sale of the Company's entire participation in a foreign operation, or a disposition that involves a loss of control in the subsidiary that includes a foreign operation, loss of joint arrangement or an associate that includes a partial foreign operation in which the retained interest becomes a financial instrument.

Any goodwill arising on the acquisition of a foreign operation and any fair value adjustments to the carrying amounts of assets and liabilities arising on the acquisition are treated as assets and liabilities of the foreign operation and translated at the exchange rate as of the reporting date. Exchange differences resulting from the translation are recognized in other comprehensive income.

The average exchange rates and closing exchange rates between the Mexican peso and the functional currencies of the countries of the main subsidiaries, are as follows:

	Average exchange rate			Closing exchange rate		
	2019	2018	2017	2019	2018	2017
USA	19.2616	20.1529	19.1012	18.8452	19.6829	19.7354
Canada	14.5108	15.0496	14.9497	14.2680	14.4324	15.7316
Spain	21.5632	22.9400	22.6216	21.1707	22.5369	23.6687
Brazil	4.8823	5.1882	5.8001	4.6754	5.0797	5.9660
Argentina	0.3997	0.5324	1.0667	0.3147	0.5221	1.0442

h) Cash and cash equivalents

Cash and cash equivalents principally consist of bank deposits in checking accounts and highly liquid, readily available low-risk investments in short-term securities, maturing within three months following the purchase date. Cash is stated at nominal value and cash equivalents are stated at fair value. Gains and losses from changes in the value of cash and cash equivalents are recognized in profit or loss (see financial assets below). Cash and cash equivalents principally consist of investments in government debt instruments with daily maturities.

i) Financial assets

All recognized financial assets are subsequently measured totally, either at amortized cost or fair value, according to the classification of the financial assets.

Financial asset classification

Financial instruments that met the following conditions are measured subsequently at fair value through other comprehensive income:

- The financial asset is held within a business model with the objective of both holding to collect contractual cash flows and selling
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

The remaining financial assets are subsequently measured at fair value through profit or loss.

Notwithstanding the above, upon initial recognition, the Company can elect to classify irrevocably its equity investments as equity instruments designated at fair value through OCI when they are not held for trading and do not correspond to contingent consideration transferred by an acquirer in a business in a business combination.

Equity investments at fair value through other comprehensive income are initially measured at cost, plus transaction costs, and are subsequently measured at fair value and the gains and losses from the fair value changes are recognized in OCI. At derecognition, cumulative gains and losses are not reclassified to profit or loss, and instead are recorded in retained earnings.

1. Accounts receivable

Trade accounts receivable and other accounts receivable that are non-derivative financial assets with fixed or determinable payments that are not traded on an active market, are classified as accounts receivable and are measured at amortized cost using the effective interest rate (EIR) method, less any impairment losses.

Interest income is recognized by applying the effective interest rate, except for short-term receivables when the interest is immaterial.

2. Impairment of financial assets

Financial assets other than financial assets at fair value through profit and loss are tested for impairment at the end of each reporting period.

The Company recognizes a provision for expected credit losses (ECLs) on trade receivables. The Company uses a provision matrix to calculate ECLs for trade receivables. The provision matrix is initially based on the Company's historical credit loss experience and is subsequently adjusted for factors that are specific to the debtors, general economic conditions and an assessment of the current direction and forecast of future conditions at the reporting date, including the time value of money, when applicable.

The Company considers a financial asset in default when contractual payments are 90 days past due. However, in certain cases, the Company may also consider a financial asset to be in default when internal or external information indicates that the Company is unlikely to receive the outstanding contractual amounts in full before considering any credit enhancements held by the entity. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

Regarding trade receivables, the carrying amount is reduced using an allowance account. Trade receivables that are considered uncollectible are charged to the allowance account. Subsequent recovery of previously recognized impairment losses is reversed by adjusting the allowance account. The amount of the changes in the allowance account is recognized in profit or loss of the year.

j) Inventories and cost of sales

Inventories are valued at the lower of either their cost or net realizable value.

Inventories are accounted for according to the following criteria:

- Raw materials, containers, packaging material and spare parts: at acquisition cost, which includes the cost of the merchandise plus import costs, minus discounts, using the average cost method.
- Finished goods and orders in process: cost of direct materials and labor and a proportion of manufacturing overheads based on the normal operating capacity.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

k) Property, plant and equipment

Property, plant and equipment is recognized at cost, net of accumulated depreciation and accumulated impairment losses, if any. Fixed assets acquired before December 31, 2007 were restated for inflation through that date based on the National Consumer Price Index, which became the estimated cost of such assets as of January 1, 2011 upon the Company's adoption of IFRS.

The cost includes those costs directly attributable to bringing the asset to the location and condition necessary for it to operate as intended by management.

The costs of expansion, remodeling or improvements that enhance the capacity or extend the useful life of the asset are also capitalized. Repair and maintenance costs are expensed as incurred. The carrying amount of the replaced asset, if any, is derecognized when replaced, and the effect is recognized in profit and loss.

Freehold land is not depreciated. Depreciation of property, plant and equipment is calculated on the assets' carrying amounts on a straight-line basis over the following range useful lives of the assets, as follows:

	<u>Years</u>
Buildings:	
Infrastructure	15 - 30
Foundations	35 - 50
Roofs	10 - 30
Fixed facilities and accessories	10 - 20
Manufacturing equipment	5 - 25
Vehicles	8 - 16
Furniture and equipment	5 - 18
Computer equipment	4
Leasehold improvements	The lower of either the related lease term or the useful life of the asset

The Company allocates the amount initially recognized in respect of an item of buildings and manufacturing equipment to its various significant parts (components) and depreciates each of these components separately.

The carrying amount of an asset is reduced to its recoverable value if the carrying amount exceeds its recoverable value.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected from its use. Any gain or loss arising from derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized in profit or loss under other expenses, net.

Leasehold improvement and adaptations to buildings and establishments in which the Company is the lessee are recognized at historic cost less the respective depreciation.

D) Right of use assets

Right of use assets are initially measured at the present value of lease payments, less any lease incentives received and initial direct costs. Right of use assets are subsequently measured at cost net of accumulated depreciation, impairment losses and adjustments for any remeasurement of lease liabilities in accordance with IFRS 16.

Right of use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the underlying assets. If ownership of the underlying asset transfers to the lessee or the cost of the right of use asset reflects the exercise of a purchase option, depreciation is calculated over the useful life of the underlying asset.

Lease payments for low-value assets (less than USD 5,000) and short-term leases (less than 12 months) are recognized directly in profit or loss.

m) Investment in associates

An associate is an entity over which the Company has significant influence. Significant influence is the power to participate in the decisions regarding financial and operating policy of the investee but is not control or joint control over those policies.

The results and the net assets and liabilities of associates are recognized in the consolidated financial statements using the equity method, except if the investment or part of the investment is classified as held for sale in accordance with IFRS 5 *Non-current Assets Held for Sale and Discontinued Operations*.

Under the equity method, the investment in an associate is initially recognized at cost. The carrying amount of the investment is adjusted to recognize changes in the Company's share of net assets of the associate since the acquisition date. When the Company's share of loss of an associate exceeds the Company's interest in that associate, the Company discontinues the recognition of its share of further losses.

On acquisition of the investment any difference between the cost of the investment and the Company's share of the net fair value of the identifiable assets and liabilities of the associate is accounted for as goodwill, which is included in the carrying amount of the investment. Any excess of the Company's share of the net fair value of the joint venture's identifiable assets and liabilities over the cost of the investment, after remeasurement, is recognized immediately in profit or loss in the period in which the investment was acquired.

The Company discontinues the use of the equity method from the date the investment ceases to be an associate, or when the investment is classified as held for sale.

If the Company's interest in an associate is reduced, but the equity method is continued to be applied, the Company reclassifies to profit or loss the proportion of the gain or loss previously recognized in other comprehensive income relative to that reduction in ownership interest if the gain or loss would have been reclassified to profit or loss in the case of disposal of the related assets or liabilities.

Profits and losses resulting from transactions between the Company and the associate are recognized in the Company's consolidated financial statements only to the extent of unrelated investors' interests in the associate.

n) Intangible assets

Intangible assets are primarily comprised of trademarks and customer relationships resulting from the acquisition of businesses. Intangible assets are measured on initial recognition at cost. Intangible assets acquired through a business combination are recognized at fair value at the acquisition date, separately from goodwill. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses. Internally generated intangibles, excluding development costs, are not capitalized and the related expenditure is reflected in profit or loss in the period in which the expenditure is incurred.

The useful lives of intangible assets are assessed as either finite or indefinite, based on the contractual terms established at acquisition. Trademarks are considered to have indefinite useful lives when ownership is acquired, otherwise are amortized.

Intangible assets with finite live are amortized over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed and adjusted at least at the end of each reporting period. The amortization expense on intangible assets with finite lives is recognized in the statement of profit or loss under general expenses.

Intangible assets with indefinite useful lives are not amortized but are tested for impairment at least annually. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

o) Impairment of tangible and intangible assets, other than goodwill

Annually, the Company assesses whether there is any indicator that its tangible and intangible assets, including the right-of-use asset, may be impaired. If any such indicator exists, the Company estimates the asset's recoverable amount. If it is not possible to estimate the recoverable amount of the individual asset, the Company determines the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis can be identified, corporate assets are also allocated to the cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Intangible assets with indefinite useful lives or not yet available for use, are tested for impairment on an annual basis, or more often if there is any indicator that the intangible asset may be impaired.

The recoverable amount is the higher of the asset's fair value less costs of disposal and its value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to each asset.

If the recoverable amount of an asset (or cash-generating unit) is less than its carrying amount, such amount is reduced to its recoverable amount. Impairment losses are recognized immediately in profit or loss.

On an annual basis, when there are signs that the value of an asset has significantly increased as a result of changes in the legal, economic, technologic or market environment or increases in the interest rates affecting the discount rate used to calculate the value in use of the asset in prior years, the Company evaluates the new recoverable amount of the asset in order to determine the amount of accumulated impairment to be reversed.

Further, when an impairment loss subsequently reverses, the carrying amount of the asset or cash-generating unit is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset or cash-generating unit in prior years. A reversal of an impairment loss is recognized immediately in profit or loss.

p) Goodwill

Goodwill arising from business combinations is recognized at the cost determined on the acquisition date of the business, as described in the business acquisitions policy note above, net of any accumulated impairment losses (see Note 12).

Goodwill is allocated to each cash-generating unit (or group of cash-generating units) that is expected to benefit from the synergies achieved from the combination.

The cash-generating units to which goodwill has been allocated are tested for impairment on an annual basis, or more frequently if there are any indicators of impairment. If the recoverable amount of a cash-generating unit is lower than its carrying amount, the impairment losses recognized in respect of the cash-generating units are allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to reduce the carrying amount of the other assets in the unit on a pro rata basis. Impairment in goodwill is recognized directly in profit or loss. Any loss from impairment in the value of goodwill cannot be reversed in future years.

When the relevant cash-generating unit is disposed of, the amount of goodwill is included in the calculation of gains or losses at the time of the disposal.

The Company's policy for goodwill arising on the acquisition of an associate is described in Note 3m.

q) Financial liabilities

Financial liabilities are initially recognized at fair value, net of transaction costs, except for financial liabilities designated at fair value through profit or loss, which are initially recognized at fair value. Subsequent measurement depends on the category in which the financial liability is classified.

Financial liabilities are classified as either financial liabilities at fair value through profit or loss (FVTPL) or other financial liabilities. Note 17 describes the category of each financial liability of the Company.

r) Hedging activities and derivatives

Derivatives are initially recognized at fair value on the date on which a derivative contract is entered and are subsequently remeasured at fair value. Presentation of the related gain or loss from changes in fair value of the derivative financial instrument depends on whether they are designated as hedging instruments, and if so, the nature of the hedging relationship. The Company only holds derivative financial instruments classified as cash flow hedges and hedges of net investment in foreign operations.

At the inception of a hedge relationship, the Company formally documents the hedge relationship between the hedging instrument and the hedged items, including the risk management objective and strategy for undertaking the hedge. Periodically, the Company documents whether the derivative financial instrument is highly effective in offsetting changes in fair values or cash flows of the hedged item attributable to the hedged risk.

Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative. Derivatives are not offset in the consolidated financial statements unless there is an enforceable legal right to offset the recognized amounts and there is an intention to settle. Derivatives are accounted for as non-current assets or liabilities if the remaining maturity of the instrument is more than 12 months and the instrument is not expected to be realized or settled in 12 months. All other derivatives are accounted for as current assets or liabilities.

Cash flow hedges

The effective portion of changes in the fair value of derivatives that are designated and qualify as cash flow hedges is recognized in OCI under valuation effects of cash flow hedges. The gain or loss relating to the ineffective portion is immediately recognized in profit or loss. Amounts previously recognized in other comprehensive income and accumulated in equity are reclassified to profit or loss as a reclassification adjustment in the same period or periods during which the hedged cash flows affect profit or loss.

Hedge accounting is discontinued when the Company revokes the hedging relationship, when the hedging instrument expires or is sold, terminated, or exercised, or when it no longer qualifies for hedge accounting. Any gain or loss recognized in other comprehensive income and accumulated in equity at that time remains in equity and is recognized when the forecast transaction is ultimately recognized in profit or loss.

Hedges of net investment in foreign operations

Hedges of net investments in foreign operations are accounted for similarly to cash flow hedges. Any gain or loss on the hedging instrument relating to the effective portion of the hedge is recognized in other comprehensive income and accumulated under the heading of net economic hedge effects. The gain or loss relating to the ineffective portion is immediately recognized in profit or loss under Foreign exchange gain/(loss), net. Amounts previously recognized in other comprehensive income and accumulated in equity are reclassified to profit or loss on the disposal of the foreign operation in the event it occurs.

s) Lease liabilities

Lease liabilities are initially measured at the present value of outstanding fixed and variable lease payments, discounted at the incremental borrowing rate of each country where the Company operates. The amount of lease liabilities is increased for the accretion of interest and reduced for the lease payments made and increased or reduced based on remeasurements to reflect the new measurements or amendments made to the lease agreements.

The estimated incremental borrowing rate is the rate of interest that the Company would have to pay to borrow over a similar term, and with a similar security, the funds necessary to obtain an asset of a similar value to the right of use asset in a similar economic environment. The Company calculates the incremental borrowing rate using observable inputs, market interest rates and its credit score.

Lease liabilities are recognized in the consolidated statement of financial position as short-term when the term of the lease is less than 12 months and long-term when it is more than 12 months.

t) Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the expenditure required to settle the present obligation at the balance sheet date, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured based on the estimated cash flows required to settle the present obligation, its carrying amount represents the present value of these cash flows when the effect of the time value of money is material.

All contingent liabilities assumed in a business combination are measured initially at their fair values at the acquisition date. At the end of subsequent reporting periods, such contingent liabilities are measured at the higher of the amount that would be recognized in accordance with IAS 37 and the amount initially recognized, less cumulative amortization recognized in accordance with IFRS 15.

Uncertainty over tax treatments

The Company constantly evaluates the tax treatments of all its consolidated entities and identifies those with uncertainty as to their acceptance by the tax authorities. Considering the current circumstances of the reviews in process, as well as the tax treatments used by the companies, the Company calculates this uncertainty based on the conditions of each tax jurisdiction and the approach that best estimates the uncertainty, using the most likely amount method or the expected value method, as applicable, and recognizes the effects determined in profit or loss.

The Company determines whether to consider each uncertain tax treatment separately or together with one or more other uncertain tax treatments and uses the approach that better predicts the resolution of the uncertainty.

u) Income tax

Income tax expense consists of current and deferred tax. Current and deferred taxes are recognized as either income or an expense in profit or loss, except for tax items that must be recognized as other comprehensive income items or in equity. For business combinations, the tax effect is included in the recognition of the business combination.

1. Current income tax

Current income tax is calculated based on the tax rates and tax laws enacted or substantively enacted at the reporting date in the countries where the Company operates and generates taxable income. The related income tax expense is recorded in profit or loss as incurred.

2. Deferred income tax

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year the temporary differences will reverse based on tax rates and tax laws that have been enacted or substantively enacted at the reporting date.

Deferred taxes are recognized on all temporary differences between financial reporting and tax values of assets and liabilities based on tax rates that have been enacted at the reporting date and where applicable, they include unused tax losses and certain tax credits. Deferred tax assets or liabilities are recognized for all temporary differences, with certain exceptions. The Company recognizes a deferred tax asset for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which the deductible temporary difference can be utilized.

Deferred tax liabilities are recognized for all taxable temporary differences, except:

- i) those that arise from the initial recognition of an asset or liability in a transaction that is not a business combination and do not affect neither the accounting profit or loss or taxable income;
- ii) those associated with investments in subsidiaries and associates to the extent it is probable that the temporary differences will not reverse in the foreseeable future;
- iii) those that arises from the initial recognition of goodwill. Deferred tax assets are recognized to the extent that it is probable that taxable income will be available against which the deductible temporary differences can be utilized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that taxable profits will be available against which the deductible temporary difference can be utilized.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

The Company offsets deferred tax assets and deferred tax liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority on either the same taxable entity or different taxable entities which intend either to settle current tax liabilities and assets on a net basis, or to realize the assets and settle the liabilities simultaneously.

v) Employee benefits

i. Pensions and seniority premiums

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity or a fund and will have no legal or constructive obligation to pay further contributions. The obligation is recognized as an expense when the employees have rendered the service entitling them to the contributions.

A defined benefit plan is a post-employment plan for which the Company has the obligation to provide the agreed benefits to current and former employees. The cost of providing benefits under a defined benefit plan that includes pensions and seniority premiums is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurements, comprising actuarial gains and losses, the effect of the changes to the asset ceiling and the return on plan assets (excluding interest), are immediately recognized in the statement of financial position with a corresponding debit or credit to retained earnings through other comprehensive income in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods. Past service costs are recognized in profit or loss at the date of the plan amendment. Net interest is calculated by applying the discount rate to the net defined benefit liability or asset.

The retirement obligations recognized in the statement of financial position include actuarial gains and losses in the defined benefit plans of the Company. The present value of the defined benefit obligation is determined based on the discounted value of estimated cash flows, using interest rates tied to government bonds denominated in the same currency in which the benefits are to be paid and whose terms are similar to those of the obligation.

ii. Statutory employee profit sharing

In Mexico and Brazil, the Company is required to recognize a provision for employee profit sharing when it has a present legal or constructive obligation as a result of a past event and the amount can be reliably estimated. Statutory employee profit sharing is recognized in profit or loss as incurred.

iii. Short-term employee benefits

The Company recognizes a benefits liability that corresponds to employees with respect to wages and salaries, annual vacations, short-term bonuses and sick leave in the service period in which it is rendered.

iv. Termination benefits

A liability is recognized for termination benefits when the Company cannot withdraw its offer to provide termination benefits and/or when it recognizes the related restructuring costs.

v. Long-term bonus

The Company grants a cash bonus to certain executives, which is calculated based on performance metrics. The bonus is paid 30 months following the date on which it was granted, and it is recognized in profits or loss in the year it accrues.

vi. Multi-employer pension plans (MEPPs)

The Company classifies multi-employer plans as defined contribution plans or defined benefit plans in order to determine the accounting for such plans. If a MEPP is classified as a defined benefit plan, the Company accounts for its share in the defined benefit obligation, plan assets and costs associated with the plan in the same manner as for any other defined benefit plan. When sufficient information is not available to use defined benefit accounting for a MEPP, the Company accounts for such plan as a defined contribution plan recognizing in profit or loss the amount of the paid contributions

Exit payments or withdrawal from a multi-employer plan are recognized and measured in accordance with IAS 37 *Provisions, Contingent Liabilities and Contingent Assets*.

w) Revenue recognition

Revenue primarily comes from contracts with customers for the sale of products and is recognized when control of the goods is transferred to the customer, given the performance obligation satisfaction in that moment, at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods. When determining the transaction price, the Company considers the effects of variable considerations (i.e. rights of return and rebates). Payments made to customers for commercial services are recognized as distribution and selling expenses.

Rights of exchange of products

Certain contracts provide a customer with a right to exchange the products within a specified period. The Company uses the expected value method to estimate the products that will not be returned because this method best predicts the amount of variable consideration to which the Company will be entitled. For goods that are expected to be returned, instead of revenue, the Company recognizes an estimated refund liability.

Rebates to customers

The Company provides retrospective rebates to certain customers when the conditions established in the contracts are met. Rebates are offset against amounts payable by the customer. To estimate the variable consideration for the expected future rebates, the Company applies the most likely amount method for contracts with a single volume threshold and the expected value method for contracts with more than one volume threshold.

x) Reclassifications

Certain captions shown in the consolidated financial statements for the years ended December 31, 2018 and 2017 as originally issued have been reclassified for uniformity of presentation with the 2019 financial statements. The effects of these reclassifications were recognized retrospectively in the statement of financial position as of December 31, 2018 and 2017, in accordance with IAS 8 *Accounting Policies, Changes in Accounting Estimates and Errors*.

4. Critical accounting judgments and key sources of estimation uncertainty

In the process of applying the Company's accounting policies, which are described in Note 3, management is required to make judgments, estimates and assumptions about the carrying amount of assets and liabilities. The estimates and associated assumptions are based on historical experience and other factors that are considered relevant. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on a regular basis. The effects of changes in accounting estimates are recognized in the period of the change and future periods if the change affects both current and subsequent periods.

a) Critical judgment in applying accounting policies

Consolidation of structured entities

As described in more detail in Note 7, BBU has entered into agreements with third party contractors ("Independent Business Partners") in which it holds no direct or indirect interest but that qualify as structured entities (SE). The Company has concluded that some of these structured entities meet the requirements to be consolidated in accordance with IFRS 10 *Consolidated Financial Statements*.

b) Key sources of estimation uncertainty

1. Useful lives, residual values and depreciation and amortization methods for long-lived assets

As described in Note 3, the Company annually reviews the estimated useful lives, residual values and depreciation and amortization methods of long-lived assets, including property, plant and equipment and intangible assets. Additionally, for intangible assets, the Company determines whether their useful lives are finite or indefinite. During the periods presented in the consolidated financial statements, there were no modifications to such estimates.

2. Impairment of goodwill and intangible assets

Determining whether goodwill has been impaired involves calculating the recoverable amount of cash-generating units to which goodwill has been allocated. The calculation of the recoverable amount requires the Company to determine the higher between the fair value less cost of disposal and value in use, where the value in use is determined based on the future cash flows that cash-generating units are expected to produce and an appropriate discount rate to calculate the present value of future cash flows.

3. Fair value measurements

Derivative financial instruments are recognized in the statement of financial position at fair value as of the reporting date. In addition, the fair value of certain financial instruments is disclosed in Note 17, mainly with respect to long-term debt, though there is no risk of adjustment to the related carrying amounts. In addition, the Company has acquired businesses for which it is required to determine the fair value of the consideration paid, the identifiable assets acquired, liabilities assumed and, if applicable, the non-controlling interest at the date of the acquisition, as described in Note 1.

The fair values described above are estimated using valuation techniques that may include inputs that are not based on observable market data. The main assumptions used by management are described in the related notes. The Company considers that the valuation techniques and assumptions selected are appropriate for the determination of the fair values.

4. Employee benefits

The cost of defined benefit plans and MEPPs that have been considered as defined benefits is determined using actuarial valuations that involve assumptions related to discount rates, future salary increases, employee turnover rates and mortality rates, among others. Due to the long-term nature of these plans, such estimates are sensitive to changes in the assumptions.

5. Recoverability of deferred income tax

To determine whether the deferred income tax asset related to tax losses carryforwards is impaired or if it will be recovered in the future, the Company is based on the tax projections it prepares.

6. Employee benefits, insurance and other liabilities

Insurance risks in the United States such as to the liability for general damages to third parties, and employee benefits are self-insured by the Company with coverage that is subject to specific limitations agreed in an insurance program. Provisions for claims are recorded on an incurred-claim basis. Insurable risk liabilities are determined using the Company's historical data. As of December 31, 2019, 2018 and 2017, the net liability amounted to \$4,650, \$4,757 and \$5,085, respectively.

5. Trade receivables and other accounts receivable

	2019	2018	2017
Trade receivables	\$ 17,128	\$ 19,249	\$ 18,135

⁽¹⁾ During March 2019, the Company obtained certain favorable decisions on legal actions in Brazil related to some contributions, recognizing a right to recover of \$734.

The average credit terms on sales of goods, that are not cash sales, is Mexico 30 days, 60 days in the United States and EAA, 21 days in Canada and 30 days in Latin America.

6. Inventories

	<u>\$ 9,819</u>	<u>\$ 9,340</u>	<u>\$ 8,368</u>

For the years ended December 31, 2019, 2018 and 2017, the Company recognized inventory outputs of \$89,112, \$86,985 and \$81,691, respectively, in cost of sales.

7. Structured entities

The Company, through BBU, enters into agreements with independent business partners for distribution rights to sell and distribute the Company's products through direct deliveries to retail stores in certain sales territories. The Company does not hold equity interest in any of the entities controlled by the independent business partners, some of which, finance the purchase of distribution rights through loans from financial institutions with the Company's support. To maintain the routes operational and ensure the delivery of products to customers, the Company assumes explicit and implicit commitments. The Company has concluded that all independent business partners that are legal entities qualify as Structured Entities (SE), primarily due to the financial and operative support they receive from the Company. Based on this, the SE are consolidated in the Company's financial statements.

An analysis of the assets and liabilities of independent business partners included in the consolidated financial statements as of December 31, 2019, 2018 and 2017 is as follows:

	2019	2018	2017
Property - vehicles	\$ 3,097	\$ 3,208	\$ 3,188
Distribution rights	6,770	7,084	6,927

Short-term portion of long-term debt:

Loans granted to independent business partners	42	44	42
Long-term debt:

Loans granted to independent business partners	46	47	42
Debt with affiliated entities (net of accounts receivable)	5,271	5,472	5,139
Total liabilities	<u>\$ 7,714</u>	<u>\$ 7,941</u>	<u>\$ 7,679</u>
Non-controlling interest	<u>\$ 2,153</u>	<u>\$ 2,351</u>	<u>\$ 2,436</u>

Funding provided by BBU to independent business partners that have been classified as SE and consolidated are eliminated in the consolidated financial statements.

Long-term lease liabilities are secured by the vehicles subject to leases and do not represent additional claims on the Company's general assets.

In addition, the Company has sold certain distribution rights to former employees and other individuals, who are also considered independent business partners, but not structured entities.

The Company finances up to 90% of the distribution rights sell price to certain independent business partners. The loans receivable bear interest of between 5% and 11% annually, with a weighted average of 10%, and are payable in 120 monthly installments. Independent business partners make an initial payment to the Company for the non-financed 10% of the purchase price. In most cases, an independent third-party lender finances the down payment. Both the Company and the financing of independent third parties are guaranteed by the distribution routes, equipment, customer lists, and other assets. The independent third-party lender has priority over the collateral.

Impairment losses recognized during the year

In 2019, 2018 and 2017, the Company performed an impairment review of unused buildings and industrial machinery and equipment, resulting in recognition of an impairment loss in profit and loss of \$349, \$296 and \$95, respectively. A breakdown of impairment by segment is as follows: Mexico \$34, North America \$9, Latin America \$278 and EAA \$28 in 2019; Mexico \$(29), North America \$280, Latin America \$(5) and EAA \$50 in 2018 and Mexico \$20, North America \$27, Latin America \$25 and EAA \$23 in 2017.

In addition, in 2018 the Company recognized impairment of \$808 in its operation in Argentina, which was recognized in retained earnings (see Note 3f).

9. Right-of-use asset and lease liabilities

Key assumptions used in the value in use calculations

The key assumptions of the primary cash-generating units ("CGU's") used in impairment tests are as follows:

	Discount rate			Average growth			Capex over net sales		
	2019	2018	2017	2019	2018	2017	2019	2018	2017
Mexico	8.90%	9.8%	10.7%	3.10%	6.1%	7.0%	2.20%	2.1%	3.0%
USA	6.50%	7.5%	8.5%	5.33%	3.6%	3.2%	2.86%	2.6%	2.1%
Canada	6.25%	6.0%	5.8%	2.20%	1.9%	4.8%	3.00%	3.7%	3.8%
Spain	6.50%	7.0%	6.5%	2.10%	2.1%	2.5%	3.70%	6.0%	7.4%
Brazil	10.25%	9.8%	11.3%	5.20%	9.4%	6.9%	5.90%	5.7%	3.8%

Allocation of goodwill to cash-generating units

When analyzing impairment, goodwill is allocated to the CGU's, which are represented mainly by the United States, Canada, Spain and others.

The carrying amount of goodwill assigned to each cash-generating unit, after impairment losses, is as follows:

	2019	2018	2017
USA	\$ 40,396	\$ 42,227	\$ 41,609
Canada	13,335	13,336	14,663
Spain	1,175	1,229	4,071
Other CGUs	7,868	8,721	3,083
	<u>\$ 62,774</u>	<u>\$ 65,513</u>	<u>\$ 63,426</u>

USA

The recoverable amount of the CGU is the higher of the asset's value in use (VIU) and its fair value less costs to disposal (FVLCD). This year the VIU was higher and in order to calculate this amount, the Company applied the discounted cash flows method, which consists of applying a discount rate to the projected cash flows of the CGU. The discount rate used is the Weighted Average Cost of Capital (WACC), which considers the cost of capital contributed by the shareholder and the cost of debt. The projections applied have a 5-year horizon, plus the last perpetuity that considers the normalized flow plus an increment in line with the country's inflation rate.

After applying the aforementioned methodology, the Company concluded that there is no impairment in the value of the goodwill of this CGU.

Morocco

The recoverable amount of the CGU is estimated based on the greater between the VIU and FVLCTS.

To determine the recoverable amount, the Company used the discounted cash flows method, which considers a discount rate applied to projected cash flows of the CGU. The discount rate used is the Weighted Average Cost of Capital (WACC), which considers the cost of capital contributed by the shareholder and the cost of debt. The projections applied have a 5-year horizon, plus the last perpetuity that considers the normalized flow plus an increment in line with the country's inflation rate.

Based on the application of this methodology, the Company concluded that an impairment loss existed in the value of goodwill associated to this CGU of \$201 in 2018, recognized in profit or loss.

Argentina

The Company applied the discounted cash flow method to this CGU and identified impairment of \$121 in 2018 in the value of the goodwill associated to its CGU in Argentina, which was recognized in retained earnings (see Note 3f).

Rest of CGUs

For the rest of the CGUs, the value in use was higher than the carrying amount and no impairment losses were recognized.

16. Income tax

Income tax in Mexico

The current and expected income tax rate for 2019, 2018, and 2017 and subsequent years is 30%.

On 30 October 2019, a series of tax reforms effective as of 1 January 2020 were approved in Mexico. The main changes are as follows:

1. Restrictions on the deduction of net interest
2. Restrictions on the deductibility of payments made to entities located in low tax jurisdictions
3. Re-characterization of transactions when the tax authorities conclude that there is no business reason for the transaction

As of December 31, 2019, the Company is in the process of evaluating the potential impacts of the aforementioned tax reforms.

Income tax in other countries

Subsidiaries established abroad calculate income tax or an equivalent of it based on the individual performance of each subsidiary and in accordance with the regulations of each country. In the U.S. the Company has an authorization to file a consolidated income tax return. From 2013, the Spanish operations have an authorization to file a consolidated income tax return. Beginning 2019, French subsidiaries have been authorized to file a consolidated income tax return.

Except for the subsidiaries mentioned above, each subsidiary calculates and pays income tax as an individual legal entity. The annual tax returns are filed within the six months following the end of the fiscal year. Additionally, the subsidiaries must make provisional payments during each fiscal year.

The tax rates applicable in other countries where the Company operates and the period in which tax losses may be applied, are as follows:

	Statutory income tax rate (%)			Expiration of tax loss	
	2019	2018	2017	carryforwards	
Argentina	30 (a)	30 (a)	35 (a)	5	(b)
Brazil	34	34	34		(c)
Canada	15 (d)	15 (d)	15 (d)	20	(h)
Spain	25	25	25		(e)
USA	21 (f)	21 (f)	35 (f)		(g)
Mexico	30	30	30	10	

The tax losses generated by the Company are mainly in the United States, Mexico, Brazil and Spain.

- (a) In December 2017, a tax reform was approved in Argentina, which reduced the corporate income tax rate from 35% to 30% for 2018 and 2019.
- (b) Losses on the sale of shares or other equity investments and derivatives may only be offset against income of the same nature. Tax losses from foreign sources may only be carried forward against income from foreign sources.
- (c) Tax losses may be indefinitely carried forward but may only be offset each year up to an amount equivalent to 30% of the net taxable profit for each year.
- (d) The corporate income tax rate is a combination of the federal corporate tax rate of 15%, and relevant state (provincial) corporate income tax rates where the Company has a permanent establishment. State tax rates range from 10% to 16%. Therefore, the combined tax rate may range from 25% to 31%.
- (e) Tax loss carryforwards have no expiration date; however, their application is limited to 25% of the net taxable profit for the year.
- (f) In December 2017, a tax reform was approved in the United States, which reduced the federal corporate tax rate from 35% to 21% from 2018.
- (g) As a result of the tax reform, tax loss carryforwards have no expiration date; however, their amortization is limited to 80% of the taxable profit generated for the year.
- (h) The Company's tax losses may be carried back against the three prior years.

2. Risk management

During the normal course of its operations, the Company is exposed to risks inherent to different financial variables, as well as changes in the prices of some raw materials that are traded in international formal markets. The Company has established an orderly risk management process that assesses the nature and extent of those risks.

The primary financial risks to which the Company is exposed are:

- Market risks
- Interest rate risks
- Foreign currency exchange risks
- Commodity price risks
- Liquidity risks
- Credit risks
- Equity risks

The risk management process includes the following:

- Identify, assess and monitor external and internal risks that could have a significant impact on the Company;
- Prioritizing risks;
- Ensuring risk assignment and monitoring;
- Validating bodies and/or those responsible for risk management;
- Validating the progress made in the management of each prioritized risk;
- Making recommendations;
- Reviewing the consistency of open positions as compared to the corporate strategy.

Since the variables to which the Company is exposed are dynamic, hedging strategies are evaluated and monitored formally and periodically. Such strategies are reported to the relevant corporate governance body within the Company. The primary purpose of hedging strategies is to achieve a neutral and balanced position in relation to the risk exposure caused by certain financial variables.

2.1 Market risks

The Company is exposed to interest rate and foreign currency exchange risks as well as to price risks related to the purchase of certain commodities. The Company occasionally uses derivative financial instruments to mitigate the potential impact of fluctuations in these variables and prices on its financial performance. The Company considers that derivative financial instruments it enters into provide flexibility that allows for greater financial stability and better visibility and certainty regarding future costs and expenses.

The Company determines the target amounts and parameters of the primary positions for which the derivative financial instruments are contracted in order to minimize one or more of the risks generated by a transaction or group of transactions associated with the primary position.

The Company only enters into derivative financial instruments with financial institutions of well-known solvency and within the limits set for each institution.

The main types of derivative financial instruments used by the Company are as follows:

- a) Contracts that establish a mutual obligation to exchange cash flows on preestablished future dates, at the nominal or reference value (swaps):
 - 1. Interest rate swaps to balance the mix of fixed and variable interest rates used for financial liabilities.
 - 2. Cross currency swaps, to change the currency in which both the principal and interest of a financial liability are expressed.
- b) Foreign currency exchange forwards
- c) Foreign currency exchange call options
- d) Commodity futures
- e) Options on raw material futures
- f) Commodity swaps

Market risk exposure is monitored and reported by the Company on an ongoing basis.

The Company's policy is to contract derivative financial instruments for the sole purpose of hedging its foreign currency risk. Accordingly, in order to contract a derivative financial instrument, it must necessarily be associated with a primary position that exposes the Company to a specific risk. Consequently, the notional amounts of the Company's derivative financial instruments must be consistent with the amounts of the primary positions that are being hedged. The Company does not contract derivative financial instruments to obtain pretended earnings from premiums. If the Company decides to enter into a hedging strategy whereby options are combined, the net premiums paid/collected must represent a cash outflow.

Derivative financial instruments are comprised as follows:

2.2 Management of interest rate risk

The Company is exposed to interest rate risk, mainly with respect to its financial liabilities. The risk is managed through an adequate mix of fixed and variable rates, which on occasion, is achieved by contracting derivative financial instruments, such as interest rate swaps, which are accounted for as hedging instruments when they meet with the corresponding criteria.

Management considers that the interest rate risk related to its financial assets is limited, since they are generally current assets.

As of December 31, 2019, the Company has long-term debt at variable rates referenced to the Euro Interbank Offered Rate ("EURIBOR") and the Mexico Interbank Floating Interest Rate ("TIIE" Spanish acronym). As of December 31, 2018 the Company had no long-term debt that bore interest at variable rates. As of December 31, 2017 a portion of the long-term debt accrued interest at the variable rate EURIBOR.

Interest rate sensitivity

The sensitivity analyses below have been determined based on balances exposed to interest rate risk, considering both derivative and non-derivative financial instruments at year-end closing; therefore, the analyses may not be representative of the interest rate risk for the period due to changes in the balances exposed to such risk. For floating rate instruments, for which the Company has not contracted a hedge to fix the rate, the sensitivity analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year. A change of 20 basis points in the one-month CDOR and EURIBOR and a change of 100 basis points in the 28-day TIIE represents management's best estimate of a reasonable potential change with respect to those rates.

An increase/decrease of 20 basis points in the EURIBOR would result in a decrease/increase in profit or loss of approximately \$0.1 and \$4.7 for the years ended December 31, 2019 and 2017, respectively.

An increase/decrease of 20 basis points in the TIIE would result in a decrease/increase in profit or loss of approximately \$8 for the year ended December 31, 2019.

2.3 Management of foreign currency risk

The Company carries out transactions in different foreign currencies and presents its consolidated financial statements in Mexican pesos. Accordingly, it is exposed to foreign currency risk (i.e., due to forecasted purchases of raw materials, contracts and monetary assets and liabilities) and foreign currency translation risk (i.e. due to net investments in foreign subsidiaries). The Company is mainly exposed to foreign currency risk associated with the performance of the Mexican peso against the USD and the Canadian dollar and of the Canadian dollar against the USD.

- Management of foreign currency translation risk

The Company has investments in foreign subsidiaries whose functional currency is not the Mexican peso, which exposes it to foreign currency translation risk. The Company has contracted intercompany financial assets and liabilities with those foreign subsidiaries in various currencies, which also generate foreign currency translation risks.

Foreign currency translation risk is mitigated mostly through the designation of one or more loans denominated in these currencies to naturally hedge exposure to foreign currency as well as certain derivative financial instruments under the accounting method of net investment in foreign subsidiaries.

As of December 31, 2019, 2018 and 2017, the portion of loans in USD (described in Note 13) that have been designated as hedges on the net investment in foreign subsidiaries amount to USD 2,550, USD 2,550 and USD 2,650 million, respectively.

As of December 31, 2019, 2018 and 2017, the loans that have been designated as hedges on the net investment in foreign subsidiaries amount to CAD 290, CAD 290 and CAD 965 million, respectively (see Note 17, 2.3 (a)).

To test hedge effectiveness, the Company compares the changes in the fair value of the hedging instrument against the changes in fair value of the hedged item attributable to the net investment.

As of December 31, 2019, 2018 and 2017, the amount designated as a hedge for long-term intercompany asset positions is CAD 630, CAD 650 and CAD 650 million, respectively.

As of December 31, 2017, the bank loan that has been designated as a hedge on the net investment in foreign subsidiaries amounts to EUR 100 million.

Management of transactional foreign currency risk

The Company's risk management policy on transactional foreign currency risk consists of hedging expected cash flows, mainly with regard to expected obligations that qualify as hedged items, represented by "highly probable" forecasted transactions for purposes of hedge accounting. When the future purchase is made, the Company adjusts the non-financial asset hedged for the gain or loss previously recognized in Other Comprehensive Income.

Foreign currency exchange sensitivity

The sensitivity analyses below have been determined based on balances exposed to foreign currency exchange risk, considering both derivative and non-derivative financial instruments at year-end closing; therefore, the analyses may not be representative of the foreign currency risk for the period due to changes in the balances exposed to such risk.

A depreciation/appreciation of one Mexican peso per USD that represents management's estimate of a reasonable potential change in the parity of both currencies would result in a decrease/increase of approximately \$48, \$55 and \$38 in profit or loss for the years ended December 31, 2019, 2018 and 2017, respectively.

A depreciation/appreciation of one Mexican peso per Canadian dollar that represents management's estimate of a reasonable potential change in the parity of both currencies would result in a decrease/increase of approximately \$0, \$1 and \$1 in profit or loss for the years ended December 31, 2019, 2018 and 2017, respectively.

A depreciation/appreciation of \$1 Mexican peso per euro that represents management's estimate of a reasonable potential change in the parity of both currencies would result in a decrease/increase of approximately \$0, \$1 and \$0 in profit or loss for the year ended December 31, 2019, 2018 and 2017, respectively.

Foreign currency hedges

There is an economic relationship between the hedged items and the hedging instruments as the terms of the foreign exchange and commodity forward contracts match the terms of the expected highly probable forecasted transactions (i.e., notional amount and expected payment date). The Company has established a hedge ratio of 1:1 for the hedging relationships as the underlying risk of the foreign exchange and commodity forward contracts are identical to the hedged risk components.

As of December 31, 2019, 2018 and 2017, the Company had the following forwards to cover forecasted transactions:

Country	Currency	December, 2019		December, 2018		December, 2017		Market value

As of December 31, 2019, 2018 and 2017, the Company reclassified \$281, \$115 and \$573, respectively, to cost of sales.

2.4 Management of commodity price risk

There is an economic relationship between the hedged items and the hedging instruments as the terms of purchases of raw materials match the terms of the expected highly probable forecasted transactions (i.e., notional amount and expected payment date). The Company has established a hedge ratio of 1:1 for the hedging relationships as the underlying risk of the purchases of raw materials are identical to the hedged risk components.

In accordance with the Company's risk management policies, it enters into wheat, natural gas, and other commodity futures contracts to minimize the risk of variation in international prices of such supplies.

Wheat, the main supply used by the Company, together with natural gas, are some of the commodities hedged. The transactions are carried out in well-known commodity markets and through their formal documentation, are designated as cash flow hedges of forecasted transactions. The Company performs prospective and retrospective effectiveness tests of the instruments to ensure that they mitigate the variability of cash flows from fluctuations in the price of such supplies.

As of December 31, 2019, 2018 and 2017, the Company has recognized, in other comprehensive income, closed contracts that have not yet been reclassified to cost of sales, since the wheat under these contracts has not been used for flour consumption.

The fair values of these financial instruments used to hedge the raw material price risk are considered within level 1 of the fair value hierarchy.

Embedded derivatives - As of December 31, 2019, 2018 and 2017, the Company has not identified any embedded derivative financial instruments that require bifurcation.

Valuation techniques and assumptions applied to measure fair value

The fair value of the Company's financial assets and liabilities is calculated as follows:

The fair values of financial assets and financial liabilities with standard terms and conditions which are traded on active, liquid markets are determined based on their quoted market prices. Derivative financial instruments fall under this category; therefore, these instruments are classified within level 1 of the fair value hierarchy described below.

The fair value of other financial assets and liabilities carried at fair value is determined in accordance with accepted pricing models, generally based on an analysis of the discounted cash flows.

As of December 31, 2019, 2018 and 2017, the carrying value of financial assets and liabilities does not vary significantly from their fair value.

These derivative financial instruments are considered within level 2 of the fair value hierarchy.

The valuation of the Company's local bonds was determined based on the market value with prices provided by Valuación Operativa y Referencias de Mercado S.A. de C.V. ("VALMER"), which is an entity supervised by the Mexican National Banking and Securities Commission (CNBV, Spanish acronym) that provides updated prices for financial instruments. This valuation is considered Level 1 in accordance with the hierarchy described below.

Fair value hierarchy

All valuations for which fair value is measured or disclosed in the consolidated statement of financial position are categorized within one of the following three hierarchy levels based on the data used in the valuation. Categorization within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement.

- Level 1: Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2: Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3: Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

2.5 Management of liquidity risk

Management of liquidity risk anticipates the Company's capacity to accomplish funds requirements in the short, medium and long terms, while seeking financial flexibility. The Company maintains sufficient liquidity through orderly managing its resources and constantly monitoring of cash flows, as well as maintaining a variety of credit lines (some of them committed) with banking institutions and proper management of working capital. These actions ensure the payment of future obligations. Due to the nature of its business, the Company considers its liquidity risk to be low.

Obligations arising from accounts payables, derivative financial instruments and debt amortization are as follows:

	< 1 year	> 1 year < 3 years	> 3 years < 5 years	> 5 years	Total

2.6 Management of credit risk

Credit risk arises from a potential loss the Company may incur as a result of clients not meeting their payment obligations, of loss from investments and with the counterparties with which financial derivative instruments are contracted.

The Company recognizes a provision for expected credit losses for trade receivables. The Company uses a provision matrix to calculate ECLs for trade receivables. The provision matrix is initially based on the Company's historical credit loss experience adjusted for factors that are specific to the debtors, general economic conditions and an assessment of the current direction and forecast of future conditions at the reporting date, including money time value when applicable.

With respect to transactions with derivative financial instruments related to interest rate and exchange rate hedges, and some commodities such as natural gas, these instruments are entered into bilaterally with highly reputed counterparties that meet certain criteria mentioned below, and with whom it is maintained a significant and ongoing business relationship.

These counterparties are deemed of high repute, as they are sufficiently solvent, based on their "counterparty risk" rating from Standard & Poor's, for short- and long-term obligations in local and foreign currency.

The Company's transactions with derivative financial instruments related to raw materials are carried out in the following renowned markets:

- a) Minneapolis Grain Exchange (MGE)
- b) Kansas City Board of Trade (KCBOT)
- c) Chicago Board of Trade (CBOT)
- d) New York Mercantile Exchange (NYMEX)

The Company monitors counterparty credit risks on a monthly basis and performs the related measurements.

All derivative financial instrument transactions are performed under a standardized derivatives contract that are duly executed by the legal representatives of the Company and those of the counterparties.

The appendices and annexes to derivative contracts establish the settlement and other relevant terms in accordance with the uses and practices of the Mexican market and the markets in which the Company operates.

Some master agreements, appendices and annexes, through which bilateral derivative financial transactions are carried out, consider the establishment of cash deposits or other securities to guarantee payment of obligations arising from such contracts. The credit limits established by the Company with its counterparties are large enough to support its current operations; however, the Company maintains cash deposits as collateral for payment of certain derivative financial instruments.

For commodities future contracts executed in well-known international markets, the Company is subject to the regulations of such markets. These regulations include, among others, establishing an initial margin call for futures contracts and subsequent margin calls required from the Company.

Sensitivity analysis:

The significant actuarial assumptions for the determination of the defined benefit obligation are the discount rate and the expected salary increase rate. The sensitivity analyses described below consider reasonable potential changes in the respective assumptions at the end of the reporting period, with all other assumptions remaining constant.

The sensitivity analysis is presented considering a variation of 100 basis points, is as follow:

	<u>Mexico</u>	<u>USA</u>	<u>Canada</u>
Discount rate increase	(2,196)	(2,460)	(602)
Discount rate decrease	3,405	2,212	715
Salary increase rate increase	(51)	(213)	(56)
Salary increase rate decrease	2,965	189	68

In the sensitivity analysis described above, the present value of the defined benefit obligation is calculated using the projected unit credit method at the end of the reporting period, which is the same method applied to calculate the liability for the defined benefit obligation recognized in the consolidated statement of financial position.

There were no changes in the methods or assumptions considered in the sensitivity analyses of prior years.

The Company expects to contribute of \$1,995 to the retirement and post-retirement benefit plans in 2020.

Multi-Employer pension plans (MEPP)

The Company participates in benefit plans known as MEPPs through its subsidiary BBU. A MEPP is a fund in which several unrelated employers, in the same or similar industry, make payments to fund retirement benefits for unionized employees enrolled in the plan. Originally, MEPPs were created to facilitate the mobility of employees between companies in the same industry preserving pension benefits. Usually these funds are managed and controlled by a trust that is overseen by representatives of all employers and employees. Currently BBU participates in 28 MEPPs, with an average participation in the plans of 13.40% compared to other participating entities.

Unless the Company determines that it is highly probable that it will exit the MEPP, this type of plan is measured as a defined contribution plan, since the Company does not have sufficient information to perform the related calculations due to the collective nature of the plans and the Company's limited participation in the management of the plans. The Company's obligation to make contributions to the plan is established in the collective labor agreements.

For the years ended December 31, 2019, 2018 and 2017, the contributions made to the MEPPs amounted to \$2,705, \$2,734 and \$2,169, respectively. The Company expects to contribute \$2,075 in 2020. Annual contributions are recognized in profit or loss.

In the event that other employers exit the MEPP without satisfying the related obligations, the unpaid amount is distributed to the other active employers. Generally, the distribution of the liability resulting from the exit of the plan is based on the proportion of the Company's contributions to the plan compared to the contributions made by the other employers in the plan.

When it is highly probable that the Company will exit a MEPP, a provision is recognized for the present value of the estimated future cash outflows, discounted at the current rate. In addition to the aforementioned provision, the Company has recognized a liability for its exit of two MEPPs, for which it already has an exit agreement. The total liability related to MEPPs is recognized under employee benefits.

The provision for the MEPP mainly corresponds to the Company's intention of exiting a plan.

During 2019, 2018 and 2017, the Company recognized \$1,832, \$(663) and \$301, respectively, in profit or loss as a result of the updating and restructuring of certain MEPPs, of which \$424, \$397 and \$376, respectively, were recognized in the comprehensive financing cost and \$1,408, \$(1,060) and \$(75), respectively, in other income/(expenses), net (see Note 22).

Liabilities already recognized related to MEPPs are updated annually due to changes in wages, seniority and the combination of employees within the plan and are recorded in profit or loss for the year, in addition to the amounts that are contributed to the different MEPPs.

The Company has created a provision of \$17,319 for the estimated cost of exiting some of the plans. The Company has not created a provision for the MEPPs which it has no intention of exiting.

The Company reviews its contingent liabilities related to MEPPs in order to mitigate potential risks.

Brazil:

Because of the purchase of property, plant and equipment and intangible assets in Brazil in connection with the Firenze brand in 2008, the Company is subject to tax liens as the presumed successor to companies that participate in these legal actions. The court issued, among others, a precautionary measure ordering the restriction of part of the accounts receivable for the sale of Firenze brand products. The Company has guaranteed the ongoing tax litigation, through assets for \$498. As of December 31, 2019, the Company has recognized provisions of \$41 associated to the professional fees accrued by the legal advisors for the monitoring and control of litigations related to the referred brand. It is expected that these legal matters will be resolved in the medium-term. The Entity's legal advisors expect that the resolution of said litigation will be in favor of Bimbo do Brazil.

The Company has guaranteed its labor and civil lawsuits through guarantee deposits of \$204, which are presented as other non-current assets.

Canada:

The Competition Bureau of Canada started an investigation into alleged collusion between various participants of the baked goods industry, including Canada Bread although at date no formal accusations have been made against the Company. The Company is cooperating with the Canadian authorities in this process. In addition, Grupo Bimbo and Canada Bread have been required in twelve class actions in connection with such investigation. Given the status of this process as of December 31, 2019, the Company has not recognized a provision with regards to this matter.

For the years ended December 31, 2019, 2018 and 2017 the sales to the Company's largest customer represented 12.47%, 12.55% and 12.53%, respectively, of the consolidated net sales of the Company, which correspond mainly to the Mexico and the US and Canada regions. 26. Subsequent Events

On January 2, 2020, the Company, through its subsidiary BBU, acquired the Lender's brand frozen bagel business from Conagra Brands.

The outbreak of the Covid-19 virus that occurred in January 2020 in China and other countries where the Company operates could have an impact on the Company's operations and its consolidated financial results. However, at this moment, there are no elements to reasonably estimate such impacts since they depend on highly uncertain and unpredictable future events.

27. Authorization of the Consolidated Financial Statements

On April 15, 2020, the accompanying consolidated financial statements and these notes were authorized by the Company's Chief Executive Officer, Daniel Servitje Montull, and the Board of Directors, for their issue and subsequent approval by the shareholders, who have the authority to modify them in accordance with the Mexican Corporations Act.

**ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT PURSUANT TO THE
CALIFORNIA FRANCHISE INVESTMENT LAW**

THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE FRANCHISE DISCLOSURE DOCUMENT.

California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination or nonrenewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control.

The Distribution (Franchise) Agreement requires application of the laws of Pennsylvania. This provision may not be enforceable under California law.

Section 31125 of the Franchise Investment Law requires us to give to you a disclosure document approved by the Commissioner of Corporations before we ask you to consider a material modification of your Distribution (Franchise) Agreement.

You must sign a general release of claims if you renew or transfer your franchise. California Corporations Code Section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code Sections 31000 through 31516). Business and Professions Code Section 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000 through 20043).

Neither the Franchisor nor any person listed in Item 2 of this franchise disclosure document is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling such persons from membership in that association or exchange.

The Distribution (Franchise) Agreement requires that all disagreements be resolved by binding arbitration and (with certain exceptions to be resolved by litigation as set forth in such agreement). The arbitration will occur at a location in or near the county in which you operate under the Distribution (Franchise) Agreement. All disputes that are not subject to mandatory binding arbitration may be brought in any state or federal court with jurisdiction over you and us. This provision may not be enforceable under California law.

OUR WEBSITE IS <http://bbuio.com/>. OUR WEBSITE HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF CORPORATIONS. ANY COMPLAINTS CONCERNING THE CONTENT OF THIS WEBSITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF CORPORATIONS AT WWW.CORP.CA.GOV.

Corporations Code Section 31512 provides that “Any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with any provision of this law or any rule or order is void.”

**ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT PURSUANT TO THE
ILLINOIS FRANCHISE DISCLOSURE ACT**

Notwithstanding anything to the contrary in the Franchise Disclosure Document, the following provisions shall supersede and apply to all franchises offered and sold in the State of Illinois:

1. Item 17 of the Franchise Disclosure Document is amended by the addition of the following language at the beginning of that Item:

“Notice Required By Law

THE TERMS AND CONDITIONS UNDER WHICH YOUR FRANCHISE CAN BE TERMINATED AND YOUR RIGHTS UPON NON RENEWAL MAY BE AFFECTED BY ILLINOIS LAW, 815 ILCS 705/19 - 705/20.”

2. The provisions of the Illinois Franchise Disclosure Act of 1987 (the “Act”) shall supersede any provisions of the Distribution (Franchise) Agreement which are in conflict with the Act.

3. Nothing in Section 13.3 of the Distribution (Franchise) Agreement waives any rights you may have under Section 41 of the Illinois Franchise Disclosure Act of 1987.

4. In the past 10 years, we and/or our affiliate are, or have been, involved in a total of 75 actions which applicable law require us to disclose in Item 3 of the Franchise Disclosure Document. Some of these actions are pending and some actions involve alleged violations of state relationship laws. You should review Item 3.

5. The Franchise Disclosure Document describes different repurchase options which we retain. Whether you buy the Distribution Rights directly from us or buy them from another distributor in a transfer transaction, we retain the right at any time, pursuant to a Buy Back Agreement, to purchase your Distribution Rights for the fair market value of the Distribution Rights at the time we exercise our purchase option. This is further detailed in Item 1 and Item 5. This repurchase option may not be enforceable under Illinois law. We may exercise each option to the extent that the option is enforceable under Illinois law.

**ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT PURSUANT TO THE
INDIANA FRANCHISE PRACTICES ACT**

Notwithstanding anything to the contrary in the Franchise Disclosure Document, the following provisions shall supersede and apply to all franchises offered and sold in the State of Indiana:

Indiana law prohibits requiring you to prospectively agree to a release or waiver which purports to relieve any person from liability imposed by the Indiana Franchise Practices Act (IC 23-2-2.7(5)). The Franchise (Distribution) Agreement shall be deemed amended to the extent necessary to comply with IC 23-2-2.7(5).

Indiana law limits the parties agreement to resolve disputes in any jurisdiction outside of Indiana (IC 23-2-2.7(10)). Subject to the Federal Arbitration Act, the Franchise (Distribution) Agreement shall be deemed amended and the forum for any court proceedings shall be in Indiana.

**ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT
FOR THE STATE OF MARYLAND**

1. Item 17, under the Summary column of parts (c) and (m), are amended to include the following paragraph:

The Code of Maryland Regulations states that a general release required as a condition of renewal, sale and/or assignment/transfer will not apply to any liability under the Maryland Franchise Registration and Disclosure Law. Accordingly, the general release required as a condition of renewal, sale and/or assignment/transfer will not apply to any liability under the Maryland Franchise Registration and Disclosure Law.

2. Item 17, under the Summary column of part (h), is amended to include the following sentence:

A provision in the Distribution (Franchise) Agreement that provides for termination on your bankruptcy may not be enforceable under federal bankruptcy law (11 U.S.C. Section 101 et seq.).

3. Item 17, under the Summary column of part (v), is modified to include the words “, except you may sue in Maryland for any claims arising under the Maryland Franchise Registration and Disclosure Law.”

4. Item 17 is amended to state that any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within 3 years after the grant of the franchise.

**ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT
FOR THE STATE OF MINNESOTA**

1. The following is added to the State Cover Page and Item 17 of this Disclosure Document:

ADDITIONAL RISK FACTOR:

MINN. STAT. § 80C.21 AND MINN. RULE 2860.4400J PROHIBIT US FROM REQUIRING LITIGATION TO BE CONDUCTED OUTSIDE MINNESOTA. IN ADDITION, NOTHING IN THE DISCLOSURE DOCUMENT OR DISTRIBUTION AGREEMENT CAN ABROGATE OR REDUCE ANY OF YOUR RIGHTS AS PROVIDED FOR IN MINNESOTA STATUTES, CHAPTER 80C, OR YOUR RIGHTS TO ANY PROCEDURE, FORUM OR REMEDIES PROVIDED FOR BY THE LAWS OF THE JURISDICTION.

2. The following is added to Item 13 of this Disclosure Document:

We will protect your right to use the Marks or indemnify you from any loss, costs or expenses arising out of any claim, suit or demand regarding your use of the Marks.

Minnesota considers it unfair for us not to protect your right to use the Marks. See Minn. Stat. Sec. 12. Subd. 1(g).

3. The following is added to Item 17 of this Disclosure Document:

With respect to franchises governed by Minnesota law, we will comply with Minn. Stat. § Sec. 80C.14, Subds. 3, 4 and 5 which require, except in certain specified cases, that you be given 90 days notice of termination (with 60 days to cure) and 180 days for notice for non-renewal of the Distribution Agreement.

Minn. Rule 2860.4400D prohibits us from requiring you to consent to a general release.

**ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT
FOR THE STATE OF NEW YORK**

1. Item 3 of the Disclosure Document is supplemented by the following language:

Except as described in Item 3:

Neither we nor any of our affiliates, predecessors, officers or general partners nor any person identified in Item 2 above, has pending any administrative, criminal or material civil action (or a significant number of civil actions irrespective of materiality) alleging a violation of any franchise law, securities law, fraud, embezzlement, fraudulent conversion, restraint of trade, unfair or deceptive practices, misappropriation of property or comparable allegations.

Neither we nor any of our affiliates, predecessors, officers or general partners nor any person identified in Item 2 above, has been convicted of a felony or pleaded nolo contendere to a felony charge or, within the ten-year period immediately preceding the date of this Disclosure Document, has been convicted of a misdemeanor or pleaded nolo contendere to a misdemeanor charge or been held liable in a civil action by final judgment or been the subject of a material complaint or other legal proceeding if such misdemeanor conviction or charge or civil action, complaint or other legal proceeding involved a violation of any franchise law, securities law, fraud, embezzlement, fraudulent conversion, restraint of trade, unfair or deceptive practices, misappropriation of property or comparable allegations.

Neither we nor any of our affiliates, predecessors, officers or general partners nor any person identified in Item 2 above, is subject to any injunctive or restrictive order or decree relating to franchises or under any Federal, State or Canadian franchise, securities, antitrust, trade regulation or trade practice law as a result of a concluded or pending action or proceeding brought by a public agency, is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934, suspending or expelling such person from membership in such association or exchange; or is subject to a currently effective injunctive or restrictive order relating to any other business activity as a result of an action brought by a public agency or department, including, without limitation, actions affecting a license as a real estate broker or sales agent.

2. Item 4 of the Disclosure Document is supplemented by the following language:

Except as described in Item 4:

Neither we, nor any of our affiliates, predecessors, officers, or general partners have within the 10-year period immediately before the date of this Disclosure Document: (a) filed as a debtor (or had filed against it) a petition to start an action under U.S. Bankruptcy Code; (b) obtained a discharge of its debts under the U.S. Bankruptcy Code; (c) or was a principal officer of a company or general partner in a partnership that either filed as a debtor (or that had filed against it) a petition to start an action under U.S. Bankruptcy Code or that obtained a discharge of its debts under the U.S. Bankruptcy Code during or within 1 year after the officer or general partner held the position with the company or partnership.

3. Item 17, "Renewal, Termination, Transfer and Dispute Resolution", shall be supplemented under the categories entitled "Termination by Franchisee" and "Assignment of Contract by [Franchisor]" respectively, by the following language which shall be deemed an integral part thereof:

Any general release required under the Distribution Agreement shall be limited by the following, "all rights arising in your favor from the provisions of Article 33 of the GBL of the State of New

York and regulations issued thereunder shall remain in force; it being the intent of this proviso that the non-waiver provisions of GBL, Sections 687.4 and 687.5 be satisfied.”

Although the Distribution (Franchise) Agreement does not contain any provision permitting you to terminate the Agreement, you have whatever rights you may have under applicable law to terminate the Distribution Agreement.

No assignment will be made except to an Assignee who, in our opinion, is willing and able to assume our obligations under the Distribution Agreement.

The Distribution (Franchise) Agreement requires the application of Pennsylvania Law; however, the choice of law provision should not be considered a waiver of any right conferred on the franchisee by the General Business Law of the State of New York, Art. 33.

4. As to any state law described in this Addendum that declares void or unenforceable any provision contained in the Distribution Agreement, we reserve the right to challenge the enforceability of the state law by, among other things, bringing an appropriate legal action or by raising the claim in a legal action or arbitration that you have initiated.

**ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT
FOR THE STATE OF NORTH DAKOTA**

**ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT
FOR THE STATE OF RHODE ISLAND**

Notwithstanding anything to the contrary in the Franchise Disclosure Document and/or the Distribution (Franchise Agreement), the following provisions shall supersede and apply to all franchises offered and sold in the State of Rhode Island.

§ 19-28.1-14 of the Rhode Island Franchise Investment Act provides that “A provision in a franchise agreement restricting jurisdiction or venue to a forum outside this state or requiring the application of the laws of another state is void with respect to a claim otherwise enforceable under this Act.”

The Franchise Disclosure Document and Franchise Agreement are amended accordingly to the extent required by law. The above language has been included in this Franchise Disclosure Document as a condition to registration. The Franchisor and the Franchisee do not agree with the above language and believe that each of the provisions of the Franchise Agreement, including all choice of law provisions, are fully enforceable. The Franchisor and the Franchisee intend to fully enforce all of the provisions of the Franchise Agreement and all other documents signed by them, including but not limited to, all venue, choice-of-law, arbitration provisions and other dispute avoidance and resolution provisions and to rely on federal pre-emption under the Federal Arbitration Act.
